Re: 2015 Historic Preservation Fund (HPF) Grant Notification

Dear Ms. Dorr Pansky:

The State Historic Preservation Office finished its HPF grant selection for the 2015 calendar year and is pleased to announce that your organization has been awarded \$29,000.00. Enclosed is the preliminary list of awarded projects for the 2015 grant cycle. This list will be official after our public meeting mentioned below.

As required by the National Park Service, a public meeting has been scheduled to allow the general public an opportunity to comment on the recommended awards, and to make adjustments, if necessary. The 2015 HPF public meeting has been scheduled for March 20, 2015 at 9:00am in our office located at 901 S. Stewart St., Suite 5004. Please see a map included with this letter. Attendance at the public meeting is not mandatory. If unable to attend, comments submitted before March 16, 2015 will be read during the meeting. After the meeting, SHPO will finalize the grant distribution, emailing a final list to applicants.

This award, combined with the City's matching share, will be sufficient to complete some of the activities proposed for the grant in the Historic Resource's Commission public meeting on March 20, 2015.

As administrator of this program, the State Historic Preservation Office would like to take this opportunity to point out several items of importance.

1. The HPF award is from the National Park Service (NPS) and requires a minimum 40% contribution from the grantee; for this award amount your minimum match is \$19,333.00. Note: This represents 40% of the entire project not of the federal grant funds;
2. Each grant has been assigned an HPF project tracking number and SHPO grant reviewer (see below):
 - Your HPF Project Tracking Number is: **P15AS00020(1)**

Susan Dorr Pansky

March 13, 2015

- 2 -

Since we are dealing with multiple HPF grant years, it is very important to include your project number with all of your correspondence - emails, faxes, letters, memos, progress reports, and reimbursement requests.

- Your SHPO Grant Reviewer is: **Elyse Jolly**

This individual is your primary contact regarding this grant and all project communication should be directed to him/her.

3. Project work as well as project costs should not be incurred or obligated until all participants have signed the funding agreement;
4. Your HPF award of \$29,000.00 will be available as soon as the following items have been completed:
 - **Submission of a Revised Scope of Work**
This should include the items your organization is planning on accomplishing with your HPF award. Please be as detailed as possible and include it in a list format.
 - **Submission of a Revised Itemized Budget**
This should reflect your HPF award and should be as detailed as possible. If the HPF award is part of a larger budget (e.g., if you are combining several funding sources), please make sure to identify the items that will be paid for by the HPF funds. The remainder will be considered match.
 - **A Legal Property Description (only if working on a historic property)**
This is the legal description of the historic property where the work will be done and may be obtained from your local recorder's office.
 - **Main Project Contact Person**
If changes have been made since the application was submitted to our office, please let your grant reviewer know as soon as possible.

Such accounts, records, and books must be retained for three (3) years after the completion of the project.
3. To the extent authorized by law, the SUBGRANTEE agrees to indemnify and hold the State of Nevada, its agents and employees harmless from any loss, damage, liability, cost or expense to the person or property of another which was caused by the negligence of the SUBGRANTEE, its officers, employees and agents under this agreement.

6. SUBGRANTEES receiving funds for Development projects are required to ensure that the project sign is displayed in a prominent location at each project site while project work is in progress. The project sign will be provided by the STATE for the duration of the project and will be returned to the STATE upon project completion. If any damage

occurs to the project sign during the project, the SUBGRANTEE will be responsible for replacement of the project sign.

7. Provide the STATE with progress and financial reports in a format prescribed by the STATE during the term of the grant. Due dates are **OCTOBER 15, 2015; JANUARY 15, 2016 AND APRIL 15, 2016**. The first progress report is due **OCTOBER 15, 2015**.

8. Submit required reports, including reimbursement and progress, quarterly. If the SUBGRANTEE fails to provide the required progress reports during the *first two quarters*, the STATE reserves the right to revert the *entire* subgrant amount from the SUBGRANTEE. If, after that, the SUBGRANTEE allows *two* quarters to pass without contacting the STATE to submit a reimbursement request and required progress reports, the STATE reserves the right to revert any *remaining* subgrant funds from the SUBGRANTEE. A final report shall be submitted by the SUBGRANTEE in a format prescribed by the STATE within ten (10) days of the completion of the project named herein. Reimbursement requests shall not be processed until such reports are received.

