

PARKS AND RECREATION COMMISSION STAFF REPORT

MEETING DATE: January 2, 2013

AGENDA ITEM NUMBER: 4D

APPLICANT: Vern L. Krahn, Park Planner

REQUEST: For discussion only to review current Parks and Recreation Department planning projects, grant applications, in-house projects, and design consultants/construction projects for 2013.

GENERAL DISCUSSION: The Parks and Recreation Department will be involved in a number of planning projects, grant applications, in-house projects, and design consultants/construction projects this upcoming year. Staff believes these projects will assist the City and our department with long-range planning for park and trail facilities, provide additional funds for park and trail improvements, assist staff to reduce long-term maintenance costs, beautify City buildings with landscaping, and provide improved recreational facilities for Carson City residents. However, due to the number, complexity, and funding requirements for the below projects, staff realistically believes that not all of these projects will be completed in 2013.

Planning Projects:

- 1) Update the Unified Pathways Master Plan Map based on the Carson City Freeway Corridor Multi-Use Path Alignment Alternatives Study and Non-Motorized User Bridge Crossing at Valley View Drive Study
- 2) Carson River Corridor Management Plan, including Silver Saddle Ranch / Prison Hill
- 3) JohnD Winters Centennial Park Site Development Plan (Master Plan)
- 4) Open Space Trail Planning
