Agenda Title: For Possible Action: To approve Contract No. 1819-041 for a new Collection Services Franchise Agreement with Waste Management of Nevada (WM) for a 15-year term with the option of a two-year extension, with provisions establishing the maximum service rates and a rate adjustment methodology for customers, and a franchise fee payable by WM to the City in a not to exceed amount of 8 percent of WM's gross receipts net of surcharge fees billed each month. (Carol Akers; CAkers@carson.org, Rick Cooley; RCooley@carson.org).

Staff Summary: The initial term of this agreement will be for a period of fifteen (15) years beginning July 1, 2019 and terminating on June 30, 2034. On or before April 1, 2032, the Board may approve a two year extension of this Agreement for the period beginning July 1, 2034 through June 30, 2036. WM has reiterated its commitment to providing the highest quality customer service for Carson City businesses and residents. To assure the Board of this commitment, defined requirements for customer service are outlined in sections 8.8 and 8.9 of the Agreement. Efficient Government

Previous Action

As there is a detailed history in regard to this item including previous action, this section will be combined with the Background/Issues & Analysis section.

Background/Issues & Analysis

- November 2017: The City hired the consulting firm of Sloan Vazquez McAfee (SVM) to assist in the development of an RFP for solid waste and recyclable materials franchise agreement. SVM would also assist in soliciting public input and conducting public meetings to gather input as to what should be included into the new agreement.

SVM developed a questionnaire to stimulate feedback from current and potential residential and commercial customers from within Carson City. The City hosted the questionnaire on the City's website so that the questionnaire could be completed and submitted directly from this site. SVM also established an email address specifically for individuals to request a questionnaire, submit a completed questionnaire, or to provide unscripted input. Questionnaires were also made available for pick-up at the Public Works Department.

- February and March 2018: Five public meetings were held in order to meet with the public, engage in an open discussion, and collect additional input. The public meeting dates and times and a request to complete a questionnaire were advertised via a note on all water bills, via social media (Facebook, Twitter), communications to the Carson City Chamber of Commerce, communications to the Downtown Business Association, on CarsonNow.org, within specific articles and the opinion section of the Nevada Appeal, and a specific advertisement in the Sunday edition of the Nevada Appeal prior to each public meeting. A total of 475 completed questionnaires were received plus other unscripted comments via email and phone message. During this period, potential bidders and other interested local haulers have been solicited to get their input.
- April, 5, 2018: the Board received recommendations for specific items to be included in the Request for Proposals. The Board provided direction for the inclusion of the following items: 1) franchised residential and commercial services; 2) construction and demolition service would be exempt from the franchise; 3) mandatory residential service would be picked up on a weekly basis with exemption for residents that can prove regular use of the landfill; 4) provide costs for both regular carts and wildlife-proof carts for all customers on mandatory service; 5) automated single-stream recycling service would be picked-up on a bi-weekly basis; 6) provide fee-based commercial recycling that incentivizes participation; and 7) include possible options for the collection and disposal of yard waste which would accommodate seasonal changes.
- June 21, 2018: The Board provided direction for staff to issue the RFP for Solid Waste and Recyclable Materials Collection Services and draft an agreement to include residential and commercial service, mandatory residential service, automated trash and single-stream recycling service, and options for yard waste services.
- June 26, 2018: A Request for Proposals (RFP) was published seeking vendors to provide solid waste and recyclable materials franchise collection services.
- August 21, 2018-October 2018: Five proposals were received on August 21, 2018. The evaluation committee reviewed each proposer's background, experience, and proposal. Staff recommended moving forward with Waste Management of Nevada for solid waste and recyclable materials franchise collection services because Waste Management of Nevada had proposed the best value for collection services in response to the RFP.
- November 1, 2018: The Board directed staff to enter into negotiations with Waste Management of Nevada for solid waste and recyclable materials exclusive franchise collection services.

