Member Law thanked every member for serving on the Authority’.

G. PUBLIC HEARINGS

1. FOR DISCUSSION AND POSSIBLE ACTION: RE-SCHEDULE AIRPORT AUTHORITY MEETING DATES/TIME TO AN EARLIER START TIME INSTEAD OF 6:00 PM ON THE THIRD WEDNESDAY OF THE MONTH.

Staff Summary: Discuss opportunity to hold meeting earlier in the day in order to ensure ample opportunity to discuss Airport Authority business and schedule other supporting presenters to ensure a better understanding of airport issues and possible solutions.

(6:08:45) – Chairperson Golden introduced the item. Mr. Moen recommended the time change in order to accommodate the members and the presenters. He also commented that the room was available for earlier start times. Most members did not object to the earlier start time and were willing to try it for a period of time. Chair Golden noted that an earlier start time “is a huge impediment to me”, and that he may have to resign if it changes. He suggested removing presentations and getting the action item prioritized. Mr. Tackes was not in favor of an early start time and recommended doing much of the work up front when presentations are made, and suggested

being considerate towards people with daytime jobs. After much discussion, it was agreed to begin the Authority meetings at 5:30 p.m.

2. FOR DISCUSSION AND POSSIBLE ACTION: PRESENTATION OF DRAFT ANNUAL WORK PLAN METRICS FOR CARSON CITY AIRPORT AUTHORITY (MOEN).

Staff Summary: Present draft of CCAA Strategic Work Plan metrics for FY19/20 and seek Airport Authority concurrence.

(6:29:06) – Chairperson Golden introduced the item and invited Vice Chair Harris to lead the discussion. Vice Chair Harris explained that the metrics will be based on milestone completion but not at the 100 percent rate. Mr. Moen presented the Staff Report, incorporated in the record, and believed that the metrics should measure the work plan which will be based on meeting the following objectives: safety and security, financial stability, and economic activity to promote aviation, and to build community relationships. He also responded to clarifying questions by the Authority members. Chairperson Golden suggested focusing on growing the customer base as priority number one. Mr. Tackes noted that the metrics were designed based on prioritization that had taken place and cautioned against changing them. There were no public comments; therefore, Vice Chair Harris entertained a motion. Member Law offered to make a motion and commented that what she had seen was what she had expected, and that Mr. Moen would be tasked with the priorities as he presents his monthly Airport Manager's Report.

(6:51:26) – MOTION: “I move to accept this list, subject to change, as things are accomplished and the Board give direction to the Manager on things that should be weighted more heavily from time to time.”

(6:59:37) – Chairperson Golden introduced the item. Mr. Moen presented the Staff Report, incorporated into the record, and responded to clarifying questions. He also recommended not taking action, but doing further research on the item. Member Simmons wished to understand the impact of updating collateral with the new name. Member Law was informed that CXP will still remain the Airport identifier. Member Harris suggested budgeting for the costs associated with the changes to the website and other collateral. Member Hamilton was in favor of the name change. Chairperson Golden indicated that he had initially been opposed to the name change; however, he was “warming to the idea”. He also believed that Carson City, as the State capital “had its own good identity” and that he was ambiguous to the idea. Mr. Tackes did not see any legal issues with the name change; however, he agreed with Chair Golden that Carson City had its own unique identity and its own draw. Member Hamilton relayed anecdotal information on how his clients relate to the fact that the Airport is near Lake Tahoe, citing growth in mountain recreation. Chairperson Golden believed this was a good discussion and entertained public comments; however, none were forthcoming.

K. TREASURER’S REPORT.

(7:33:54) – Treasurer Rogers referenced the Treasurer’s Report, incorporated into the record, and noted that the “revenues and expenses are tracking amazingly closely to our budget”, two months into the fiscal year. He also noted that the change in accountants should not have any impact on the quality of the reporting.
