Background/Issues & Analysis

Each year, the American Society of Civil Engineers (ASCE) Truckee Meadows Branch recognizes the most outstanding projects in Northern Nevada. There were several applications for each project category this year: Environmental, Structural/Geotechnical, and Transportation. The winners were announced at the ASCE Annual Awards and Student Recognition Banquet held on March 8, 2018 in Reno. The 2017 recipient for the Outstanding Environmental Project of the Year was awarded to Carson City and the design team for the Carson City Water Resource Recovery Facility Improvement Project. The President of the ASCE Truckee Meadows Branch will officially present the award to the Carson City Board of Supervisors and City staff.
