To whom it may concern,

Since our last meeting

- We remove all the bed, furniture and trash from each room,
 - We removed all the junk card from our property.
 - We hire general contracted, Peerless construction company and RL engineering to provide design and propose construction work.
 - We hire certified Clark Pets control to take care any bus issues or mice issues.
 - We have hire Capital security to monitor and check to make sure there are not any illegal activity.
 - We are working on complying with R-1 requirement.
 - Working on proving standard SOP procedures for house keeper
 - We are working on all room by room to have good clean floor, working electric, plumbing and hot water.
 - All the room will have new paint.
 - Out-side building will have new paint.
 - We are working on site draining issues side walk and parking lot.
- Our hotel is the only low- cost hotel in the Carson City, and we had people lived here from 1 to 15 years,
- Most of these people were senior citizen and were on social security / SSI or VA benefit and had very low benefits.
- Some people were getting only \$600 per month and we were just charge them \$500/per month rent.
- Same time we doing community work and work hard with non-profit organization to help 4-5 of these senior citizens with meal on wheel so these senior citizens at least one time a day good healthy meal.

They were:

- George Manis
- Larry Bold
- Robert Baker
- Ken Smith.

Opening up Gym is not home for these people, lots of them call us every day they are homeless. Every day some of them I see them walking with their bag on Carson Street or laying down front of Fish Store. My heart goes to all those people become homeless, I get tear in my eyes when I see them.

We have summited request to city for time extension to take care all issues and not to cancel or revoke our business license

Thank you for your time and understanding.
