MEMORANDUM

To: Historic Resources Commission **F-1**

From: Jennifer Pruitt, Principal Planner

Date: November 08, 2012

Subject: HRC-12-129 Historic Preservation Fund Grant request for 2013-2014

DISCUSSION:

The Certified Local Government Program was established by the National Historic Preservation Act (NHPA) of 1966. NHPA was created in reaction to the destruction of many historic resources using federal funding. NHPA established a national historic preservation program as a decentralized partnership between the federal government and the States. The NHPA provides an opportunity for local governments to strengthen their local historic preservation efforts.

The purpose of this item is to discuss possible future projects for the 2013-2014 Historic Preservation Fund (HPF) application which is due to the State Historic Preservation Office on or before December 03, 2012. The following is a record of the items on previous lists that have been completed or are in the process of completion.

- Historical Survey west of the Historic District.
- Kings Canyon Road inventory.
- Inventory of Carson City Ranches
