MEMORANDUM

Historic Resource Commission Meeting of September 8, 2016

TO: Historic Resource Commission **Item F-9**

FROM: Hope Sullivan, AICP
Planning Manager

DATE: September 1, 2016

SUBJECT: HRC-16-061 – 2017 Historic Preservation Fund Grant - Possible Projects

The State Historic Preservation Office (SHPO) is expected to make grant applications for the Historic Preservation Grant available in October. Grant proposals will be required to be submitted in December. The purpose of this agenda item is to start the discussion regarding potential projects that would require funding.

The Historic Preservation Fund Grant has six funding categories:

- Planning (ordinances, regulations)
- National Register Nominations
- Historic Survey Reports
- Surveying and Inventory
- Predevelopment and Development Reports
- Public Education

In 2016, the City was awarded funding for the Nevada State Prison Historic Structures Report, Historic Resources Commissioner training, and Historic Resources Commission liaison conference attendance.

Suggestions that the HRC members had in 2015 for the 2016 grant were:

1. Kings Canyon Cultural Resources Inventory including parcels not included in the 2013 scope of work due to a lack of funding, and also including the Toll Gate and Quill Ranch House foundations and immediate surroundings.
2. Kings Canyon Road National Register of Historic Places Designation.
3. Nevada State Prison Historic Structures Report.
4. Carson City Blue Line Maintenance, Historic Building Markers and Historic District Street Sign Toppers.

If you have questions regarding these items, please contact Hope Sullivan at 283-7922 or hsullivan@carson.org.
