MEMORANDUM

Planning Commission Meeting of May 29, 2019

ITEM E.8

TO: Planning Commission

FROM: Heather Ferris
Associate Planner

DATE: May 28, 2019

SUBJECT: SUP-19-044: For Possible Action: Discussion and possible action regarding a Special Use Permit to allow a child care facility on property zoned General Commercial (GC), located at 200 East Winnie Lane, Suite 288-298, APN 002-072-01.

Since the release of the packet, it has been brought to my attention that there is an error on page 3 of the staff report for the subject item. Under the heading *Public Comments* the staff report states that "one written comment opposing the request" has been received. I'd like to take this opportunity to clarify, to date, staff has not received any public comments on this item. However, if any comments are received, they will be provided to the Planning Commission for their review and consideration.
