MEMORANDUM

To: Historic Resources Commission **F-1**

From: Jennifer Pruitt, Principal Planner *J.P.*

Date: November 12, 2009

Subject: National Historic Preservation Act Grant request for 2010

DISCUSSION:

The Certified Local Government Program was established by the National Historic Preservation Act (NHPA) of 1966. NHPA was created in reaction to the destruction of many historic resources using federal funding. NHPA established a national historic preservation program as a decentralized partnership between the federal government and the States. The NHPA provides an opportunity for local governments to strengthen their local historic preservation efforts.

The purpose of this item is to discuss possible future projects for the 2010 NHPA application which is due to the State Historic Preservation Office on or before December 01, 2009.

The following are the projects identified for the 2010 NHPA application:

- Training opportunities for 2010.
- National Registered Historic District - nomination (federal).
- Historic Properties for Architecture Survey, specifically properties that were surveyed in the 1980's that have had significant exterior alterations.

RECOMMENDED MOTION: It is recommended that the Historic Resources Commission "Move to approve the following projects for consideration for the 2010 NHPA application including the following, National Registered Historic District - nomination (federal), Historic Properties for an Architecture Survey, specifically properties that were surveyed in the 1980's that have had significant exterior alterations and HRC training opportunities for the year 2010 with the understanding that the actual proposal will be subject to the budget criteria identified in the 2010 NHPA manual."
