Club of Carson City

Board of Supervisors

Consolidated Municipality of Carson City
City Hall / 201 N. Carson Street, Suite 2
Carson City, NV 89701

Honorable Mayor and Supervisors:

We hope that you will consider lifting the size limit for outdoor gatherings to allow for fundraising events. It is critically important that non-profits have successful fund-raisers this year so we can continue to partner with the City and Carson City School District on projects that benefit the Community. Last year, the Rotary Club provided air purifiers to every teacher in the School District, and in previous years we funded new bus shelters in the City. We are proud to have partnered with the City in many projects since our Club was chartered in 1938.

Like many non-profits, the Rotary Club of Carson City was unable to have a public fund-raising event in 2020. Our major fund-raiser for the past several years has been the Capital City Brewfest, which has traditionally been held in June. Due to our concern for COVID and public safety, we have moved the date of our application for the event to August 28th. The last year we held this event was in 2019. We had over 1,200 members of the public participate. Rotary will work with the City to do whatever is necessary to ensure the safety of the public.

Thank you for your consideration and for serving the public in Carson City.

Sincerely,

Rachelle Resnick

Rachelle Resnick
President 2020-2021
