

**HISTORIC RESOURCES COMMISSION
STAFF REPORT**

MEETING DATE:	March 14, 2013
AGENDA ITEM NUMBER:	F-6
APPLICANT:	Roger Moellendorf, Parks and Recreation Director Vern L. Krahn, Park Planner
REQUEST:	For Possible Action: To recommend to the Board of Supervisors approval of a resolution dated January 25, 2013, requesting the State of Nevada to preserve the decommissioned Nevada State Prison as an historic place without obligating Carson City to any financial commitments for this effort until the State of Nevada and its community partners have developed a comprehensive plan, including projected costs for the prison's historic preservation and its future uses.
GENERAL DISCUSSION:	
The Nevada State Prison Preservation Society (NSPPS) has asked Assemblyman Pete Livermore to sponsor a resolution in the 77 th Nevada State Legislative session to support the preservation of the decommissioned Nevada State Prison. According to the resolution (Refer to Exhibit A), the NSPPS is requesting the State of Nevada preserve the Nevada State Prison (NSP) for the education of Nevada's citizens, for its rich geologic, Paleozoic, anthropologic, architectural and social history, for its significant value as a tourist attraction and destination, and for its contributions to Carson City's development. NSPPS' goal continues to be keeping alive the idea of preserving the NSP in public forums and to provide support for moving this effort forward with the State of Nevada and its community partners.	
Assemblyman Livermore supports this resolution and is seeking support from the Historic Resources Commission, the Cultural Commission, and the Carson City Board of Supervisors on this resolution. City staff has reviewed the resolution and believes it is in the best interest of Carson City to cooperate with the State of Nevada, NSPPS, and other community partners for the immediate preservation of the NSP and for planning its development as an historic, educational, and scientific resource of Nevada. However, City staff believes it is premature for Carson City to make any financial commitments to this effort until a comprehensive plan with projected costs can be developed for the prison's historic preservation and its future uses.	
RECOMMENDED ACTION:	I move to recommend to the Board of Supervisors approval of a resolution dated January 25, 2013, requesting the State of Nevada to preserve the decommissioned Nevada State Prison as an historic place without obligating Carson City to any financial commitments for this effort until the State of Nevada and its community partners have developed a comprehensive plan, including projected costs for the prison's historic preservation and its future uses.

Proposed Resolution for NSP
