Proposed Motion

I move to approve Contract No. 1819-015 as a two-year contract between Serenity Mental Health and the Carson City Juvenile Services Department (Probation/Detention) for mental health and substance abuse services effective July 1, 2018 through June 30, 2020 for an annual amount of \$98,280.

Background/Issues & Analysis

Over the past few years, Carson City Juvenile Services has had the tremendous benefit of receiving no cost mental health and substance abuse services through partnerships with Rural Clinics Community Mental Health Centers and the Carson City School District. Unfortunately, the funding streams for both of these entities has ended resulting in the need to contract for services. To assist with off-setting the cost for these services it is recommended that the AB395 funds be used for the first year of the two-year contract with Serenity Mental Health. Serenity Mental Health will provide assessments, suicide de-escalation (24 hours per day), mental health counseling/therapy, case planning, group mental health counseling/therapy and drug and alcohol evaluation services.

The need for mental health and substance abuse services is at a critical point in Carson City and nationwide. In 2017, of the juveniles who were screened for drug/alcohol abuse and mental health stability, 74% possessed mental health issues. Juvenile Detention has seen an increase in the need for one-on-one staff to juvenile to prevent suicide attempts. The number of altercations between juveniles and staff has increased due to the

number of juveniles being detained who possess mental health issues. It has been a growing concern for the safety and well-being for the juveniles, staff, and the community. Lastly, providing mental health and substance abuse services to juveniles is reasonable and necessary to carry out the Court's duties in the administration of justice.

The First Judicial District Court Judges, the Chief Juvenile Probation Officer, and the Court Administrator met with the City Manager to discuss the critical need for mental health and substance abuse services for juveniles in the court system and/or being monitored/supervised by Juvenile Services. A two year contract was discussed in lieu of requesting a fulltime position. In addition, the two year period will provide the time necessary to determine if a contract is more beneficial than a fulltime position and to also seek other potential funding sources such as Medicaid reimbursement

Applicable Statute, Code, Policy, Rule or Regulation

AB395 Sec. 25.

2. The money must be used to supplement and not supplant or cause to be reduced any other source of funding for the Co-occurring Mental Health Diversion Program.
3. Any remaining balance of the appropriation must not be committed for expenditure after June 30, 2019, by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 20, 2019, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 20, 2019.

5.6 **CITY** does not agree to reimburse **CONSULTANT** for expenses unless otherwise specified.

6. TIMELINESS OF BILLING SUBMISSION:

6.1 The parties agree that timeliness of billing is of the essence to this Contract and recognize that **CITY** is on a fiscal year which is defined as the period beginning July 1 and ending June 30 of the following year. All billings for dates of service prior to July 1 must be submitted to **CITY** no later than the first Friday in August of the same year. A billing submitted after the first Friday in August will subject **CONSULTANT** to an administrative fee not to exceed \$100.00. The parties hereby agree this is a reasonable estimate of the additional costs to **CITY** of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to **CONSULTANT**.

7. CONTRACT TERMINATION:

7.1 Termination Without Cause:

7.1.1 Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.

7.1.2 **CITY** reserves the right to terminate this Contract for convenience whenever it considers termination, in its sole and unfettered discretion, to be in the public interest. In the event that the Contract is terminated in this manner, payment will be made for SERVICES actually completed. If termination occurs under this provision, in no event shall **CONSULTANT** be entitled to anticipated profits on items of SERVICES not performed as of the effective date of the termination or compensation for any other item, including but not limited to, unabsorbed overhead. **CONSULTANT** shall require that all subcontracts which it enters related to this Contract likewise contain a termination for convenience clause which precludes the ability of any subconsultant to make claims against **CONSULTANT** for damages due to breach of contract, of lost profit on items of SERVICES not performed or of unabsorbed overhead, in the event of a convenience termination.

7.2 Termination for Nonappropriation:

7.2.1 All payments and SERVICES provided under this Contract are contingent upon the availability of the necessary public funding, which may include various internal and external sources. In the event that Carson City does not acquire and appropriate the funding necessary to perform in accordance with the terms of the Contract, the Contract shall automatically terminate upon **CITY'S** notice to **CONSULTANT** of such nonappropriation, and no claim or cause of action may be based upon any such nonappropriation.

