Sec. 11. Rate of levy to be fixed and certified by Board; approval by Board of Supervisors; additional levies.

1. The Board shall determine annually the amount of money necessary to be raised by taxation, after considering other sources of revenue, and shall, subject to the approval of the Board of Supervisors, fix a rate that, when levied upon every dollar of assessed valuation of taxable property in Carson City, and together with other revenues, will raise the amount necessary to operate the Authority, and to pay, when due, all interest on and principal of the general obligation bonds and other general obligations, including deficiencies and defaults of prior years. In the event of accruing deficiencies or defaults, an additional tax may be levied as provided in subsection 3.
2. The Board shall certify to the Board of Supervisors, at the same time as fixed by law for certifying other tax levies, the rate it fixes. If the Board of Supervisors approves the rate, it shall levy and collect the tax upon the assessed valuation of all taxable property in Carson City, in the same manner, at the same time and in addition to other taxes levied by the Board of Supervisors.
3. When the tax is collected, he shall pay it to the same body, which shall pay it to the Treasurer of the Board each month for deposit.
2. The tax levies pursuant to this act, with any interest or penalties, and the cost of collecting the unpaid tax, penalty or interest, are a lien on the property until they are paid. The lien must be executed, and has the same priority, as a lien for general taxes.
(Ch. 844, Stats. 1989 p. 2027)

Sec. 13. Power of authority to borrow money and issue securities. The Authority may, pursuant to the Local Government Securities Law and with the approval of the Board of Supervisors, borrow money and issue the following

securities:

1. Subject to the approval of the Board of Supervisors and the provisions of NRS 350.011 to 350.0165, inclusive, whenever the Board determines, by resolution, that the public interest or necessity requires the issuance of general obligation bonds to purchase, construct, acquire, maintain, improve or equip an airport, the Board shall submit the proposition to the voters at a special election or the next primary or general election held pursuant to NRS 350.020 to 350.070, inclusive.

2. A special election may be held only if the Board of Supervisors determines, by a unanimous vote, that an emergency exists. The determination made by the Board of Supervisors is conclusive unless it is shown that the Board of Supervisors acted with fraud or a gross abuse of discretion. An action to challenge the determination made by the Board of Supervisors must be commenced within 15 days after the Board's determination is final. As used in this subsection, "emergency" means any unexpected occurrence or combination of occurrences which requires immediate action by the Board of Supervisors to prevent or mitigate a substantial financial loss to the Authority or Carson City or to enable the Board of Supervisors to provide an essential service to the residents of Carson City.

3. The declaration of public interest or necessity required by this section and the provision for holding the election may be included in one resolution which, in addition to the declaration of public interest or necessity, must:

(a) Recite the objects and purposes for which the indebtedness is proposed to be incurred, the estimated cost of the works or improvements, the maximum amount of principal of the indebtedness and the maximum rate of interest to be paid.

(b) Include the date upon which the election will be held and describe the method of voting for or against the proposed indebtedness.

(c) Fix the compensation to be paid the officers of the election, designate the polling place and appoint, for each polling place from the registered voters of Carson City, three officers of the election, one of whom shall act as clerk.

1. If the proposition is approved, the Board may issue and sell bonds of the Authority for the purpose recited in the proposition and in the resolution in the amount so provided and at a rate of interest not exceeding the rate of interest recited in the resolution.

2. Submission of the proposition to incur bonded indebtedness at a special, primary or general election does not prohibit submission of the proposition at any such subsequent election.

(Ch. 844, Stats. 1989 p. 2028; A—Ch. 345, Stats. 1993 p. 1095)

Sec. 18. Borrowing of money and issuance of bonds without election.

1. The Board may, with the affirmative vote of at least five trustees and the approval of the Board of Supervisors, borrow money without an election, if it is in anticipation of the collection of revenue, and may issue warrants and interim debentures to evidence the loan.

2. The Authority may, with the approval of the Board of Supervisors, issue bonds without the necessity of holding an election to acquire or improve an airport. The bonds must be made payable solely out of the net revenues derived from the operation of the airport or the furnishing of services at the airport. A single bond issue may be had for more than one airport or service, and the revenues from any airport or service provided by the Authority may be pledged to pay for any other airport or service. A single utility fund for any number of airports and services may be established and maintained.