9. Maintain:

a) An accurate record of all cash and in-kind expenditures related to the project.

Records must be supported by source documentation. All volunteer services claimed as nonfederal share must be documented through time cards or records signed by both the volunteer and project supervisor.

b) A special account for the project so that an exact itemization of project expenditures can be submitted by check number along with copies of canceled checks, itemized invoices, and properly documented time sheets.

c) A comparison of actual expenditures with budgeted amounts for the Agreement.

d) If appropriate, please provide summaries of annual tourist attendance at the

facility.

10. Notify the STATE immediately in writing of problems or changes in scope of work, budget, product, and performance reporting. No changes can be made without prior written approval from the STATE.

11. Following the notification of the grant award and before work begins, the SUBGRANTEE will attend a project meeting with the STATE grants manager. It is the responsibility of the SUBGRANTEE to coordinate the meeting date and time with the grants manager.

FURTHER, THEREFORE, the parties to this Agreement acknowledge and will comply with the following general terms:

1. Payment of the grant shall be made upon compliance with the terms of the Agreement, including but not limited to:
 - a) An inspection by the STATE to ensure that work has been completed satisfactorily in accordance with the terms of this Agreement.
 - b) Submission of satisfactory progress reports as referred to above.
 - c) Submission of a Financial Report that must be executed by the person in charge of the project. Copies of all original bills from contractors, suppliers, and vendors, and proof of payment of those bills to assure evidence of compliance prior to reimbursement shall accompany the request. Said reimbursement shall not exceed 60 percent (60%) of the request for reimbursement costs, or the full value of the grant, whichever is less.
 - d) The STATE may, at its discretion, retain 10 percent (10%) of the total federal portion until the STATE receives the final completion report and has accepted its content.
 - e) Progress payments may be made at the discretion of the STATE upon

completion of distinct phases of work provided that the above-mentioned conditions have been met for each phase of work.

f) Any progress payment made by the STATE shall not constitute nor be construed as a waiver by the STATE of any breach of covenant or any default which may exist on the part of the SUBGRANTEE, nor shall any such breach or default impair or prejudice any right or remedy available to the STATE.

2. Both parties understand that a funding-out provision is required by NRS 244.320 and NRS 354.626. Continuation of this grant is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the State Legislature and/or federal sources. Reservation of funds based upon budget reductions is included herein. The granting authority may reduce or terminate this grant, and SUBGRANTEE waives any and all claims(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if, for any reason, the granting agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.

3. The STATE may terminate this Agreement for reason of default by the SUBGRANTEE. Any of the following events shall constitute default:

- a) Termination by the grant by reason of fault of the SUBGRANTEE;
- b) Failure by the SUBGRANTEE to observe any of the covenants, conditions, warranties of this Agreement and its incorporated provision;
- c) Failure by the SUBGRANTEE to make progress on the grant;
- d) Unsatisfactory financial conditions by the SUBGRANTEE which endanger the performance of the grant;
- e) Delinquency by the SUBGRANTEE in payment of taxes or of the costs of performance of the grant in ordinary course of business;

f) Appointment of a trustee, receiver, or liquidator for all or a substantial part of the SUBGRANTEE's property, or institution of bankruptcy, reorganization arrangement, or liquidation proceedings by or against the SUBGRANTEE; and/or Commission of an act of bankruptcy.

4. In the event SUBGRANTEE fails to appropriate or budget funds for the purposes as specified in this agreement, STATE consents to termination of this agreement. In such event, SUBGRANTEE shall notify STATE in writing and the agreement will terminate on the date specified in the notice. Upon occurrence of any of the above conditions, the STATE may, upon written notice to the SUBGRANTEE, withhold further reimbursements for a period of thirty (30) days. After such written notice to the SUBGRANTEE, the STATE may take the following additional actions as appropriate:

- a) Terminate all or any part of the balance of the grant.
- b) Demand immediate repayment of all or part of any reimbursements made to the SUBGRANTEE.