7.3 Cause Termination for Default or Breach:

7.3.1 A default or breach may be declared with or without termination.

7.3.2 This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:

7.3.2.1 If **CONSULTANT** fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or any SERVICES called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or

PROFESSIONAL SERVICES CONSULTANT AGREEMENT

Contract No. 1819-015

Title: Serenity Mental Health, LLC

7.3.2.2 If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by **CONSULTANT** to provide the goods or SERVICES or any services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

7.3.2.3 If **CONSULTANT** becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or

7.3.2.4 If **CITY** materially breaches any material duty under this Contract and any such breach impairs **CONSULTANT'S** ability to perform; or

7.3.2.5 If it is found by **CITY** that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by **CONSULTANT**, or any agent or representative of **CONSULTANT**, to any officer or employee of **CITY** with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or

7.3.2.6 If it is found by **CITY** that **CONSULTANT** has failed to disclose any material conflict of interest relative to the performance of this Contract.

7.4 Time to Correct (Declared Default or Breach):

7.4.1 Termination upon a declared default or breach may be exercised only after providing 7 (seven) calendar days written notice of default or breach, and the subsequent failure of the defaulting or breaching party, within five (5) calendar days of providing that default or breach notice, to provide evidence satisfactory to the aggrieved party demonstrating that the declared default or breach has been corrected. Time to correct shall run concurrently with any notice of default or breach and such time to correct is not subject to any stay with respect to the nonexistence of any Notice of Termination. Untimely correction shall not void the right to termination otherwise properly noticed unless waiver of the noticed default or breach is expressly provided in writing by the aggrieved party. There shall be no time to correct with respect to any notice of termination without cause or termination for nonappropriation.

7.5 Winding Up Affairs Upon Termination:

7.5.1 In the event of termination of this Contract for any reason, the parties agree that the provisions of this **Subsection 7.5** (Winding Up Affairs Upon Termination) survive termination:

7.5.1.1 The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination; and

7.5.1.2 **CONSULTANT** shall satisfactorily complete SERVICES in progress at the agreed rate (or a pro rata basis if necessary) if so requested by **CITY**; and

7.5.1.3 **CONSULTANT** shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by **CITY**; and

Contract No. 1819-015

Title: Serenity Mental Health, LLC

7.5.1.4 **CONSULTANT** shall preserve, protect, and promptly deliver into **CITY** possession all proprietary information in accordance Section 19 (CITY OWNERSHIP OF PROPRIETARY INFORMATION).

7.6 Notice of Termination:

7.6.1 Unless otherwise specified in this Contract, termination shall not be effective until seven (7) calendar days after a party has provided written notice of default or breach, or notice of without cause termination. Notice of Termination may be given at the time of notice of default or breach, or notice of without cause termination. Notice of Termination may be provided separately at any time after the running of the 7-day notice period, and such termination shall be effective on the date the Notice of Termination is provided to the party unless a specific effective date is otherwise set forth therein. Any delay in providing a Notice of Termination after the 7-day notice period has run without a timely correction by the defaulting or breaching party shall not constitute any waiver of the right to terminate under the existing notice(s).

8. REMEDIES:

Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorney's fees and costs. The parties agree that, in the event a lawsuit is filed and a party is awarded attorney's fees by the court, for any reason, the amount of recoverable attorney's fees shall not exceed the rate of \$125 per hour. **CITY** may set off consideration against any unpaid obligation of **CONSULTANT** to **CITY**.

9. LIMITED LIABILITY:

CITY will not waive and intends to assert available NRS Chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise expressly provided for elsewhere in this Contract. Damages for any **CITY** breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to **CONSULTANT**, for the fiscal year budget in existence at the time of the breach. **CONSULTANT'S** tort liability shall not be limited.

10. FORCE MAJEURE:

Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of this Contract after the intervening cause ceases.

