(1:31:35) – Ms. Sullivan introduced the item and Ms. Reseck informed her that there were no changes to the Staff Report. Ms. Sullivan noted a condition of approval regarding compliance with Nevada Administrative Code 446 (Health Code) with a memo from the Department of Health and Human Services indicating violations at the time of a health inspection. Applicant Michael Pegram introduced himself as a representative of Slotworld and explained that he was unaware of the health code violations identified in the Staff Report. He also believed that they would commence operations on November 1, 2017.

(1:33:03) – Mr. Boothe clarified that the violations were for serving draft beer without a third sink to wash dishes and the required mops to mop up spills. Another sink for handwashing was also required, according to Mr. Boothe, should they wish to continue draft beer sales. (1:35:36) – Ms. Sullivan introduced the item and received confirmation from Ms. Reseck that there were no changes to the Staff Report. She also explained that the memo received from the Health Department had addressed both Slotworld properties; therefore the conditions of approval would be the same as those in item D-2. Mr. Pegram acknowledged receipt of the Staff Report and his agreement to the outlined conditions of approval. Mr. Boothe clarified that this particular property did not have any structural violations. Mr. Pegram confirmed that they will be “coming in for permits to do some renovations, so at that point we will bring everything to code”. There were no public comments.
