MEMORANDUM

Historic Resources Commission meeting of February 9, 2017

TO: Historic Resources Commission **Item F-3**

FROM: Hope Sullivan, AICP
Planning Manager

DATE: January 4, 2017

SUBJECT: HRC-16-204 – Historic Resources Annual Scavenger Hunt

Discussion:

The HRC and Planning Division organize a Historic Resources Scavenger Hunt annually during the month of May in conjunction with Historic Preservation and Archaeological Awareness Month. This event is intended to help raise awareness of the Carson City Historic District, and to encourage both adults and children to become involved in the City's history and preservation efforts. This past year (2016) marked the seventh year that the Scavenger Hunt has been held.

The purpose of this item is to solicit a volunteer HRC member (or members) to take updated photos, managing the photo database, and work with Planning Division staff to select the features each year that will become part of the annual Historic Resources Scavenger Hunt. Discussion for this item may also include any modifications the HRC wishes to make to the Scavenger Hunt itself, or discussion regarding whether the HRC should consider new ideas for future events associated with Historic Preservation and Archaeological Awareness Month.
