### LIVESTOCK SHOW SCHEDULE

#### Ranch Rodeo at Fuji Fairgrounds

The Minden Ranch Rodeo originated in 1999. It was the fulfillment of a dream several ranchers and businessmen had to showcase the lifestyle in which they cherish deeply. The idea was to promote ranch rodeo thereby continuing our areas heritage, at the same time use the proceeds to establish scholarships for high school rodeo youth in the area. This once in a lifetime occasion is an opportunity to showcase the unique contribution of Nevada's culture and history. This event is guaranteed to instill pride and inspire all Nevadans by connecting all communities throughout Nevada by tapping into the common pride in or shared heritage possessed by all who live or have lived in Nevada. The rodeo will include: ranch branding, saddle bronc, ranch doctoring, ranch horse, double mugging, wild cow milking, daily calf roping and women's steer stopping.
