Thank you for soliciting my comments regarding the Special Use Permit at 1120 Claudia Circle.

I have lived in my present residence for a little over 20 years. Mr. Diesen is the most conscientious neighbor I have ever had. He takes pride in his neighborhood and would never do anything to damage it's appearance. As I am his next door neighbor, I have witnessed first hand the extent to which he goes through to make the neighbors proud of the appearance of his property.

I am whole heartedly in favor of the approval of this Special Use Permit.

Sincerely,

Darrel W. Austin
