### Proposed Motion

I move to approve the Carson City Final Budget for Fiscal Year 2021.

### Board's Strategic Goal

Efficient Government

### Previous Action

February 6, 2020 - The Finance Department gave a presentation to the Board of Supervisors on assumptions for FY 2021. The Board of Supervisors approved staff recommendations to prepare the FY 2021 budget with the same ad valorem tax rate as fiscal year 2020.

April 16, 2020 - The Finance Department gave a presentation to the Board of Supervisors on the FY 2021 tentative budget requesting possible direction on Capital given the COVID-19 pandemic and non-essential business shut down. The Board of Supervisors made a motion directing staff to return with the final budget for FY 2021 with approved changes, including only Landfill and Extraordinary Maintenance transfers from the General Fund for Capital.

May 7, 2020 - The Finance Department gave a presentation to the Board of Supervisors regarding the Capital Improvement Plan. The Board of Supervisors approved the plan, with the exception of the New Fabrication/Welding Fleet Shop in the Fleet Fund for \$400,000, which will remain a part of the plan, but has been requested to be brought before the Board of Supervisors before they proceed.

### Background/Issues & Analysis

At the public hearing, the Board of Supervisors shall indicate changes, if any, to be made in the tentative budget and shall adopt a final budget by majority vote of all members of the Board of Supervisors.

The final budget, as presented, was determined by modifying the tentative budget as follows:

- (1) Final group insurance negotiations yielded a zero percent increase in medical benefits, therefore staff removed the 10% increase included in the tentative budget.
- (2) Changes to the Capital Plan are reflected in the Final Budget and split according to the Capital Improvement Program approved by the Board of Supervisors on 5/7/2020.
- (3) Small Contractual increases added to the General Fund for Child Protective Services.
- (4) Cooperative Extension is no longer running the Annual Fair; instead, those duties have passed to a non-profit, and so revenues and expenses were removed.
- (5) The Senior Center agreed to use undesignated balance from FY 2020 to purchase capital equipment needed in FY 2021.
- (6) Added Diesel Taxes and Franchise Fees anticipated to Regional Transportation Fund for capital needs. Also corrected a manager's salary and benefits whose distribution was incorrect; 50% RTC and 50% Fleet should have been 85% RTC and 15% Fleet.
- (7) Added Grant programs inadvertently missed in the Tentative Budget and corrected Clinic and Vaccine programs.
- (8) Adjusted Arts and Culture revenue projections to match amounts received from the Carson City Culture and Tourism Authority.
- (9) The Parks & Recreation Director agreed to use undesignated balance for FY 2020 to refurbish tennis courts in FY 2021.
- (10) Fire Station 53 - External Wall repair project had savings of \$68,743 in FY 2020, so those savings will be used as part of the FY 2021 capital program.
- (11) Correcting an agreement between Fleet and Ambulance Medtrans; the prior agreement was to transfer annual funding for vehicle replacement to Fleet, and then purchase Medtrans replacement Vans out of the Fleet Fund. Management changes have occurred since 2014 when this agreement was put in place, and Ambulance has been purchasing their own replacement vans, so staff is transferring the funds back to Ambulance in FY 2020 and removed the transfer for FY 2020 and FY 2021. In addition, two ambulances were approved for purchase at the 4/2/20 Board of Supervisors meeting to be paid for out of working capital, which were not originally included in the Tentative Re-estimate FY 2020. Added estimated Medicaid user fee revenue for FY 2021, which was not available for the tentative budget preparation.
- (12) Increased Workers Compensation premiums slightly.

## CARSON CITY, NEVADA

### CONSOLIDATED MUNICIPALITY AND STATE CAPITAL

May 21, 2020

Dear Citizens, Mayor, and Board Members:

The budget includes 25 governmental funds with estimated expenditures of \$108 million and 10 proprietary funds with expenditures of \$50 million.