The Parties acknowledge that certain solid waste management, Recycling and associated services are provided by the CITY in connection with this Agreement, which are part of a comprehensive program of activities designed to effectuate the purpose of this Agreement. To reimburse the CITY for the costs of such services, including CITY's costs incurred in administering this Agreement, and in consideration of the exclusive franchise granted to the CONTRACTOR by this Agreement, the CONTRACTOR shall pay the CITY a franchise fee. The franchise fee shall be a percentage of the CONTRACTOR's Gross Receipts net of surcharge fees billed each month under the terms of this Agreement. For purposes of calculating franchise fees, Gross Receipts shall specifically include revenue billed by the CONTRACTOR for the provision of Collection Services by the CONTRACTOR, and exclude surcharge fees. The franchise fee percentage shall be eight (8) percent unless otherwise adjusted by the CITY. Three (3) percent of the eight (8) percent franchise fee will be allocated to address road maintenance and operational impacts. In the event that the CITY adjusts the franchise fee percentage, CITY shall adjust the Maximum Service Rates to incorporate any such changes in the franchise fee percentage prior to the time that the new franchise fee percentage becomes effective. To give effect to the intent of the 3rd, 4th and 5th sentences of this paragraph, the Parties agree that the franchise fee charged to the CONTRACTOR shall be calculated by dividing the base service rate element of each Maximum Service Rate by one (1) minus the franchise fee percentage (for example $1.00 - .08 = 0.92$); subtracting the base service rate element; and rounding the resulting figure to two (2) decimal places. If the base service rate element of a Maximum Service Rate changes for any reason, the franchise fee element will be recalculated.

9.2 CONTRACTOR'S PAYMENTS TO CITY

The CONTRACTOR shall make payment to the CITY of the fees set forth in Articles 9.2 and 9.3. The CONTRACTOR shall conduct regular billing audits not less than annually, of all Commercial Customers, SFD and MFD in order to ensure the accuracy of the CONTRACTOR's payments to the CITY. The CONTRACTOR shall provide a copy of said audit upon request to the CITY. The CITY maintains the right to engage a third party for an independent audit of the results of the Gross Billing audit.

- A. CITY Fee Audit.** No acceptance by CITY of any payment shall be construed as an accord that the amount is the correct amount, nor shall such acceptance of payment be construed as a release of any claim CITY may have against CONTRACTOR for any additional sums payable under the provisions of this Agreement. All amounts paid shall be subject to independent audit and recompilation by CITY. If, after an audit, such recompilation indicates an underpayment, the CONTRACTOR shall pay to the CITY the amount of the underpayment plus interest at the Wall Street Journal Prime Rate. If the underpayment is in excess of five (5) percent of the total fees due for the period of the audit, the CONTRACTOR shall reimburse CITY for all reasonable costs and expenses incurred in connection with the audit and recompilation within ten (10) Residential Service Work Days of receipt of written notice from CITY that such is the case. If, after an audit, such recompilation indicates an overpayment, CITY shall notify the CONTRACTOR in writing of the amount of the overpayment. The CONTRACTOR may offset the amounts next due following receipt of such notice by the amount specified herein.

9.3 ADDITIONAL FEES

So long as the Franchise Fee is paid by the CONTRACTOR, its successors or assigns, no other general business license fee shall be imposed upon it or them by the CITY during the term of such Franchise; provided, however, such substitution of a Franchise Fee for other general business license fees shall not eliminate or otherwise modify the CONTRACTOR's duty and obligation to pay building permit fees and other fees of like nature as ad valorem taxes on the CONTRACTOR's real and personal property in the CITY.

10.1 CONTRACTOR COMPENSATION

The CONTRACTOR shall impose no other charges for services provided under this Agreement to Customers unless approved in advance in writing by CITY.

10.2 MAXIMUM SERVICE RATES

Maximum Service Rates shall consist of some combination of the following elements: a base service rate element, a franchise fee element and such other elements as may be added by the CITY during the Term of this Agreement to reflect new fees or charges imposed by CITY.

10.3 INITIAL SERVICE RATES

The Service Rates the CONTRACTOR may charge Customers through the Rate Year ending June 30, 2020 shall not exceed the Maximum Service Rates set forth as Exhibit 1.

