(3:21:40) – Chairperson Borders introduced the item. Assistant District Attorney Dan Yu noted that Deputy District Attorney Pierron Tackes would represent his office as Deputy District Attorney Ben Johnson had been detained in court. He also addressed the meeting delay due to lack of quorum and explained that the Chair had called the meeting to order and had promptly adjourned the meeting as there was no quorum. Immediately after, a commissioner had arrived; therefore, the meeting had been called back to order. Mr. Yu also recommended entertaining public comment in a few minutes to ensure members of the public have enough time to call back in.

(3:24:34) – Mr. Plemel gave background and noted that the sections being reviewed, redlined and incorporated into the record, included the Commissioners’ comments which were being discussed for final comments prior to presenting them to the Board of Supervisors. Commissioner Perry noted that all his previous comments had been incorporated in this final draft. Chairperson Borders added several comments and edits to the document. Commissioner Esswein noted that he had already submitted his comments. Commissioner Perry pointed out a few inconsistencies and requested clarification and better specification. Vice Chair Dawers was in favor of condensing the tables. Discussion ensued regarding medical offices in residential offices and Mr. Plemel indicated they were “covered.” Chairperson Borders stated he was “pleased” with the outcome and Mr. Plemel noted they would continue to “clean it up.” He also reviewed the steps required prior to final approval by the Board of Supervisors.
