Subject: SPECIAL USE PERMIT - FILE NO. SUP-15-079

RECEIVED
SEP 28 2015
CARSON CITY
PLANNING DIVISION

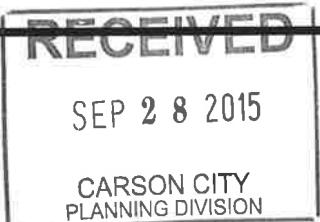

I STRONGLY OBJECT to this permit and the construction of this building!!!! It would be an eyesore in the neighborhood, would take away from the country atmosphere, and decrease the value of all the properties in the surrounding area! I OBJECT for the very reason that this requires a special permit so that the structures on the property are not excessive!! There's a good reason to have open spaces in this country neighborhood and it should STAY THAT WAY!!!!!!
