Stella.....

Can you please send the below email, including the attached event flyer to all the Carson City Cultural Commission members for me ??? Since the CCCC is a co-sponsor of the A@H event, the Nevada Arts Council wanted to keep them updated on the change in venue for the event.

Thanks !!!

Subject: City photos in CCACC artslam

Good morning Vern,

I just wanted to let you know that I have spoken with the Nevada Arts Council and our staff, and we will redo the CCACC artslam to make sure that the City's art photos are included.

I was able to request an extension so that our staff, who is now out of town, will be able to reformat everything and make sure and include your photos.

I hope this helps your day.

Enjoy the warm weather and I look forward to seeing you in the near future.

All my best...Tami
