# MEMORANDUM

To: Historic Resources Commission F-2

From: Jennifer Pruitt, Principal Planner

Date: March 10, 2011

Subject: HRC-11-005,  
Archaeological Awareness and Historic Preservation Month

---

The National Historic Preservation Month was designed by the National Trust for Historic Preservation to raise awareness about the power historic preservation has to protect and enhance our homes, neighborhoods and communities. It provides an opportunity to celebrate the diverse and unique heritage of our country's cities and towns, and enables all of us to become involved in the growing preservation movement.

By declaring National Preservation Month's theme as "Celebrating America's Treasures", It is the hope of the National Preservation Fund that communities and organizations across the country will help spread the word that programs like Save America's Treasures not only protect the places that tell our nation's story, but also create jobs and spur economic development in our Main Streets.

**RECOMMENDED MOTION:** It is recommended that the Historic Resources Commission "Move to adopt a resolution recommending to the Board of Supervisors a Proclamation declaring the month of May as Archaeological Awareness and Historic Preservation Month".
