## NATIONAL FRIENDS OF LIBRARIES WEEK OCTOBER 18 - 24, 2009

**WHEREAS**, Friends of the Carson City Library raise money that enables our library to maintain its position as an irreplaceable community resource for residents and businesses – providing additional resources to support the acquisition of books, technology, equipment and friendships and promote special events throughout the year; and

**WHEREAS**, the work of the Friends highlights on an ongoing basis the fact that our library is the center of learning and intellectual growth in Carson City – connecting citizens with thoughts, ideas, and intellectual contributions of others from ages past and to the present; and

**WHEREAS**, the Friends understand the critical importance of a well-funded library and work to articulate the importance to help ensure that our library gets the resources it needs to provide a wide variety of services including, but not limited to, access to print and electronic materials; and

**WHEREAS**, the Friends recognize that today's library does more than just lend books, but is a valuable resource for intellectual and social growth; and makes a profound difference in the quality of life in Carson City; and

**WHEREAS**, the very gift of the Friends' time and commitment to the library sets an example for all in how volunteerism makes a direct contribution to positive civic engagement and the overall betterment of civic life.
