MEMORANDUM

To: Historic Resources Commission **F-8**

From: Jennifer Pruitt, Principal Planner

Date: January 12, 2012

Subject: HRC-11-119
2011 Historic Preservation Fund Grant

DISCUSSION:

The Certified Local Government Program was established by the National Historic Preservation Act (NHPA) of 1966. NHPA was created in reaction to the destruction of many historic resources using federal funding. NHPA established a national historic preservation program as a decentralized partnership between the federal government and the States. The NHPA provides an opportunity for local governments to strengthen their local historic preservation efforts.

Planning Division staff will provide the HRC and the general public with an update to the status of the 2011 Historic Preservation Fund (HPF) grant (\$12,500.00), which will result in a survey of 100+ properties west of the Carson City Historic District.

The project consultant, Dan Pezzoni has completed his field work and has started on the draft survey reports. The Planning Division staff has completed most of the requested research from the consultant. Ownership research is ongoing in the Planning Division relating to the 100+ subject parcels.
