## MEMORANDUM

Historic Resources Commission meeting of January 6, 2016

**TO:** Historic Resources Commission **Item F-3**

**FROM:** Susan Dorr Pansky, AICP  
Planning Manager

**DATE:** December 28, 2015

**SUBJECT: HRC-15-185 – Historic Resources Annual Scavenger Hunt**

### Discussion:

The HRC and Planning Division organize a Historic Resources Scavenger Hunt annually during the month of May in conjunction with Historic Preservation and Archaeological Awareness Month. This event is intended to help raise awareness of the Carson City Historic District, and to encourage both adults and children to become involved in the City's history and preservation efforts. This past year (2015) marked the sixth year that the Scavenger Hunt has been held.

For several years, Commissioner Greg Hayes has provided photos of architectural features or small portions of buildings within the Historic District. Participants in the Scavenger Hunt are required to identify the address of the location at which each photo was taken. Winners are then selected from the participants with all the correct answers, and are awarded prizes from partnering sponsors.

Commissioner Hayes has decided that it's time to turn the responsibility of taking photos, managing the photo database and coordinating with Planning Division staff over to another HRC member. Staff would like to take this opportunity to thank Commissioner Hayes for all of his hard work on the Scavenger Hunt in past years.

The purpose of this item is to solicit a volunteer HRC member (or members) to replace Commissioner Hayes in taking updated photos, managing the photo database, and working with Planning Division staff to select the features each year that will become part of the annual Historic Resources Scavenger Hunt. Discussion for this item may also include any modifications the HRC wishes to make to the Scavenger Hunt itself, or discussion regarding whether the HRC should consider new ideas for future events associated with Historic Preservation and Archaeological Awareness Month.

For questions or more information on this item, please contact Susan Dorr Pansky at 283-7076, or [spansky@carson.org](mailto:spansky@carson.org).
