MEMORANDUM

To: Historic Resources Commission F-4

From: Jennifer Pruitt, Principal Planner

Date: March 08, 2012

Subject: HRC-12-002,
Historic Preservation Month

Since the National Trust for Historic Preservation created Preservation Week in 1971 to spotlight grassroots preservation efforts in America, it has grown into an annual celebration observed by small towns and big cities with events ranging from architectural and historic tours and award ceremonies, to fundraising events, educational programs and heritage travel opportunities. Due to its overwhelming popularity, in 2005, the National Trust for Historic Preservation extended the celebration to the entire month of May and declared it Preservation Month to provide an even longer opportunity to celebrate the diverse and unique heritage of our country's cities and states, and enable more Americans to become involved in the growing preservation movement.

By declaring National Preservation Month's theme as "**Discover America's Hidden Gems**" communities from coast to coast like Carson City, which are filled with historic treasures, will be celebrating—and May's the month to honor them. The National Trust for Historic Preservation has encouraged communities to reach out to our growing audience of neighbors, tourists, students and preservationists by promoting historic places in our community, and encourage newcomers to learn more about Carson City's local preservation efforts.

RECOMMENDED MOTION: It is recommended that the Historic Resources Commission "**Move to recommend the Board of Supervisors proclaim the month of May as National Preservation Month**".
