Subject: Carson River Advisory Committee.

Dear Ms. Gardener:

I just received your letter concerning my appointment as a Carson River Advisory Committee member, which is due to expire this December. I wanted to get back to you as soon as possible as I know this position is currently being advertised.

I have only served a partial term, but during that time I have come to enjoy the opportunity to give input and be a part of a group that addresses issues of major importance for the future of Carson City, especially the Carson River corridor.

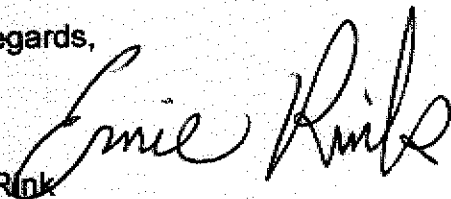

As a long-time resident and rafter I find the challenge exciting. This is an opportunity to help make things happen and to enhance the quality of life for the residents of our community.

In closing, I would like to add that I really enjoy serving with the other committee members. They are extremely knowledgeable and fun to work with. If you would have me, I would like to serve another term.

Thank you.

Best regards,

Ernie Rink