10.4 SCHEDULE OF FUTURE ADJUSTMENTS

Beginning with the Rate Year starting July 1, 2020 and ending on June 30, 2021 and for all subsequent Rate Years, the Maximum Service Rates shown in Exhibit 1 shall be adjusted as described in this Article. The CONTRACTOR shall submit rate adjustment calculations in writing directly to the CITY staff or via certified mail, on or before April 1, 2020 and each succeeding Rate Year, and shall be based on the method of adjustment described in this Article. All future adjustments will become effective July 1.

10.5 METHOD OF FUTURE ADJUSTMENTS

Pursuant to Article 10.4, the adjustment to the Maximum Service Rates according to the method described below and the formulas and procedures shown in Exhibit 2 subject to review of the CITY. Exhibit 2 inputs will function as a support tool to facilitate the calculation of the rate adjustment.

For rate adjustment purposes, the approved Maximum Service Rates consist of a service component and a disposal component. Each cost component may be adjusted by the change in the corresponding rate adjustment index and percentage weighting, as provided below. The initial rate adjustment index weightings may be adjusted following any audit as per Article 8.11.

- A. Calculate New Disposal Component Index.** Identify tipping fee rates for Solid Waste, Green Waste and/or Recyclable Materials. The initial tipping fee rates as provided in Exhibit 2B-Initial Disposal Index.
- B. Calculate the Percentage Change in Indices.** The increase or decrease in the service component index, Consumer Price Index for All Urban Consumers (CPI-U): U. S. city average for garbage services, will be for the twelve (12) month period ending the month of December prior to July 1 of the next Rate Year.
- C. Calculate the Permitted Percentage Rate Change.** Multiply the percentage changes for the service component and disposal component by that component's assigned percentage weighting.
- D. Calculate the Permitted Rate Change.** Multiply the weighted permitted percent change from Step Three by the existing maximum service rate for Services to determine the increase or decrease in maximum rates. Then add (subtract) the change in Service Rates to (from) the existing Maximum Service Rates to determine the new Maximum Service Rates.

The rate adjustment will be subject to an annual cap of 5.0%. However, the CONTRACTOR for any year when the CPI exceeds the 5.0% rate adjustment cap, the percentage in excess of 5.0% will be allowed to be applied to the rate adjustment for the following year if the CPI for the following year falls below the 5.0% maximum and the total adjustment does not exceed the 5.0%.

10.6 EXTRAORDINARY RATE ADJUSTMENTS

The CONTRACTOR may petition the CITY in writing at times other than that allowed under 10.4 (Annual Rate Adjustment) for an adjustment in the maximum rates due to (i) extraordinary circumstances beyond the CONTRACTOR's reasonable control, or (ii) due to new programs and services requested by CITY as provided herein. The CONTRACTOR shall provide documentation and analysis to the satisfaction of CITY of the reasons for such adjustment. Petitions regarding extraordinary circumstances beyond the CONTRACTOR's control shall satisfy all of the following conditions: (i) materially alters CONTRACTOR's operations or overall costs; (ii) could not reasonably have been foreseen by a prudent operator; and (iii) by all reasonable expectations will continue for a period of at least six (6) months. Such changes shall not include changes in the market value of Recyclables or inaccurate estimates by the CONTRACTOR of its cost of operations.

The CONTRACTOR's request shall contain substantial proof and justification to support the need for the adjustment. For each request brought pursuant to this section CONTRACTOR shall prepare a schedule documenting the extraordinary costs. Such request shall be prepared in a form reasonably acceptable to the CITY with support for assumptions made by the CONTRACTOR in preparing the estimate. The CONTRACTOR shall also submit a schedule showing how its total costs and total revenues have changed over the past two years for the services provided under this Agreement.

