(9:05:41) – Nevada Department of Indigent Services (DIDS) Executive Director Marcie Ryba introduced herself and noted that former Carson City Mayor Bob Crowell had chaired the Board of Indigent Defense Services. Ms. Ryba provided background on DIDS and requested the removal of Section V (n) from Exhibit A of the contract to ensure that the attorneys representing the indigent clients will not be responsible for investigative and other costs:

n. The expense of office space, furniture, equipment, supplies, routine investigative costs and secretarial services suitable for the conduct of the CONTRACTOR'S practice as required by this contract are the responsibility of the CONTRACTOR and are part of CONTRACTOR'S compensation paid pursuant to Monthly Payments of this contract and as provided in NRS 260.040 (5).

e. These time summaries will report the amount of time necessary and reasonable spent for travel, investigation, research, trial preparation and hearings as well as trials.

f. These time summaries will be filed with the Court at the conclusion of each assigned case and sealed by the Clerk of Court until requested by the Court.

(9:10:12) – Deputy District Attorney Todd Reese recommended replacing *Court* with *Indigent Defense Coordinator* (in Sections III {d, e, f} and V { e, h, i} of Exhibit A). He also explained that he had been aware of the request to remove Section V.n the evening before the meeting; therefore, he recommended reviewing that section and returning with a recommendation at a later date. Thomas Qualls, DIDS Deputy Director clarified that removal of the section would comply with the Expenses Section (12.c) of the Indigent Defense Plan. Mr. Reese reiterated his recommendation to approve the contract to ensure that the Indigent Defense Services are not interrupted; however, he wished to coordinate with the Conflict Counsel to discuss that section. Mayor Bagwell believed that the compensation may already have included the routine investigative expenses and noted that a discussion was warranted to ensure “the Counsel and the City are on the same page.” Mayor Bagwell entertained a motion.

(9:18:44) – Supervisor Giomi moved to approve the Contracts No. 20300003 and 20300003-B with changes to Sections III d, e, f and Section V (e, h, i) replacing *Court* with *Indigent Defense Coordinator*. Supervisor Jones seconded the motion.

(10:11:16) – Mayor Bagwell introduced the item. Deputy Secretary of State for Elections Mark Wlaschin reviewed election-related legislative measures by the Nevada Legislature and the formal voter outreach campaign by the Office of the Secretary of State. Mr. Wlaschin also responded to clarifying questions by the Board. He explained to Supervisor White that voters may opt out of a mailed ballot by filling out a form 60 days before an election or fill out a form online to request an absentee ballot. Mayor Bagwell thanks Mr. Wlaschin and Secretary of State Barbara Cegavske for reaching out.

16.B FOR POSSIBLE ACTION: DISCUSSION AND POSSIBLE ACTION REGARDING A PROPOSED NO-COST RENEWAL TO COOPERATIVE AGREEMENT FOR AIRPORT AUTHORITY TO MANAGE CARSON CITY'S AIRPORT ("RENEWAL AGREEMENT"), TO BE EFFECTIVE UPON THE DATE OF APPROVAL AND FINAL EXECUTION BY CARSON CITY (THE "CITY") AND THE CARSON CITY AIRPORT AUTHORITY ("CCAA") THROUGH JUNE 30, 2026, WITH AUTOMATIC RENEWAL OF SUCCESSIVE TERMS OF ONE YEAR UNLESS EARLIER TERMINATED FOR CAUSE OR BY MUTUAL AGREEMENT.

(10:08:15) – Mayor Bagwell received confirmation from Mr. Wlaschin that this item may precede item 16.A and she introduced it. Airport Counsel Steve Tackes noted that the fire station adjacent to the Airport was included in “the description of parcels that include the Airport,” and indicated that he was working with the City’s Real Property Manager to “clearly break it,” adding that it would not require any changes to the agreement. Mr. Tackes also thanked the City for a great relationship with the Airport. Mayor Bagwell entertained a motion,

(10:17:48) – Mayor Bagwell indicated that per Mr. Tackes, an Assessor's Parcel Number (APN) correction was being considered and requested to amend the previous motion by adding the following: “*to allow the City Manager and the District Attorney's Office to make the clerical change to the contract, and to identify the revised APN for the fire station.*” Supervisor Jones agreed to amend the motion and Supervisor White agreed to second the amendment. The amended motion carried 5-0-0.