11. INDEMNIFICATION:

11.1 To the extent permitted by law, including, but not limited to, the provisions of NRS Chapter 41, each party shall indemnify, hold harmless and defend, not excluding the other's right to participate, the other party from and against all liability, claims, actions, damages, losses, and expenses, including but not limited to reasonable attorney's fees and costs, arising out of any alleged negligent or willful acts or omissions of the indemnifying party, its officers, employees and agents. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of the indemnity which would otherwise exist as to any party or person described in this Section.

11.2 As required by NRS 338.155, if this Contract involves a "public work" construction project as defined above, **CONSULTANT** shall defend, indemnify and hold harmless the **CITY**, and the employees, officers and agents of the public body from any liabilities, damages, losses, claims, actions or proceedings, including without limitation, reasonable attorney's fees, to the extent that such liabilities,

damages, losses, claims, actions or proceedings are caused by the negligence, errors, omissions, recklessness or intentional misconduct of the **CONSULTANT** or the employees or agents of the **CONSULTANT** in the performance of the Contract. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of the indemnity which would otherwise exist as to any party or person described in this section. However, with respect to any anticipated benefits to **CITY** resulting from the Scope of Work, **CONSULTANT** shall not be responsible or liable to **CITY** for any warranties, guarantees, fitness for a particular purpose or loss of anticipated profits resulting from any termination of this Contract. Additionally, **CONSULTANT** shall not be responsible for acts and decisions of third parties, including governmental agencies, other than **CONSULTANT'S** subcontractors, that impact project completion and/or success.

11.3 Except as otherwise provided in **Subsection 11.5** below, the indemnifying party shall not be obligated to provide a legal defense to the indemnified party, nor reimburse the indemnified party for the same, for any period occurring before the indemnified party provides written notice of the pending claim(s) or cause(s) of action to the indemnifying party, along with:

11.3.1 a written request for a legal defense for such pending claim(s) or cause(s) of action; and

11.3.2 a detailed explanation of the basis upon which the indemnified party believes that the claim or cause of action asserted against the indemnified party implicates the culpable conduct of the indemnifying party, its officers, employees, and/or agents.

11.4 After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall not be obligated to fund or reimburse any fees or costs provided by any additional counsel for the indemnified party, including counsel through which the indemnified party might voluntarily choose to participate in its defense of the same matter.

11.5 After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall be obligated to reimburse the reasonable attorney's fees and costs incurred by the indemnified party during the initial thirty (30) day period of the claim or cause of action, if any, incurred by separate counsel.

12. **INDEPENDENT CONTRACTOR:**

12.1 **CONSULTANT**, as an independent contractor, is a natural person, firm or corporation who agrees to perform SERVICES for a fixed price according to his or its own methods and without subjection to the supervision or control of the **CITY**, except as to the results of the SERVICES, and not as to the means by which the SERVICES are accomplished.

12.2 It is mutually agreed that **CONSULTANT** is associated with **CITY** only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted SERVICES pursuant to this Contract. **CONSULTANT** is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract.

12.3 Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for **CITY** whatsoever with respect to the indebtedness, liabilities, and obligations of **CONSULTANT** or any other party.

12.4 **CONSULTANT**, in addition to **Section 11** (INDEMNIFICATION), shall indemnify and hold **CITY** harmless from, and defend **CITY** against, any and all losses, damages, claims, costs, penalties, liabilities, expenses arising out of or incurred in any way because of, but not limited to, **CONSULTANT'S** obligations or legal duties regarding any taxes, fees, assessments, benefits, entitlements, notice of benefits, employee's eligibility to work, to any third party, subcontractor, employee, state, local or federal governmental entity.

13.2 **CONSULTANT**, as an independent contractor and not an employee of **CITY**, must carry policies of insurance in amounts specified and pay all taxes and fees incident hereunto. **CITY** shall have no liability except as specifically provided in this Contract.

13.4 Prior approval of the insurance policies by **CITY** shall be a condition precedent to any payment of consideration under this Contract and **CITY'S** approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this Contract. Any failure of **CITY** to timely approve shall not constitute a waiver of the condition.