5. If the SUBGRANTEE fails to comply with the *Secretary of the Interior's Standards and Guidelines for Archaeology and Historic Preservation* or any of the terms of this Agreement; the STATE shall have the right to file suit, in law or equity. The purpose of the suit shall be to cause the SUBGRANTEE to cure said violations or to obtain the return of funds granted to the SUBGRANTEE by the STATE. Such suit may be brought in the District Court of the county in which the property is located.

6. The commencement date for all work to be performed under this Agreement is **MARCH 23, 2015**. The termination or end date is **JUNE 30, 2016**. No work performed at any time other than described in this paragraph shall be considered as an eligible activity for reimbursement purposes. Financial Reports requesting reimbursement for activity from **MARCH 23, 2015 TO JUNE 30, 2016** must be submitted no later than

AUGUST 15, 2016 and will not be allowable for reimbursement or as match after that date. Requests that have not been received at the office of the STATE by this date shall not be paid pursuant to this funding agreement.

7. This funding agreement shall be construed and interpreted according to the laws of the State of Nevada.

8. Audits may be required by the STATE. Such audits shall be at the expense of the SUBGRANTEE.

9. The STATE in accordance with the Office of Management and Budget (OMB) Circular A-133, for the Single Audit Act, requires:

- a) Non-Federal entities that expend \$500,000 or more in a year in Federal awards to have a single or program-specific audit conducted for that year.
- b) Non-Federal entities that expend \$500,000 or more in a year in Federal awards shall have a single audit conducted except when they elect to have a program-specific audit conducted in accordance with paragraph (c) of this section.
- c) Program-specific audit election. When an auditee expends Federal awards under only one Federal program (excluding R&D) and the Federal program's laws, regulations, or grant agreements do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit.
- d) Exemption when Federal awards expended are less than \$500,000. Non-Federal entities that expend less than \$500,000 a year in Federal awards are exempt from Federal audit requirements for that year, except as noted in Circular A-133, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, General Accounting Office (GAO) and State.

10. In any news release or printed material describing or promoting the project or any material produced as a result of the grant, appropriate credit shall be given to the STATE and the Department of the Interior by the phrase: "This project has been funded with assistance of the Nevada State Historic Preservation Office through a Department of the Interior grant." Printed material should include language outlined in paragraph 11.

11. An acknowledgment of National Park Service support must be made in connection with publication or dissemination of any printed, audio-visual, or electronic material based on, or developed under, a result of this Agreement shall include the following statements:

The [insert activity] that is the subject of this [insert type of publication] has been financed in whole or in part with federal funds from the National Park Service, U.S. Department of Interior, and administered by the State Historic Preservation Office. If you believe you have been discriminated against in any program, activity, or facility as described above, or if you desire further information, please write to: Office of Equal Opportunity, National Park Service, 1849 C Street, NW, Washington, DC 20240.

12. A complete draft project report will be submitted for STATE review to the

State Historic Preservation Office no later than **APRIL 15, 2016**. The product must comply with *The Secretary of the Interior's Standards and Guidelines for Archaeology and Historic Preservation* and include a historic context appropriate for National Register evaluations of all cultural resources present.

PROCUREMENT PROCEDURES

This statement is to certify that as a subgrantee of historic preservation funding, I am aware of the following federal policies regarding procurement procedures and contracting with small and minority firms, women's business enterprise, and labor surplus area items. It is National policy to award a fair share of contracts involving Federal funds to small and minority business firms. Accordingly, affirmative steps must be taken to assure that small and minority businesses are utilized when possible as sources of supplies, equipment, construction and services. Affirmative steps shall include, but not be limited to the following:

- a. Including qualified small and minority businesses and solicitation lists.
- b. Assuring that small and minority businesses are solicited whenever they are potential sources.
- c. When economically feasible, divide total requirements into smaller tasks or quantities so as to permit maximum small and minority business participation.
- d. When the situation permits, establish permits; establish delivery schedules, which will encourage participation by small and minority businesses.
- e. Use the services and assistance of the Small Business Administration, the Office of Minority Business Enterprise of the Department of Commerce and the Community Services Administration as required.
- f. Any and all subcontractors shall also take the affirmative steps listed in (a) through (e) above.