The CITY may request from the CONTRACTOR such further information as reasonably necessary to fully evaluate the request and make its determination. CITY may request a copy of the CONTRACTOR's annual financial statements in connection with the CITY's review of the CONTRACTOR's rate adjustment request. CITY shall review the CONTRACTOR's request and, in Board's sole judgment and absolute, unfettered discretion, make the final determination as to whether an adjustment to the maximum rates will be made, and, if an adjustment is permitted, the appropriate amount of the adjustment. The Board may consider increases or decreases in the CONTRACTOR's total revenues and total cost of services when reviewing an extraordinary rate adjustment request.

The CITY and the CONTRACTOR may agree to make changes in the service levels under this Agreement sufficient to avoid the need for a rate adjustment. Extraordinary rate adjustments shall only be effective after approval by the Board and may not be applied retroactively.

Prior to undertaking any investigatory or remedial action, however, the CONTRACTOR shall first obtain the Contract Administrator's approval of any proposed investigatory or remedial action. Should CONTRACTOR fail at any time to promptly take such action, the CITY may undertake such action at the CONTRACTOR's sole cost and expense, and the

CONTRACTOR shall reimburse the CITY for all such expenses within thirty (30) calendar days of being billed for those expenses, and any amount not paid within that thirty (30) calendar day period shall thereafter be deemed delinquent and subject to the delinquent fee payment provision of this Agreement. This provision, Article 11.1 A – C, will survive the expiration or earlier termination of this Agreement and shall not be construed as a waiver of rights by the CITY or Indemnity from third parties.

11.2 EVALUATION OF LIABILITY

The CONTRACTOR's obligation to defend, hold harmless, and indemnify under Article 11 shall not be excused because of the CONTRACTOR's inability to evaluate an Indemnitee's liability or because the CONTRACTOR evaluates such liability and determines that the Indemnitee is not liable to the claimant. Notwithstanding the preceding sentence or the first sentence of Article 11.1, with respect to a particular claim, if the CONTRACTOR confirms to the CITY in writing CONTRACTOR's obligation to indemnify and defend the CITY, without reserving a right to later seek reimbursement from the CITY with respect to such claim, the CITY shall not object to the counsel representing it being the same counsel that represents CONTRACTOR in the defense of such claim and shall, if permitted by law, provide such written conflict-of-interest waiver as may be required for such joint representation. If the CONTRACTOR provides the aforementioned confirmation, but the CITY declines to consent to such joint representation, the CITY may retain its own counsel at its own expense, the CITY shall have no right of defense or reimbursement of defense costs with respect to such claim (but the CITY shall still be entitled to indemnity), the CITY shall reasonably cooperate with CONTRACTOR in the defense and settlement of such claim. If the CONTRACTOR does not provide the aforementioned confirmation, or if the CONTRACTOR provides such confirmation and the CITY is prohibited by law from providing such waiver, then the CONTRACTOR shall reimburse the CITY for the reasonable attorneys' fees and costs of the CITY's separate counsel with respect to such claim.

 2. **Notification of Cancellation.** The CONTRACTOR is required to notify the CITY by certified mail, return receipt requested, of the cancellation, non-renewal or material change of any insurance coverage or policy immediately upon receiving notice of cancellation, non-renewal or material change. Where such notice is not provided by the insurer, CONTRACTOR shall provide the notice directly.
- H. **Subcontractors.** Any Subcontractor(s), independent contractor(s) or any type of agent(s) performing or hired to perform any term or condition of this Agreement on behalf of the CONTRACTOR, or as may be allowed by this Agreement, hereinafter referred to as "SECONDARY PARTIES," shall comply with required insurance as determined by Contractor to be adequate and applicable to the work to be performed by the SECONDARY PARTIES. The CONTRACTOR shall ensure that any companies issuing insurance to cover the requirements contained in this Agreement agree that they shall have no recourse against the CITY for payment or assessments in any form on any policy of insurance. The clauses 'Other Insurance Provisions' and 'Insured Duties in the Event of an Occurrence, Claim or Suit' as it appears in any policy of insurance in which the CITY is named as an additional insured shall not apply to the CITY.
- M. Failure to Obtain Insurance.** The failure of the CONTRACTOR to obtain and maintain any required insurance shall not relieve CONTRACTOR of any liability under this Agreement (and the CONTRACTOR may be answerable to the CITY for damages or any other remedy on account of such breach) nor shall the insurance requirements be construed to conflict with or otherwise limit the obligations of the CONTRACTOR concerning indemnification.
- N. No Limitation of Liability.** By requiring insurance herein, CITY does not represent that coverage and limits will necessarily be adequate to protect CONTRACTOR, and such coverage and limits shall not be deemed as a limitation on CONTRACTOR'S liability under the indemnities granted to CITY in this contract.

