### **Previous Action**

On February 26, 2018, the Committee considered two agenda items for the naming of open space acquisitions located in the Kings Canyon area. The Committee moved 7-0 to table this discussion until further input was received from the Washoe Tribe.

### **Background/Issues & Analysis**

As noted above, an attempt was made last year to name two properties in Kings Canyon. One nominating party suggested names to recognize and honor the Native American culture in our area. Likewise, Policy #2 in the "Resolution Establishing Policies and Procedures for the Naming of Open Space Properties Within Carson City" suggests, "If possible, names should be related to the unique natural landscape, geographic or topographic features, indigenous plants or wildlife, cultural or historical heritage."

With the assistance of Member Hall, Mr. Darrel Cruz with the Washoe Tribe was contacted and offered the opportunity to suggest property names. Mr. Cruz was provided a map and generally asked to suggest names only on properties that may have been important or significant to the Tribe. Mr. Cruz responded with proposed names for six properties. See attachments for more details.
