## Minutes of the January 13, 2021 Meeting

### Page 3

(4:50:50) – Chairperson Stedfield introduced the item. Ms. Maloney presented the Staff Report, and highlighted key takeaways from the accompanying PowerPoint presentation and attached exhibits such as the Fiscal Years 2021-2022: July 1, 2020 – June 30, 2022 Unified Planning Work Program which was Approved on May 13, 2020, all of which are incorporated into the record. She noted that the purpose of the presentations was to provide the CAMPO board and the public a better understanding of the long-range planning efforts undertaken by CAMPO and Staff, and how these planning efforts influence development decisions and promote an efficient regional transportation network. Chairperson Stedfield called Staff “capable and qualified” and thanked them for “bringing their A-game at every meeting.” This item was not agendaized for action.

#### **6-C FOR POSSIBLE ACTION – DISCUSSION AND POSSIBLE ACTION REGARDING CAMPO’S 2050 REGIONAL TRANSPORTATION PLAN.**

(5:11:36) – Chairperson Stedfield introduced the item. Dirk Goering, Senior Transportation Planner, presented the 2050 Regional Transportation Plan (RTP), incorporated into the record, and responded to clarifying questions. Vice Chair Bagwell inquired about increasing the size of the Fifth Street roundabout for safety reasons, citing the expansion of Eagle Valley Middle School, adding that “that whole area is constrained by one road.” Mr. Goering noted that Staff would follow the Board’s recommendation, should they decide to make it part of the motion. Ms. Maloney advised updating the project description to include language about capacity or operational enhancements to the roundabout to clarify the project’s eligibility for federal funds. She also recommended that Staff add the anticipated expenditure to the project, noting that Staff had “their eye on [the roundabout].” Vice Chair Bagwell reminded the Board that Lyon County commuters have been using Fairview Drive and wanted to make certain the roundabout was a safe route to the middle school. She was in favor of having one like that on Stewart and South Carson Streets. Chairperson Stedfield entertained additional discussion and when none was forthcoming, a motion.

**(5:34:36) – Vice Chair Bagwell move to approve CAMPO’s 2050 Regional Transportation Plan as submitted, with an update to Project CC1 to clarify that the project would include operational and/or capacity improvements at the Fifth Street/Fairview Drive roundabout, funding permitted. The motion was seconded by Member Schuette.** Ms. Maloney recommended clarifying the revision of the footnote on Table 5 “as described by Staff on the record.” Both the mover and seconder accepted the amendment. Member Macquarie recommended adding to the project a sidewalk on the south side of Carson River Road to Eagle Valley Middle School. Ms. Maloney clarified that Complete Street Elements between Fairview Drive and the eastern extent would cover his request, but it did not need to be included in the RTP. **The motion carried 7-0-0.**

#### **7. BOARD COMMENTS: FOR INFORMATION ONLY**

(5:38:31) – Chairperson Stedfield entertained Board comments. Vice Chair Bagwell welcomed the new Board members. Ex-Officio Member Rosenberg also welcomed the new members, particularly Member Terry with whom she had worked closely for many years.