13.5 *Insurance Coverage (13.6 through 13.23):*

13.6 **CONSULTANT** shall, at **CONSULTANT'S** sole expense, procure, maintain and keep in force for the duration of this Contract the following insurance conforming to the minimum requirements specified below. Unless specifically specified herein or otherwise agreed to by **CITY**, the required insurance shall be in effect prior to the commencement of work by **CONSULTANT** and shall continue in force as appropriate until the later of:

13.6.1 Final acceptance by **CITY** of the completion of this Contract; or

13.6.2 Such time as the insurance is no longer required by **CITY** under the terms of this Contract.

13.6.3 Any insurance or self-insurance available to **CITY** under its coverage(s) shall be in excess of and non-contributing with any insurance required from **CONSULTANT**. **CONSULTANT'S** insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by **CITY**, **CONSULTANT** shall provide **CITY** with renewal or replacement evidence of insurance no less than thirty (30) calendar days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by this Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as **CONSULTANT** has knowledge of any such failure, **CONSULTANT** shall immediately notify **CITY** and immediately replace such insurance or bond with an insurer meeting the requirements.

13.7 *General Insurance Requirements (13.8 through 13.23):*

13.12 **Deductibles and Self-Insured Retentions:** Insurance maintained by **CONSULTANT** shall apply on a first dollar basis without application of a deductible or self-insured retention unless otherwise specifically agreed to by **CITY**. MEMORANDUM

TO: The Board of Supervisors

FROM: Chief Ali Banister

DATE: June 12, 2018

RE: Recommend Mental Health Contract for Juvenile Services

I have compiled several NRS's that mandate mental health, evaluations, and treatment services for juveniles: 62C.060, 62C.035, 62E.280, 62E.513, 62E.620, and 62E.680 and 62E.160. Please see attached document.

In the past, JPO has received funding and services from two different agencies to provide treatment services. We have been fortunate enough to receive free services without requesting funds from the City. The first source of funding is through a grant from the School District. The portion of that grant for mental health services was \$25,333 a year. This funding was used to provide mental health services in our detention center. The assigned counselor provided by the school district spends 6 hours per week in the detention facility. During these 6 hours she is utilized for de-escalation, suicidal youth and counseling. This does not include afterhours calls or crisis intervention. This funding is no longer available.

Rural Clinics has provided additional mental health and counseling services. Rural Clinics helps facilitate the Juvenile Justice Assessment Triage Team (JASTT). This diversion program is used for out of custody youth. The JASTT Program was created to keep mental health youth out of the system and to divert them in to appropriate services out of the juvenile justice system. Rural Clinics agreed to dedicate one of their current employees to help facilitate this program. They agreed to provide services until we could sustain the services on our own, no more than 2-3 years. We are now on the third year. The individual assigned to the program spent no less than 5 hours a week at the office. Since this was not a grant or funding directly given to us, I am unsure of the clinicians pay. However, the standard pay for a mental health clinician is between \$80-100 per hour. This would total between \$19,200-\$24,000.

Rural Clinics also provided a counselor to facilitate groups at no cost. This counselor spent roughly two hours a week at JPO with the yearly total being between \$7,680-\$9,600. The amount of services provided by Rural Clinic is roughly between \$26,880-\$33,600 per year.

The total cost for both of these services (School District and Rural Clinics) is \$52,213-\$58,933. Unfortunately, the School District's services are no longer available and Rural Clinics services will terminate on June 30th.

The reason we were granted \$98,280 from the State is due to the costs of evaluations (mental health evals, drug and alcohol evals or psychiatric evals required by residential treatment centers). All are services that neither Rural Clinics or the School District provides. These services are currently paid for by the Court and JPO. The \$98,280 funding will allow to have a clinician to be in detention for more than 6 hours a week. We have been making do but need to keep the youth and staff safe, especially with the increase in detention numbers and the severity of crimes we are experiencing. Many youth who are detained are suicidal, which takes an extended amount of time to handle. A counselor may be there for several hours before the youth de-escalates and is safe enough to return to their cell. Unfortunately, this is a weekly occurrence.