16.C FOR POSSIBLE ACTION: DISCUSSION AND POSSIBLE ACTION REGARDING CARSON CITY'S INDIGENT DEFENSE SERVICES PLAN ("PLAN"), A PLAN REQUIRED BY NEVADA REVISED STATUTES ("NRS") 260.070 FOR THE PROVISION OF LEGAL SERVICES TO PERSONS ACCUSED OF CERTAIN CRIMES WHO ARE UNABLE TO AFFORD AN ATTORNEY.

(9:19:35) – Mayor Bagwell introduced the item. Mr. Reese gave background and reviewed Carson City's Indigent Defense Plan which is incorporated into the record. He also recommended the following changes to the Plan:

3: Applicability:

d. Notwithstanding any other section of this Plan, under NRS 180.004 DIDS' regulations apply only to attorneys providing services in cases under section 2 3(a). DIDS' regulations do not apply to attorneys providing services in cases under section 2 3(b).

16: DIDS Requirements and Interaction:

m. Sections 16(a), (b), (d), ~~and (e)~~ (e), and (l) apply only to cases under section 2 3(a) of this Plan.

Adding to section 8:

8: Appointment of Counsel:

i. The judges of the Court will have no input regarding the selection of counsel in a particular case.

(9:29:41) – Ms. Ryba reviewed her public comments, incorporated into the record, including her concern for timekeeping. She believed that the State public defenders were keeping track of their time; however, the contract attorneys were not specifying “how much is being spent on indigent defense services and how much is being spent on other items.” She also recommended that DIDS or a designee approve the expenses. Ms. Ryba and Mr. Reese responded to clarifying questions during discussion of the comments. Supervisor Giomi recommended moving forward with the plan and submitting it to the DIDS Board, adding that “after final regulations are

CARSON CITY BOARD OF SUPERVISORS
Minutes of the September 16, 2021 Meeting
Page 9

adopted, I would encourage the Courts and the [District Attorney's] Office to provide comments.” Mr. Reese explained that the Board of Indigent Defense Services had issued a public notice that it would be considering public comments for its permanent regulation on October 6, 2021 and that Staff had planned to provide comments. Supervisor Jones did not feel comfortable making a decision at this time. Mr. Reese clarified for Supervisor White that this item had been pulled from the previous Board meeting agenda due to comments received from DIDS, some of which had been addressed in the revised Plan. Supervisor White expressed frustration that a 40-page email from Ms. Ryba had arrived late Wednesday in the form of public comment. He believed that indigent citizens must be taken care of and requested that Mr. Reese see to that.

(9:56:40) – Mayor Bagwell recommended addressing Ms. Ryba’s concerns:

- Contracting with a retired or senior judge who no longer has active cases. Mr. Reese believed that it would “remove the judiciary from the process” and be acceptable to the DIDS Board. Mayor Bagwell was in favor of keeping the section as is and forwarding it to the DIDS Board.
- Creating a selection committee. Mayor Bagwell did not see the need for another layer and Mr. Reese explained that there was no law requiring the creation of such a committee.
- Screening of indigency must occur within 48 hours. The Board agreed that due to circumstances beyond the City’s control, screening may take longer than 48 hours. Mr. Reese agreed that the Sixth Amendment would cover the *timeframe directed by the Court, as noted in the plan.*

(10:06:36) – Based on the discussion above, Mayor Bagwell entertained a motion.

(10:06:47) – Supervisor Giomi moved to approve the Indigent Defense Services Plan as presented with changes to Sections 3.d, 8.i, 16.m as presented on the record by the District Attorney’s Office, and further, to direct Staff to provide input relative to formal regulations that the Board will be considering. (10:32:27) – Mayor Bagwell introduced the item. Parks Project Manager Nick Wentworth reviewed the Staff Report, incorporated into the record, and highlighted the base bid of the project which consisted of repair, drainage improvement, and erosion control for approximately two miles of dirt road for \$133,377.48. Mr. Wentworth also presented two additives to the bid which he noted were not recommended by Staff. Additive Alternative One was an additional half mile of improvements and the installation of a sign for \$19,616.25. Additive Alternative Two would add slope repair and additional erosion control to the Project for \$8,440. Mayor Bagwell entertained Board comments/questions and when none were forthcoming, a motion.

