Subject: Proposed Garage structure at 1651 N Winnie Lane

This message originated outside of Carson City's email system. Use caution if this message contains attachments, links, or requests for information.

Dear Planning Commissioners,

My husband and I are completely opposed to the Commissioners granting a Special Use Permit that would allow for the building of a 6,438 square foot garage on the property at 1651 Winnie Lane, Carson City. This type of structure is incompatible in size, design and use for this strictly residential neighborhood. Please maintain this family centered neighborhood by denying this request.

Thank you for your consideration.

Sincerely,

Nancy Kreher
