Sheet #1

Briefly describe the qualifications you possess which you feel would be an asset to this Board/Committee/Commission:

Owning and managing a business in Carson City has taught me to deal with governmental rules, regulations, and various departments within the City and the State. This along with the people skills and financial management skills required in running a "small city" (our business) are an asset in almost any situation. Experience with the non-profit side of our community and the respect for the people who are trying to improve various aspects of our lives, I feel will be an asset. Although I have not been involved in specific areas of the Carson City's art community, I feel that the experience I gained from working with GROW from grant writing, fund raising, speaking, and thinking outside the box could be helpful as well as knowing that new challenges are interesting and exciting. The history behind the Transportation Art on the Freeway gave me a great appreciation for the importance of retaining Carson City's historical heritage as well as all of the many facets that make up the culture of Carson City. This in the long run are a part of the many things that make this a great community for young and old alike.

Sheet #2

List the community organizations in which you have participated and describe participation

Girl Scout Leader - Brownies to Seniors – Helped girls to appreciate the "Out of Doors", learn leadership skills, & become fine women – Our troop was large with around (40+ girls at a time) so it was necessary to develop the skills to have parent involvement, support, and participation – Our community involvement went from the Nevada Day Parades to lobbying the Legislature for a deposit on aluminum cans to our final project which the girls hosted and organized "Sierra Stomping '77" - a national Girl Scout back-packing adventure for 100 girls from throughout the United States

Volunteer Ski Instructor for Carson City Comet Program - Taught students skiing from Beginner to Advanced

Ski Patrol - First Aide instructor for Junior Patrol as well as patrolled local areas each weekend

GROW (Gardeners Reclaiming Our Waysides) President – Worked with other volunteers to landscape Phase I of the Carson City Freeway – wrote grants, gave talks, worked with city and state government on accomplishing this project, constantly learned new ideas and options