11.12 PERFORMANCE BOND

Unless waived by the CITY in writing, the CONTRACTOR shall furnish to the CITY, and keep current, a performance bond in a form with language that is acceptable to the CITY, for the faithful performance of this Agreement and all obligations arising hereunder in an amount of Two Hundred and Fifty Thousand and 00/100 Dollars (\$250,000.00). M. Best or Standard and Poor's; and included on the list of surety companies approved by the Treasurer of the United States.
- B. Letter of Credit.** As an alternative to the performance bond discussed in Article 11.12, with the CITY's approval, the CONTRACTOR may deposit with the CITY an irrevocable letter of credit in an amount as set forth in Article 11.12. If allowed, the letter of credit

must be issued by an FDIC insured banking institution chartered to do business in the State, in the CITY's name, and be callable at the discretion of the CITY.

ARTICLE 12: DEFAULT AND REMEDIES

cannot reasonably correct or remedy the breach within the time set forth in such notice, if the CONTRACTOR should fail to commence to correct or remedy such violation within the time set forth in such notice and diligently effect such correction or remedy thereafter.

12.2 RIGHT TO TERMINATE UPON EVENT OF DEFAULT

The CITY may terminate this Agreement immediately upon written notice to the CONTRACTOR in the event the CONTRACTOR defaults under Article 12.1.C entitled, "Failure to Provide and Maintain Bonds/Letters of Credit and Coverage."

The CONTRACTOR shall be given ten (10) Business Days from written notification by the CITY to cure any default which, in the CITY's sole opinion, creates a potential public health and safety threat.

The CONTRACTOR shall be given ten (10) Business Days from written notification by the CITY to cure any default arising under subsections E, F, G, J, K, and L in Article 12.1 and thirty (30) calendar days from written notification by the CITY to cure any other default. Should the CONTRACTOR commit the same material breach of this Agreement within a twenty-four-month period, the CONTRACTOR shall be given five (5) Business Days to cure such breach and the CONTRACTOR shall meet and confer with the CITY, in good faith, to establish a corrective action plan necessary to resolve the performance failure. The corrective action plan may include escalating liquidated damages established by the CITY for failure to

implement the required corrective action plan. Further, if there are additional breaches of such performance obligation within twenty-four months of the event triggering this provision, and CONTRACTOR has failed to diligently implement the corrective action plan, then CITY may terminate this Agreement without providing CONTRACTOR an opportunity to cure.

Failure to allege breach/default shall not constitute waiver by the CITY.

12.3 CITY'S REMEDIES IN THE EVENT OF DEFAULT

Upon the CONTRACTOR's default, the CITY has the following remedies in the event of the CONTRACTOR default:

