MEMORANDUM

To: Historic Resources Commission **F-2**

From: Jennifer Pruitt, Principal Planner *JPF*

Date: October 14, 2010

Subject: HRC-10-004
2010 Historic Preservation Fund Grant

DISCUSSION:

The Certified Local Government Program was established by the National Historic Preservation Act (NHPA) of 1966. NHPA was created in reaction to the destruction of many historic resources using federal funding. NHPA established a national historic preservation program as a decentralized partnership between the federal government and the States. The NHPA provides an opportunity for local governments to strengthen their local historic preservation efforts.

Planning Division staff will provide the HRC and the general public with an update to the status of the 2010 Historic Preservation Fund (HPF) grant, which will result in a National Register Nomination for the Carson City Historic District and the survey of 50 properties in the Carson City Historic District.

The request for proposal process was completed in August of 2010 and on September 07, 2010, Dan Pezzoni, Architectural Historian was selected to complete the grant work. The Planning Division staff has started the requested research from the consultant and is in the process of reviewing the funding agreement from the State Historic Preservation Office of Nevada.