(10:37:34) – Supervisor Schuette moved to award the contract for the base bid only for a not to exceed amount of \$133,377.48, which includes a 10% contingency, and to adopt the contract as presented. Supervisor Giomi seconded the motion.

Supervisor Schuette thanked the Open Space Advisory Committee (OSAC) and Staff “for being mindful of historical significance, donors, and use.” She called the project “extremely well thought out” and was in favor of the OSAC recommendation of having interpretive kiosks. 19.A FOR POSSIBLE ACTION: DISCUSSION AND POSSIBLE ACTION REGARDING A PROPOSED RESOLUTION FOR THE APPROVAL AND ADOPTION OF A HAZARD MITIGATION PLAN ("PLAN") ESTABLISHING PUBLIC SAFETY GOALS TO REDUCE LONG-TERM RISK FROM HAZARDS THAT COULD IMPACT CARSON CITY.

(10:40:17) – Mayor Bagwell introduced the item. Battalion Chief, Deputy Emergency Manager Jason Danen gave background and reviewed the Staff Report which is incorporated into the record. Mayor Bagwell noted that the City takes the plan seriously and supports the protection of the public and their assets. Supervisor Giomi also noted that the plan is important for the City, as a local government, to be eligible for pre and post disaster mitigation funds.

(10:43:24) – Kate Cunningham, Associate Planner at R.O. Anderson Engineering, Inc. and Elizabeth Ashby, Grants and Projects Analyst at State of Nevada, reviewed a PowerPoint presentation, incorporated into the record, titled Carson City Hazard Mitigation Plan Update. Ms. Cunningham and Ms. Ashby also responded to clarifying questions by the Board and offered to provide answers to several issues identified by Supervisor White. Ms. Hicks gave background on the prioritization efforts of cybersecurity for the City, noting that although the Federal Emergency Management Agency's (FEMA's) requirements focused on natural hazard, they did not disallow the inclusion of man-made hazards. She added that the City had opted to add cybersecurity to the plan at a later date and not in this iteration of the document. Supervisor White also pointed out that no action items were directly attached to the climate change section and noted corrections to the civil unrest portion of the plan. Ms. Ashby explained that the climate change goals were addressed in the specific areas such as floods and wildfires. Public Works Director Darren Schulz offered additional modifications regarding the City's water in Section Five. Discussion ensued regarding the City's prioritizations and it was believed that changes may impact funding. Ms. Ashby explained that after the approval of the plan by FEMA, the City could make changes. Mayor Bagwell recommended approving the plan as a Board and allowing the non-substantive changes discussed earlier by Supervisor White to be made by Staff. She also suggested subsequent annual reviews of the plan. Supervisor Schuette explained that she had participated in the process and appreciated the dialogue which involved immediate and anticipated issues. Supervisor White indicated that he had been prepared to vote for the plan but to also have a discussion. Mayor Bagwell entertained a motion.

(11:39:41) – Supervisor Giomi moved to approve Resolution No. 2021-R-25 and grant Staff the authority to make non-substantive and clarifying changes discussed on the record at this meeting [and those

(11:30:25) – Deputy District Attorney Adam Tully recommended modifying the resolution itself to include allowing Staff to make non-Substantive corrections. Mr. Yu was in agreement; however, he recommended not capturing additional conditions in the resolution such as returning to this Board for annual reviews.

(11:44:08) – Supervisor Giomi withdrew his previous motion and moved to approve Resolution No. 2021-R-25 as modified, subject to non-substantive changes and changes read into the record [to be made by the assigned Deputy District Attorney]. Additionally, to request that the item return to this Board annually for a review. The motion was seconded by Supervisor Jones.

STAFF COMMENTS AND STATUS REPORT

(10:53:06) – Mayor Bagwell introduced the item. Supervisor Schuette thanked Jennifer Diamond of the Public Works Department for the tour she had conducted for the Carson Water Subconservancy District team of the City's water treatment center. She also responded to an earlier comment regarding public comment noting that it was really important to know that "people's voices aren't being silenced. That's what public comment is." She noted that she preferred having public comments tied to an item; however, there was opportunity to speak. Supervisor Schuette read a prepared statement, incorporated into the record, regarding the City staff's and the

community's efforts to help with the Caldor Fire evacuation efforts. She especially thanked the Public Works and the Park and Recreation staff members for their efforts.