- A. Waiver of Default.** The CITY may waive any event of default or may waive CONTRACTOR's requirement to cure a default event if the CITY determines that such waiver would be in the best interest of the CITY. The CITY's waiver of an event of default is not a waiver of future events of default that may have the same or similar conditions.
- B. Suspension of the CONTRACTOR's Obligation.** The CITY may suspend CONTRACTOR's performance of its obligations if the CONTRACTOR fails to cure default in the time frame specified in Article 12.2 until such time the CONTRACTOR can provide assurance of performance in accordance with the terms of this Agreement.
- C. Liquidated Damages.** The CITY may assess Liquidated Damages for the CONTRACTOR's failure to meet specific performance standards pursuant to Article 12.6.
- D. Termination.** In the event that the CONTRACTOR should default and fail to cure as provided in Section 12.2, then the CITY may, at their option, terminate this Agreement and/or hold a hearing at its governing body meeting to determine whether this Agreement should be terminated. In the event the CITY decides to terminate this Agreement, the CITY shall serve twenty (20) calendar days written notice of its intention to terminate upon CONTRACTOR. In the event the CITY exercises its right to terminate this Agreement, the CITY may, at its option, upon such termination, either directly undertake performance of the services or arrange with other Persons to perform the services with or without a written agreement. This right of termination is in addition to any other rights of the CITY upon a failure of the CONTRACTOR to perform its obligations under this Agreement.

CONTRACTOR shall not be entitled to any further revenues from Collection operations authorized hereunder from and after the date of termination.

- E. Other Available Remedies.** The CITY's election of one (1) or more of the remedies described herein shall not limit the CITY from any and all other remedies at law and in equity including injunctive relief, etc.

12.4 POSSESSION OF RECORDS UPON TERMINATION

In the event of termination for an event of default, the CONTRACTOR shall furnish the Contract Administrator with immediate temporary access for a period of time to be determined by the CITY, to all of its business records, including without limitation, proprietary CONTRACTOR computer systems reports, related to its Customers, Collection routes, and billing of accounts for Collection services.

12.5 CITY'S REMEDIES CUMULATIVE; SPECIFIC PERFORMANCE

The CITY's rights to terminate this Agreement under Article 12.3, and to take possession of the CONTRACTOR's records under Article 12.4 are not exclusive, and the CITY's termination of this Agreement and/or the imposition of Liquidated Damages shall not constitute an election of remedies. Instead, these rights shall be in addition to any and all other legal and equitable rights and remedies, including but not limited to termination, which the CITY may have.

By virtue of the nature of this Agreement, the urgency of timely, continuous, and high-quality service; the lead time required to effect alternative service; and, the rights granted by the CITY to the CONTRACTOR, the remedy of damages for a breach hereof by the CONTRACTOR is inadequate and the CITY shall be entitled to injunctive relief (including but not limited to specific performance).

12.6 PERFORMANCE STANDARDS AND LIQUIDATED DAMAGES

- A. **General.** The CONTRACTOR acknowledges and agrees that one of the CITY's primary goals in entering into this Agreement is to ensure that the provided Collection Services are of the highest quality; that Service Recipient satisfaction remains at the highest level; that maximum diversion levels are achieved in consideration of economic benefit; that fees for service remain competitive; and, that materials Collected are put to the highest and best use to the extent feasible.
- B. **Service Performance Standards; Liquidated Damages for Failure to Meet Standards.** The Parties further acknowledge that consistent and reliable Collection Service is of utmost importance to the CITY and that the CITY has considered and relied on CONTRACTOR's representations as to its quality of service commitment in entering into this Agreement with it. The Parties further recognize that some quantified standards of performance are necessary and appropriate to ensure consistent and reliable service and performance. The Parties further recognize that if the CONTRACTOR fails to achieve the performance standards, or fails to submit required documents in a timely manner, the CITY and the CITY's residents and businesses will suffer damages and that it is and will be impractical and extremely difficult to ascertain and determine the exact amount of damages. Therefore, without prejudice to the CITY's right to treat such non-performance as an event of default under Article 12, the Parties agree that the liquidated damages amount defined below represent reasonable estimates of the amount of such damages considering all of the circumstances existing on the effective date of this Agreement, including the relationship of the sums to the range of harm to the CITY, Customers and the community as a whole that reasonably could be anticipated and the anticipation that proof of actual damages would be costly or impractical. In placing their initials at the places provided, each Party specifically confirms the accuracy of the statements made above and the fact that each Party has had ample opportunity to consult with legal counsel and obtain an explanation of the liquidated damage provisions at the time that this Agreement was made.

