MEMORANDUM

Historic Resource Commission meeting of September 12, 2019

TO: Historic Resource Commission **Item F-4**

FROM: Hope Sullivan, AICP
Planning Manager

DATE: September 4, 2019

SUBJECT: HRC-19-149: For Possible Action: Discussion and possible action regarding efforts to rehabilitate the U.S. Highway 50 Segment of the Pioneer Branch of the Lincoln Highway, located west of the US Forest Service Trailhead on Kings Canyon Road. (Hope Sullivan, hsullivan@carson.org)

At the July 11, 2019 Commission meeting, the Chair requested the staff investigate if Kings Canyon Road was being subject to demolition by neglect. A National Register nomination has been previously prepared for this section of roadway, and, in 2014, the City utilized Historic Preservation Fund grant money to have the Kings Canyon Cultural Resources Inventory prepared.

Staff has met with staff from the U.S. Forest Service, the State Historic Preservation Office, and the City's Open Space Division regarding the condition of the road, and plans for repair, and will report out on efforts to remediate the roadbed.