(11:57:48) – Supervisor Giomi also commented on the public discussion, noting that the City had “gone above and beyond, and while I would like to see public comment after every agenda item...I also recognize and respect the Mayor’s position to be able to make that determination.” Supervisor Giomi noted that the written comments by citizens are now posted along with the meeting minutes. He also reported on behalf of the Culture and Tourism Authority (CTA) that July had recorded the highest net room tax revenue, surpassing the June figures, and anticipated the August revenue to be high as well. Supervisor Giomi also stated that the Arts and Culture Master Plan would be reviewed by this Board in October 2021, and praised the efforts of the new Arts and Culture Program Manager.

(12:00:40) – Supervisor Giomi announced that according to the Carson Water Subconservancy District, this year was a “dismal” water year and the second driest one since records were kept. He also explained that a water plan was scheduled to be reviewed by the Board, and that each county plan would be incorporated in an overall water purveyors’ plan required by the State.

(12:01:57) – Supervisor White noted that even though he would like to hear public comment on each agenda item, “Carson City does offer more opportunities than what the Open Meeting Law requires.” He added that other counties have allowed fewer opportunities. Supervisor White announced that several grants will be made public and available to the Off Highway Vehicle (OHV) groups and encouraged them to begin looking into them online. He also thanked the CTA for their support of the Nevada State Prison Airsoft event weekend, calling the venue the final piece in putting Carson City on the tourism map.

(12:05:32) – Mayor Bagwell ensured everyone that “public comment is important.” She also stated that the City meets and exceeds the requirements of citizens’ rights. Mayor Bagwell noted she understood that the discussion is whether to have public comment during each agenda item in order to debate those who testify. She explained that “we are under a COVID restriction, whether we agree with it or not, and want to get the public in and out as quickly as possible...to minimize exposure. We’re here to do the business of the City and none of us want to get sick...my job is to keep us as safe as possible.” She ensured that there is no suppression of public comment in person and in writing, and that they are also incorporated as part of the minutes.

CLOSED NON-MEETING TO CONFER WITH MANAGEMENT REPRESENTATIVES AND COUNSEL

This item will be continued at a future meeting.

24. PUBLIC COMMENT

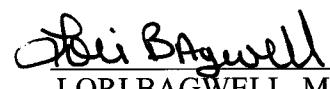

(12:09:06) – Mayor Bagwell entertained final public comments. Ms. Trushenski noted that the 2020 presidential election had been the most corrupt one in the United States. She stated that the Dominion Voting Systems had been corrupt, and that fraud had been committed as photocopied ballots were used and signature verification had been set to a low standard. She cited France as one of the countries that had banned electronic voting, and stated she was in favor of showing identification to vote.

Submission for Public Comment - Sept 2, 2021 Consolidated Municipality of Carson City Board of Supervisors Meeting 7:06 am

My name is Maxine Bradshaw and on this day, September 2, 2021, I wish to address jointly, the consolidated municipality of Carson City Board of Supervisors and the Carson City School District Board of Trustees. My urgent request to you at this time is to please do not take any action to pass Item 17a Grant at this time. My reason for this request is explained below.

I want to start by saying that I have been where you are. I also served as a school board Trustee many years ago in Nye County where my three children attended school. I believe that we all commit to public service for the same reason. We want to make a difference for the better for our families and community. We love our children and grandchildren and want the best for them. There is no question that we are living in unprecedented times where people sitting in seats of authority are literally making life and death decisions about our children. Who should live? Who should die?

But the point that critically needs to be understood by everyone is that Covid has **never** killed anyone. But the **FEAR** of Covid is the **real** killer. People everywhere have been so terrified of the name Covid that all of our natural instincts and common sense to survive have been abandoned, even when **truth** science tells us that the survival rate is 99.997% with children virtually at no risk at all. But the most damning of all is the failure to look at the only one who has the power to save lives and the **true** decider of life and death and that is God.

