MEMORANDUM

To: Historic Resources Commission **F-2**

From: Jennifer Pruitt, Principal Planner

Date: July 08, 2010

Subject: HRC-10-004
2009 Certified Local Government Grant
32-09-21834(2) update

DISCUSSION:

The Certified Local Government Program was established by the National Historic Preservation Act (NHPA) of 1966. NHPA was created in reaction to the destruction of many historic resources using federal funding. NHPA established a national historic preservation program as a decentralized partnership between the federal government and the States. The NHPA provides an opportunity for local governments to strengthen their local historic preservation efforts.

Planning Division staff will provide the HRC and the general public with an update to the status of the 2009 Certified Local Government grant 32-09-21834(2), which will result in a Historic Structures Report for the Brewery Arts Center and the Performance Hall.

The consultants were in Carson City in April, 2010 gathering data and researching the BAC and Performance Hall. The Planning Division staff has completed the requested research from the consultant in June 2010, and also the staff has reviewed the required report drafts provided by the consultants. It is anticipated that the final documents will be completed by July 12, 2010.