- C. **Procedure for Assessing Liquidated Damages.**

1. The CITY may determine the occurrence of events giving rise to liquidated damages through the observation of its own employees or representatives, investigation of Customer complaints or self-reporting by the CONTRACTOR.
2. Prior to assessing liquidated damages, and within thirty (30) days of becoming aware of such violation, the CITY shall give CONTRACTOR notice of its intention to do so. The notice will include a brief description of the incident(s)/non-performance. The CONTRACTOR may review, and make copies at its own expense of all information in the possession of the CITY relating to incident(s)/non-performance. The CONTRACTOR shall not be liable to pay liquidated damages with respect to any violation or incident of non-performance that occurs more than thirty (30) days before notice is given to the CONTRACTOR except in those instances where the CITY determines to its satisfaction that the CONTRACTOR knowingly perpetrated the violation or incident of non-performance. The CONTRACTOR may, within ten (10) working days after receiving notice, request a meeting with the CITY to present evidence regarding the accuracy of the facts related to the incident. If a meeting is requested, it shall be held by the Contract Administrator or his/her designee. The CONTRACTOR may present evidence in writing and through testimony of its employees and others relevant to the incident(s)/non-performance. The Contract Administrator or designee will provide CONTRACTOR with a written explanation of his or her determination on each incident(s)/non-performance prior to authorizing the assessment of liquidated damages. The decision of the Contract Administrator or designee may be appealed to the CITY. The decision of the CITY shall be final and the CONTRACTOR shall have been deemed to have exhausted its administrative remedies and can thereafter challenge such ruling in court. The CONTRACTOR shall not be liable to pay liquidated damages with respect to any violation or incident of substandard performance as described in Article 12.7 entitled "Excuse from Performance" herein or occurring after termination of this Agreement or while the CITY (or any third party authorized by the CITY) is performing interim Collection Services except for items 3., 4., 5., 10., 12., or 17., in the tables below occurring after termination of this Agreement.
3. The CONTRACTOR shall pay any Liquidated Damages assessed by the CITY within ten (10) Business Days of the date the Liquidated Damages are assessed. If they are not paid within the ten (10) Business Day period, the CITY may proceed against the performance bond required by this Agreement, order the termination of the rights granted by this Agreement, or all of the above.

12.7 EXCUSE FROM PERFORMANCE

The Parties shall be excused from performing their respective obligations hereunder and from any obligation to pay Liquidated Damages to the extent and for the period of time they are prevented from so performing by reason of floods, earthquakes, other acts of nature, war, civil insurrection, riots, acts of any government (including judicial action), and other similar catastrophic events which are beyond the control of and not the fault of the Party claiming excuse from performance hereunder. In the case of labor unrest or job action directed at a third party over whom CONTRACTOR has no control, the inability of the CONTRACTOR to provide services in accordance with this Agreement due to the unwillingness or failure of the third party to: (i) provide reasonable assurance of the safety of the CONTRACTOR's employees while providing such services; or, (ii) make reasonable accommodations with respect to Container placement and point of Delivery, time of Collection, or other operating circumstances to minimize any confrontation with pickets or the number of Persons necessary to make Collections shall, to that limited extent, excuse performance. The foregoing excuse shall be conditioned on the CONTRACTOR's cooperation in performing Collection services at different times and in different

locations. Further, in the event of labor unrest, including but not limited to strike, work stoppage or slowdown, sickout, picketing, or other concerted job action conducted by the CONTRACTOR's employees or directed at the CONTRACTOR, or a subsidiary, the CONTRACTOR shall be excused from performance for the first five (5) days of such labor unrest.

The Party claiming excuse from performance shall, within two (2) calendar days after such Party has notice of such cause, give the other Party notice of the facts constituting such cause and asserting its claim to excuse under this Article.

If either Party validly exercises its rights under this Article, the Parties hereby waive any claim against each other for any damages sustained thereby.