The only true question left for each one of you to answer is this. Is the money worth the permanent loss of our children? It is always easy to separate the truth from the lies. Just look at the ones who have sacrificed the most to reveal the truth; the doctors and scientists who have risked everything, some even losing their lives, all for the sake of saving lives by simply speaking the truth. I know that you know who these people are. Let's stop now in putting our children, our future in harm's way. Thank you and may God touch each of your hearts to do the right thing now and not vote to pass this Grant.

Sincerely,
/s/Maxine Bradshaw

Subject: Election Changes

I am writing to say that the election changes made by the state are unconstitutional because they are ripe for fraud. Mail-in voting and ballot harvesting cannot demonstrate the chain of custody needed to guarantee a valid vote.

Today it was announced that a postal worker has been arrested and charged for stealing ballots instead of delivering them to the election site.
<https://www.justice.gov/usao-wdny/pr/postal-worker-arrested-and-charged-failing-deliver-over-800-pieces-mail-which-included> This is just one real example of fraud.

How do we know if the intended recipient of the blank ballot actually received it and voted? We cannot know because identity cannot be established when the person, correct or not, votes.

Please do something to fix this problem.

Carson City Board of Supervisors,

My name is Marcie Ryba and I am the Executive Director of the Department of Indigent Defense Services. I am writing today to provide public comment on Agenda Items 14B and 14C, the Contracts for the Contract Indigent Defense Providers. As well as 16C, Carson City's Plan for the Provision of Indigent Defense Services.

Since March of 2021, our department has made itself available to assist in the creation of Carson City's Plan for the Provision of Indigent Defense Services. Our department has had the opportunity to meet with County Manager Nancy Paulson, as well as Court Administrator Max Cortes, to introduce them to the Department, the Board on Indigent Defense Services Regulations, and the Plans for the Provision of Indigent Defense Services. I have attached the Temporary Regulations of the Board on Indigent Defense Services and Assembly Bill 480(2021) to this letter.

The department has reviewed Agenda Items 14B, 14C, and 16C. The Department has concerns regarding a number of provisions in these Contract Amendments and Carson City's Plan for the Provision of Indigent Defense Services which are not in compliance with the Temporary Regulations of the Board on Indigent Defense Services and with current Nevada law, including independence from the judiciary, as required by the relevant statutes and regulations. These concerns have been communicated with the County Manager and are attached to this letter.

Thomas Qualls, Deputy Director, and I will be present during public comment tomorrow morning. We are available for any questions that you may have.

Thank you,

DIDS Review

Carson City Plan

Complies Recommendations

Expenses

Estimated Cost of the Plan:	\$2,704,849.28
Carson Maximum Contribution (Sec 19):	\$2,054,655.50
Estimated State Contribution:	\$437,029.28

- 1. Plan must be free from political and undue budgetary influence and subject to judicial supervision in same manner as retained counsel or prosecuting attorney (Temporary Regulation of the Board on Indigent Defense Services Section 23 [hereinafter "Sec."]).**

Complies Recommendations

The Plan, as currently written, allows judicial oversight (senior judges or judge pro tempore) for the approval of requests for compensation of indigent defense experts as well as the billing of appointed counsel. See p. 6, Section 8(e)(3) and p. 7, Section 11(c)(1)(iii).

→Recommendation: The Department is unable to allow the judiciary to act as its designee for purposes of Chapter 7.115, 7.135, 7.145 and 171.188. The Department recommends that such oversight be removed from the Plan as it is not in compliance with Nevada Law or the Regulations.

- 2. Plan for hiring contractor attorneys (Sec. 24):**

Complies Recommendations

Carson City may solicit letters of interest through a solicitation released to the public and any DIDS qualified attorneys in Carson City. The judges of the Courts, DIDS, and any other interested party may submit public comment regarding the selection. Carson City will consider listed qualifications prior to hiring. P. 9-10.

→Recommendation: The Department recommends the County consider the creation of a selection committee, as has been recommended by the Board on Indigent Defense Services, that utilizes stakeholders concerned with the integrity of indigent defense services, which may include the Department. The Department recommends that the

Plan reflect that judicial input may be considered, but not the sole basis for the selection as is a requirement in Sec. 24.

