

Mills Park Pickleball Project

Converting one tennis court into four
pickleball courts

Opening Day

20 July 2020 – About 25 volunteers who worked on the courts showed up to play the first games on the new courts, a nice reward for their dedication and hard work.

Crack Repair

Phil and Jose hard at work fixing cracks on both courts

Pressure Washing

It took a good part of a day to wash the court before coating

Coating – in progress

Applying 1st Coat – North/South

Applying 2nd Coat – East/West

Coating Completed

12 + volunteers applied 2 coats (135 gallons) of sanded acrylic surfacing material to 8,400 square feet of court in 3-1/2 hours

Installing Net Post Sleeves

Thanks to Finest Fence for donating a crew for two days + materials

Installed Nets

3-inch Net Posts and 22 Foot Nets installed to regulation height

Opening Day Play

Thanks to Dina Stultz for this picture of opening day play