Subgrantees shall take similar appropriate affirmative action in support of businesses owned and operated by women (women's business enterprises). Subgrantees are encouraged to procure goods and services from areas of high unemployment (labor surplus areas).

Additionally, subgrantees shall comply with requirements of 43 CFR 12, subpart E (Buy American

Act) when purchasing supplies, equipment, and construction materials with Federal funds. The subgrantee is responsible for determining whether items are available for domestic sources and that costs are reasonable. Exceptions must be approved prior to purchase.

All procurement transactions shall be conducted in a manner that provides maximum open and free competition. Procurement procedures shall not restrict or eliminate competition. Activities that can restrict competition include, but are not limited to: (1) placing unreasonable requirements on firms in order for them to qualify to do business; (2) involvement in organizational conflicts of interest; and (3) requirement of unnecessary experience and bonding.

Method of Procurement - Procurement under a grant involving Federal funds shall be made by one of the following methods: (1) small purchase procedures; (2) competitive sealed bids; (3) competitive negotiation; (4) non-competitive negotiation. Small purchase procedures are those relatively simple and informal procurement methods that are sound and appropriate for a procurement of services, supplies, or other property, costing in the aggregate not more than \$25,000.00 overall. Price or rate quotations shall be obtained from at least three qualified sources.

1. Competitive sealed bids are required if a procurement of services, supplies or other property costs in the aggregate of more than \$25,000.00. Competitive sealed bids must be publicly solicited by means of formal advertising in at least one local newspaper of general circulation once a week for a period of two weeks. A fixed-contract shall be awarded to the responsible bidder whose bid, confirming with all the material terms and conditions of the invitation for bids, is lowest in price.
2. Competitive negotiation is an alternate form of procurement that may be employed if the cost of services, supplies or other property is in the aggregate of more than \$25,000.00. The SUBGRANTEE shall enter into negotiations with two or more potential contractors that have submitted offers. Either a fixed price or a cost reimbursable type contract shall be awarded. Award of the contract may be made to the responsible bidder

whose proposal will be most advantageous to the procuring party considering price and other factors. Unsuccessful bidders should be notified promptly by the SUBGRANTEE.

3. After solicitation of a number of sources, noncompetitive negotiation may be entered into if competition is determined to be inadequate. Noncompetitive negotiation may only be used when the award of a contract is infeasible under small purchase, competitive bidding or competitive negotiation procedures. Other circumstances under which a contract may be awarded by non-competitive negotiation are limited to the following:

- a. The item is available only from a single source.
- b. In case of an emergency, or in case of a public exigency when the urgency for the requirement will not permit a delay incident to competitive solicitation.
- c. The State authorizes noncompetitive negotiation.

4. Additional innovative procurement methods may be used by grantees with the written approval of the STATE. A copy of the approval shall be sent by the STATE to NPS and by NPS to the Office of Federal Procurement Policy.

LOBBYING WITH APPROPRIATED FUNDS

Historic Preservation Fund grants must conform to provisions of 18 USC 1913.

“No part of the money appropriated by any enactment of Congress shall, in the absence of express authorization by Congress, be used directly or indirectly to pay for any personal service, advertisement, telegram, telephone, letter, printed or written matter, or other device, intended or designed to influence in any manner a Member of Congress, to favor or oppose, by vote or otherwise, any legislation or appropriation by Congress, whether before or after the introduction of any bill or resolution proposing such legislation or appropriation; but this shall not prevent officers or employees of the United States or its Departments or agencies from communicating to Members of Congress at the request of any Member, or to Congress through the proper official channels, requests for legislation or appropriation which they deem necessary for the efficient conduct of the public business.”

Thus, costs associated with activities to influence legislation pending before the Congress, commonly referred to as “lobbying,” are unallowable as charges to Historic Preservation Fund – assisted grants, either on a direct or indirect cost basis.
