Principal Planner Jennifer Pruitt reviewed the agenda report, noting staff's recommendation of approval. (8:49:28) Robert Williams introduced himself for the record and, in response to a question, discussed his plans to maintain Tommy's as a "fine neighborhood bar." He acknowledged that reports of past disturbances at the subject location "didn't happen on his watch." In response to a further question, he advised that his bartenders will be attending the alcohol servers training program. In addition, he stated, "I'm local. The previous owners were absentee owners so they had various managers in there and it created a problem with keeping the staff up to date and watching and checking for IDs." Mr. Williams advised that all bartenders will be required to check all IDs. Every patron will be required to produce identification. "No ID, you can't be in here no matter what your age is."

In response to a question, Member Furlong advised of no objections. Chairperson Crowell entertained a motion. **Member Livermore moved to approve Robert Williams as the liquor manager for Tommy's Neighborhood Bar, liquor license number 10-26877, located at 260 West Winnie Lane, Carson City, Nevada. Member Aldean seconded the motion.** Member Williamson thanked Mr. Williams for investing in Carson City. (8:56:01) Mohammad Barkat introduced himself for the record and, in response to a question, advised he has operated the subject establishment since August 2006. In response to a further question, he advised of having been cited for the sale of cigarettes to a minor in addition to the citations giving rise to the subject hearing. Chairperson Crowell noted the two citations were issued within a period of thirty days. In response to a question, Mr. Barkat explained the circumstances giving rise to the second citation. He apologized for the infraction, and advised of having recently purchased two new registers “to prevent that.” He explained the function of the registers requiring the clerk to input the driver’s license number and check the ID. In addition, he advised that he and his employees will be attending a Sheriff’s Office alcohol servers training program scheduled for January. He further advised of considering implementation of an in-house compliance check program, and requested the board’s additional suggestions.

Chairperson Crowell entertained public comment; however, none was forthcoming. In response to a question, Member Furlong provided an overview of his December 2nd meeting with Mr. Barkat. Mr. Barkat acknowledged the citations were issued to two different employees. He reiterated the request for the board’s additional suggestions, and expressed confidence there will be no further citations issued in consideration of the measures to be implemented. He responded to questions regarding the mechanism of the new registers, and Member Aldean noted the importance of the clerks accurately entering the identification data. She commended Mr. Barkat on his efforts to prevent further violations. Member Williamson echoed Member Aldean’s comments, and cautioned Mr. Barkat regarding the progressive penalties associated with a third violation. She noted the importance of Mr. Barkat impressing upon his employees “there’s no opportunity for failure; they have to check everyone’s age ...” She noted the

Ms. Pruitt noted the citation giving rise to this hearing was the second issued in a six-month period, but the third issued this year. Chairperson Crowell commended the restaurant, but expressed concern over the frequency of violations.

(9:06:59) Alvaro Brito explained the circumstances giving rise to the subject citation, and expressed regret. He advised that all employees are scheduled to attend the December 9th Sheriff's Office alcohol servers training program. He further advised of having implemented a temporary requirement for any patron wishing to purchase alcohol to do so directly from the bar. Until such time as the employees have completed the alcohol servers training program, they are prohibited from serving alcohol at the tables. In response to a question, Mr. Brito explained the circumstances giving rise to issuance of the previous citation. He reiterated the measures taken to prevent the sale of alcohol at tables until such time as all employees have completed the alcohol servers training program.

Chairperson Crowell reviewed the penalties associated with a third citation, and strongly encouraged Mr. Brito to do whatever is necessary to prohibit any further sale of alcohol to minors.
