STAFF REPORT**

MEETING DATE: June 18, 2012

AGENDA ITEM NUMBER: 3D

STAFF: Juan F. Guzman, Open Space Manager

REQUEST: For possible action to adopt a vision statement for the Open Space Advisory Committee.

GENERAL DISCUSSION: In accordance with the consensus of the Open Space Advisory Committee at their June 4, 2012, workshop, the vision statement to be proposed for approval reads as follows.

Vision: The Open Space Advisory Committee will work to sustain natural and scenic resources and the long term quality of life in Carson City.

The mission and vision statement together provide for a synthesis of what the Committee's work is all about. These are important statements that are used in written and oral presentations to convey the work of the Committee in order to express in a few words what we do.

RECOMMENDED ACTION: I move to adopt a vision statement for the Open Space Advisory Committee.