Lastly, during this last legislative session, Assembly Bill 180 and 472 passed. I have attached both of them for your review. These bills mandate certain services detention centers must provide in the State of Nevada. One of the services required is mental health screening for youth in detention facilities. Per AB180, it is the detention centers responsibility to provide necessary medical and behavioral health care services, including mental health services, psychological screening, assessment and testing. Per AB 472 the expense for these evaluations will shift from the State to each department of juvenile services over the next 2 fiscal years. With the School District and Rural Clinics support we have managed to provide these services. However, from this point forward, we will not be able to provide these mandated services without the City's help.

Please let me know if there is any further information I can provide. 75% of the youth that come into the detention center or who are placed on

probation have a mental health condition. We need the appropriate treatment services.

Legislative Counsel's Digest:

Existing law provides generally for a system of juvenile justice in this State. (Title 5 of NRS) **Section 4** of this bill creates the Juvenile Justice Oversight Commission to perform certain functions relating to the juvenile justice system. **Section 4.5** of this bill creates an Advisory Committee consisting of two members of the Senate, two members of the Assembly and two judges of a juvenile court to provide recommendations to the Commission. **Section 5** of this bill requires the Commission to: (1) establish a uniform procedure for the Division of Child and Family Services of the Department of Health and Human Services, the Youth Parole Bureau and each department of juvenile services in this State to follow when developing performance measures related to the juvenile justice system; (2) establish standard procedures for measuring outcomes for children subject to the jurisdiction of the juvenile court; (3) select a validated risk assessment tool to assist

the juvenile court, the Division and each department of juvenile services in determining the appropriate actions to take for children subject to the jurisdiction of the juvenile court and a validated mental health screening tool to determine the appropriate actions to take for children in need of supervision; and (4) contract with a qualified vendor or provider to provide technical assistance and training to employees of the juvenile justice system on the implementation and operation of such tools.

Section 6 of this bill requires the Commission to develop a 5-year strategic plan that establishes policies and procedures for the Division and each department of juvenile services relating to the use of evidence-based practices when providing services to children subject to the jurisdiction of the juvenile court. **Section 7** of this bill requires the members of the Commission to conduct annual quality assurance reviews of each state facility for the detention of children and each regional facility for the treatment and rehabilitation of children, which **section 13.2** of this bill defines as a regional facility which: (1) provides court-ordered treatment and rehabilitation for children; and (2) is administered by or for the benefit of more than one governmental entity. **Section 7** requires such a quality assurance review to include a review of the facility's: (1) service delivery; (2) case management procedures; (3) policies on supervision and behavior management; and (4) procedures relating to the release of children from the facility. **Section 7** also requires a facility to: (1) develop a facility improvement plan, in coordination with the Division or a local department of juvenile services, if such a plan is required to address any issues raised in the review; and (2) submit such a plan to the Commission. **Section 7** further requires the Commission to compile all such facility improvement plans and submit the plans to the Governor and the Director of the Legislative Counsel Bureau with its annual review.

Section 8 of this bill requires the Division and each department of juvenile services to, on or before July 1, 2018, implement the validated risk assessment tool and the validated mental health screening tool selected by the Commission for evaluation of children subject to the jurisdiction of the juvenile court. **Section 8** also establishes the cost allocation for the expenses of implementing such tools, such that the responsibility for those expenses will shift from the State to each department of juvenile services over the next 2 fiscal years. **Section 9** of this bill requires the Division and each department of juvenile services that receives money from the state, other than any money received from the State Plan for Medicaid, to use such money to develop, promote and coordinate evidence-based programs and services. **Section 9** also requires any contract between the Division or a department of juvenile services and a treatment provider for the provision of juvenile services to require the treatment provider to comply with the evidence-based standards developed by the Commission.

Section 10 of this bill requires the Division to issue a request for proposals to establish an evidence-based program resource center. **Section 10** requires the resource center to: (1) provide technical assistance to the Division, each department of juvenile services and treatment providers to support the implementation and operation of evidence-based programs and practices as set forth in the Commission's 5-year strategic plan; (2) provide various types of training to persons employed in the juvenile justice system; (3) act as a resource clearinghouse on evidence-based programs and practices; and (4) facilitate collaboration among state and local agencies and treatment providers who serve the juvenile justice system. **Section 12** of this bill requires the Division and each department of juvenile services to develop and implement a family engagement plan to increase the participation of the family of a child who is subject to the jurisdiction of the juvenile court in the rehabilitation of the child.