#### **Overview of General Fund Budget for FY 2021**

Revenues and Other Sources:

- Total General Fund revenues are projected to increase 1.8% from estimated FY 2020 to \$82.3 million in FY 2021. FY 2020 re-estimate was reduced to \$80.9 million, from the original budgeted \$82.5 million due to the Coronavirus pandemic.
- The General Fund property tax rate remained consistent at a rate of \$1.9622 for FY 2021. While assessed valuation is increasing by 8.9%, property tax revenues are expected to increase by \$1.0 million (4.0%) for FY 2021.
- Intergovernmental revenues (including consolidated tax) are budgeted to decrease 0.3% for FY 2021 when compared to the re-estimated projections for FY 2020. Consolidated tax revenue is one of the largest sources of general fund revenue comprising 36.7% of total estimated revenue. We are projecting that consolidated tax revenues for FY 2020 will be \$1.4 million less than FY 2019 actual, a decrease of 4.5%. At January 2020 the City has collected 9% above what we collected through January 2019; however, with the coronavirus pandemic and State mandated non-essential business shutdowns we are projecting a 35% reduction for March and April, 26% reduction for May and 10% reduction for June.
- Charges for Services are expected to increase 3.5% for FY 2021. This is due to an increase in administration services paid from Special Revenue and Enterprise Funds.

Expenditures and Other Uses:

- Total General Fund expenditures are projected to decrease by \$940,000 (1.2%) from estimated FY 2020 to \$74.6 million in FY 2021. Salaries and benefits comprise 75.7% of total general fund expenses; services and supplies make up the remaining 24.3%.

- Other uses include a budgeted contingency of \$2,230,000, a \$1,866,345 transfer to the Capital Projects Fund, and a \$693,165 transfer to the Extraordinary Maintenance Fund.

## Reserves and Capital Projects

The City's current financial policy is to maintain ending fund balance at a minimum of 8.3% of annual expenditures with a goal of 16.7% as an operating reserve in the General Fund. The Board has expressed an interest in increasing ending fund balance in order to stabilize the City's finances in anticipation of the next recession. As identified in the chart above, budgeted ending fund balance for FY 2021 is 8.5% of expenditures. This is a 4.1% decrease from the FY 2020 budgeted ending fund balance of 8.8%.

Non-essential business closures during the month of March and April in response to the coronavirus pandemic are projected to cause a downward adjustment to the economy, therefore, in response, the City has reduced its capital improvements and equipment replacement program in the FY 2021 budget cycle. Only \$2.6 million is projected to be allocated from the General Fund for FY 2021 as compared to the \$7.7 million available in FY 2020 budget. This includes \$1.9 million from Landfill revenues that are being set aside for Landfill capital improvements & \$693,165 in extraordinary maintenance. In addition, in the capital projects fund, there are break/fix and project savings of \$470,435 from FY20, and the remaining property tax collected, after debt service, to fund a total of \$865,549 in other capital projects throughout the City, including:

- One city vehicle (most over 25 years old),
- Telephone system upgrade (citywide),
- Asset management program,
- Juvenile Facility needs assessment, and
- various safety and health equipment.

Regional Transportation has been working for over a year on the South Carson Street project, which will reduce lanes, update sewer and water lines, add walkways, and beautify South Carson Street from 5<sup>th</sup> Street to the new Freeway interchange at Highway 50. This project is expected to help fill vacant buildings and encourage development through the corridor. This project will be completed using Transportation Investment Generating Economic Recovery (TIGER) grant funds, State funding, as well as City and Redevelopment Funds, for a total project amount of \$20.9 million. It is expected that the project will be complete by Nevada Day 2020.

## Enterprise Funds

During FY 2020 the Public Works Department has been working with a consultant to finalize the results of a utility rate study and are expected to provide suggestions to the Board of Supervisors on how to stabilize the three utilities for the long-term.

FY 2021 is the final year of the five-year phase in of increased connection fees for Wastewater and Water Utility Funds. A rate review was also completed in order to determine if the projections from the study done in FY 2013 were accurate and still providing adequate funding for operating and capital needs of the Funds. The new study is recommending approximately 3% to 3.5% rate increases for each fund, but the City is still in preliminary discussion with the Board, local businesses and the public on any future rate increases, and those increases are anticipated sometime during FY 21.

The Stormwater Utility Fund was not part of the original rate study performed in FY 2013. In conjunction with the current rate review of the Wastewater and Water Utility Funds, a consultant was hired to perform a full review of the Stormwater Utility Fund rates and the structure of those rates. Results of this Stormwater rate study are not yet complete, but rate increases are anticipated sometime during FY 2021.

Sincerely,

Nancy Paulson  
Nancy Paulson,  
City Manager
