

**PARKS AND RECREATION COMMISSION
STAFF REPORT**

MEETING DATE: May 7, 2013

AGENDA ITEM NUMBER: 3B

APPLICANT: Dan Zuber, Senior - Carson High School
Vern L. Krahn, Park Planner

REQUEST: Update on Dan Zuber's Carson High School senior project to install monofilament recycling stations at the Baily Fishing Pond, Carson River Park, and Morgan Mill Road River Access Area.

GENERAL DISCUSSION: Dan Zuber is a senior at Carson High School. His senior project is to install monofilament fishing line recycling stations at the Baily Fishing Pond, Carson River Park, and Morgan Mill Road River Access. Recycling fishing line has become a national trend to protect wildlife and the environment.

Dan will be here at this meeting to present his project. As a requirement of his senior project, Dan is requesting the Commission evaluate his presentation. The Audience Verification Form is attached as Exhibit A. Staff is requesting that each Commission member take a few minutes after Dan's presentation to complete his evaluation form and return it to him before he leaves the meeting.

RECOMMENDED ACTION: This agenda item is for update purposes only. No formal action can be taken at this time.

Exhibit A

Audience Verification Form

I will be presenting my project to the Carson City Parks commission to show what my project is and how it will help out our city park cites.

Presenter _____

Date of Presentation _____

Time of Presentation _____

Location _____

Commission member (printed name) _____

Commission member (signature) _____

Please rate the presentation on the basis of 5 being the highest and 1 being the lowest.

1. The presenter was prepared and on time. _____