Existing law establishes provisions governing the disposition by a juvenile court of cases of children subject to the court's jurisdiction. (Chapter 62E of NRS) **Section 15** of this bill requires the department of juvenile services, before the disposition of a child's case, to conduct a risk assessment and a mental health screening on the child using the validated tools selected by the Commission and, in certain circumstances, a full mental health assessment, and to prepare a report based on the results of the risk assessment, mental health screening and any full mental health assessment as to the most appropriate disposition of the case. **Section 16** of this bill requires a department of juvenile services to develop an individualized case plan for each child placed under the supervision of the juvenile court, placed under the informal supervision of a probation officer or committed to a regional facility for the treatment and rehabilitation of children. **Section 16** sets forth the information required to be included in each case plan. **Section 17** of this bill requires the Division to: (1) consider the results of a validated risk assessment, a validated mental health screening and any full mental health assessment to make decisions concerning the placement of a child; and (2) develop a case plan for each child committed to the Division for placement in a state facility for the detention of children. **Section 14.5** of this bill requires the juvenile court to make certain findings before committing a child to the custody of a state facility for the detention of children, and **section 18** of this bill requires the juvenile court to make certain findings before committing a child to a public or private institution or agency in another state. **Sections 20 and 21** of this bill revise the process for how mental health screenings of children who are adjudicated delinquent and committed to a state facility for the detention of children or a regional facility for the treatment and rehabilitation of children are to be conducted.

Existing law requires the Division to: (1) establish a standardized system for the reporting, collection, analysis, maintenance and retrieval of information concerning juvenile justice in this State; and (2) adopt regulations that require juvenile courts, local juvenile probation departments and the staff of the youth correctional services to submit certain information to the Division. (NRS 62H.200) **Section 25** of this bill revises the types of juvenile justice information required to be submitted to the Division. **Section 22** of this bill requires the Division to analyze such information and submit a report to the Governor and to the Legislature relating to the trends that exist in the juvenile justice system and the effectiveness of the system's programs and services. **Section 33** of this bill repeals a similar provision that requires each local juvenile probation department to analyze such information and submit a report to the Division.

Section 24 of this bill authorizes the Division to withhold money from a juvenile court that does not comply with the regulations adopted by the Division relating to the submittal of certain juvenile justice information.

Existing law authorizes a director of juvenile services and the Youth Parole Bureau to release certain information concerning a child who is within the purview of the juvenile court to certain other persons involved in the juvenile justice system. (NRS 62H.025) **Section 23** of this bill revises the list of persons to whom a director of juvenile services and the Youth Parole Bureau may release information to include: (1) the Chief Parole and Probation Officer; (2) the Director of the Department of Corrections; (3) a law enforcement agency; (4) the director of a regional facility for the treatment and rehabilitation of children; or (5) the director of an agency which provides mental health services.

Existing law provides for the suspension, modification or revocation of the parole of a child. (NRS 63.770) **Section 26** of this bill requires the Youth Parole Bureau to establish policies and procedures to be used when determining the most appropriate and least restrictive response to a violation of a child of the terms and

conditions of his or her parole. **Section 26** requires, among other things, the Youth Parole Bureau to create a sliding scale of offenses based on the severity of the violation. **Section 28** of this bill requires the juvenile court to consider the policies and procedures adopted by the Youth Parole Bureau pursuant to **section 26** and consider the adherence of the Youth Parole Bureau to such policies and procedures when determining whether to suspend, modify or revoke the parole of a child. **Section 29** of this bill prohibits the Chief of the Youth Parole Bureau from recommending to the juvenile court that a child's parole be revoked unless: (1) the child poses a risk to public safety; or (2) the other responses set forth in the policies and procedures adopted by the Youth Parole Bureau pursuant to **section 26** would not be appropriate for the child.