The partial or complete interruption or discontinuance of the CONTRACTOR's services caused by one (1) or more of the events described in this Article shall not constitute a default by the CONTRACTOR under this Agreement. Notwithstanding the foregoing, however, if the CONTRACTOR is excused from performing all of its obligations hereunder for any of the causes listed in this Article for a period of thirty (30) calendar days or more, the CITY shall nevertheless have the right, in its sole discretion, to terminate this Agreement by giving ten (10) Business Days' notice to the CONTRACTOR, in which case the provisions of Article 12.3 shall apply.

The Parties acknowledge that it is of the utmost importance to the CITY and the health and safety of all those members of the public residing or doing business within the CITY who will be adversely affected by interrupted waste management service, that there is no material interruption in services provided under this Agreement.

If the CONTRACTOR: (i) is the subject of any labor unrest including work stoppage or slowdown, sick-out, picketing or other concerted job action; (ii) appears in the reasonable judgment of the CITY to be unable to regularly pay its bills as they become due; or, (iii) is the subject of a civil or criminal judgment or order entered by a Federal, State, regional or local agency for violation of an Applicable Law, and the CITY believes in good faith that the CONTRACTOR's ability to perform under this Agreement has thereby been placed in substantial jeopardy, the CITY may, at their sole option and in addition to all other remedies it may have, demand from the CONTRACTOR reasonable assurances of timely and proper performance of this Agreement, in such form and substance as the CITY believes in good faith is reasonably necessary in the circumstances to evidence continued ability to perform under this Agreement. If the CONTRACTOR fails or refuses to provide satisfactory assurances of timely and proper performance in the form and by the date required by the CITY, such failure or refusal shall be an event of default for purposes of Article 12.1.

ARTICLE 13: OTHER AGREEMENTS OF THE PARTIES

13.1 LEGAL REPRESENTATION

It is acknowledged that each Party was, or had the opportunity to be, represented by counsel in the

preparation of and contributed equally to the terms and conditions of this Agreement and, accordingly, the rule that a contract or Agreement shall be interpreted strictly against the party preparing the same shall not apply herein due to the joint contributions of both Parties.

Neither the CONTRACTOR nor its officers, employees, agents, contractors, or Subcontractors shall obtain any right to retirement benefits, workers' compensation benefits, or any other compensation or benefits which accrue to the CITY employees and the CONTRACTOR expressly waives any claim it may have or acquire to such compensation or benefits.

13.4 CONTRACTOR'S USE OF SUBCONTRACTOR

The use of a Subcontractor to perform services under this Agreement shall not constitute delegation of the CONTRACTOR's duties provided that the CONTRACTOR has received prior written authorization from the Contract Administrator to subcontract such services and the Contract Administrator has approved a Subcontractor who will perform such services. The CONTRACTOR shall be responsible for directing the work of the CONTRACTOR's Subcontractors and any compensation due or payable to the CONTRACTOR's Subcontractor shall be the sole responsibility of the CONTRACTOR. The Contract Administrator shall have the right to require the removal of any approved Subcontractor for reasonable cause.

13.5 COMPLIANCE WITH LAW

Nothing contained in this Agreement shall require any Party to perform any act or function contrary to law, or limit the laws with which the Party must comply.

- A. PERMITS AND LICENSES.** The CONTRACTOR shall obtain, at its own expense, all permits, licenses and approvals required by law or ordinance, and shall maintain such permits, licenses and approvals in full force and effect throughout the Term of this Agreement. The CITY has relied on each of these factors, among others, in choosing the CONTRACTOR to perform the services to be rendered by the CONTRACTOR under this Agreement.

If the CONTRACTOR requests the CITY consideration of and consent to an assignment, the CITY may deny or approve such request in their complete discretion. No request by the CONTRACTOR for consent to an assignment need be considered by the CITY unless and until CONTRACTOR has met the following requirements. The CITY may, in its sole discretion, waive one (1) or more of these requirements.

- A. On the date the CONTRACTOR submits a written request for the CITY written consent of an assignment, the CONTRACTOR shall pay the CITY a transfer fee in the amount of one (1) percent of the Gross Billings for the most-recently completed Rate Year.
