

**PARK AND RECREATION COMMISSION
STAFF UPDATES – DISCUSSION ONLY**

MEETING DATE: February 4, 2014

AGENDA ITEM NUMBER: 4A

APPLICANT: Vern L. Krahn, Park Planner

REQUEST: Update on the Nevada Fair construction projects at the Carson City Fairgrounds and Fuji Park Complex.

GENERAL DISCUSSION: The Parks and Recreation Department, along with Public Works will be involved in multiple construction projects in support of the Nevada Fair. In addition, these projects will beautify and increase public safety at the Fairgrounds/Fuji Park complex while making the facility more attractive for promoters to bring future events to Carson City.

These construction projects included the following:

1. Fairgrounds Maintenance Building
 - a. Maintenance Building Electrical / Facility Maintenance
 - b. Shelving Improvements / Parks Maintenance Division
2. Fairgrounds Arena Plaza Picnic Shelter
 - a. Shelter Electrical (Outlets & Lighting) / Facility Maintenance
 - b. Shelter Picnic Table Assembly - Parks Maintenance Division
3. Fairgrounds / Fuji Park Electrical Infrastructure Improvements
4. Costco/Fuji Park Intertie Water Line
5. Clear Creek Interpretive Signs
6. Old Clear Creek Road Directional Sign Arrays / Six Signs

These projects are in the planning stages:

1. Fairgrounds Directional/Event Banner Sign - NCOT Grant
2. Animal Washing Station / West End - Public Works
3. Fairgrounds Plaza Landscaping / Irrigation - Parks Maintenance Division
4. Volunteer Work Days & Clean Up Project - Vern / Parks Maintenance Division and Robb Fellows - Public Works

Staff would like to take about 15 minutes at this meeting to present and update the Commission on the Nevada Fair construction projects.

RECOMMENDED ACTION: No formal action can be taken at this time. This agenda item is only for information purposes.