3. Appointment of Counsel (Sec. 25)

Complies Recommendations

Indigency Screening (Sec. 25(1)): The screening for indigency must be conducted by the Carson City Alternative Sentencing Department, the Carson City Sheriff's Office, or other court or law enforcement personnel within 48 hours, or sooner as required by applicable law or "within the time frame directed by the Court." P. 4, Section 6(a).

→**Recommendation:** It is unclear what the "time frame directed by the Court" will be. The screening must occur within 48 hours.

Prompt Appointment and handling a Conflict of the PD (Sec. 25(2)): Unless there is a clear conflict, the Public Defender will be selected for the case by the indigent defense coordinator. P. 5, Section 8(c). If there is a conflict, the public defender will notify the indigent defense coordinator to reassign the case. P. 5, Section 8.

Distribution of Cases (Sec. 25(3)): The indigent defense coordinator will use best efforts to balance the number of cases assigned to each conflict counsel by fairly rotating through the list. P. 5, Section 8(d). If no conflict counsel is available, the Court may appoint any attorney who, in the Court's discretion will provide competent representation. P. 6, Section 8(e).

→ **Recommendation:** The law requires the Department maintain a list of attorneys eligible to provide appointed or contract indigent defense services in the rural counties. NRS 180.430. Attorneys that are not included on the list may not provide appointed indigent defense services in the rural counties. Plans must require that indigent defense services representation be compliant with, among other things, the regulations of the Board on Indigent Defense Services. Section 29(1). The regulations require attorneys to apply with the Department prior to practicing indigent defense services in the rural counties. See Section 32. It is recommended that such language allowing appointment of attorneys outside of the list be eliminated as it is not in compliance with the law.

Initial Appearance (Sec. 25(4)): an attorney appointed to represent an indigent person is expected to appear at the person's initial appearance. P. 10 Section 16(i).

→**Recommendation:** Add language that appointed attorneys are expected to be prepared to address appropriate release conditions in accordance with relevant statute, rule of criminal procedure, and caselaw. A timely initial appearance or arraignment must not be delayed pending a determination of the indigency of a defendant.

4. Confidential Communications (Sec. 26):

Complies Recommendations

Facilities are available including meeting rooms outside each courtroom and private meeting space at the jail. P. 10, Section 16(c).

5. Ensure Resources to conduct an independent investigation and hire experts (Sec. 27):

Complies Recommendations

Carson City will employ an indigent defense coordinator. Requests up to \$1,000 may be incurred without pre-authorization of the coordinator. Expenses over \$1,000 must be submitted through the coordinator to a Senior judge or judge pro tempore for review and approval. If the request is denied, a motion can be filed with the Court. P. 8, Section 12(d)(iii).

→Recommendation: The Department is unable to allow the judiciary to act as its designee for purposes of Chapter 7.115, 7.135, 7.145 and 171.188. Starting October 1, 2021, AB480 will be effective which changed the procedure for approving case-related expenses. NRS 7.135 provides requests for experts or investigators be submitted to our Department or its designee for review and approval. Further, providers of indigent defense services shall have the same judicial oversight as prosecutors or private attorneys. See Temp. Regulation Section 23. Pursuant to Section 23, the judiciary is not permitted to fulfill this role and will not be approved as the Department's designee.

6. Vertical Representation Requirement (Sec 28):

Complies Recommendations

The Plan expects attorneys to ensure that the attorney appointed to represent an indigent person is expected to representation that person through every stage of the case. P. 10, Section 16(j).

7. Standards of Representation (Sec. 29(1)):

Complies Recommendations

Standards of Representation 29(1): required language included. P. 10, Section 16(g).

Davis Required Language (Sec. 29(2)): required language included. P. 11, Section 16(k).

Client surveys (Sec 29(3)): Plan requires surveys to be distributed as required by the Board of Indigent Defense Services. P. 10, Section 16(d).

8. Prompt Compensation (Section 43)

Complies Recommendations

Carson City will employ an Indigent Defense Coordinator. Appointed counsel will submit requests for compensation through the indigent defense coordinator. The coordinator will submit the request to a senior judge or a judge pro tempore for review and approval. If the request is denied, counsel may file a motion with the appropriate court. P. 7, Section 11(c).

→Recommendation: The Department is unable to allow the judiciary to act as its designee for purposes of Chapter 7.115, 7.135, 7.145 and 171.188. Starting October 1, 2021, AB480 will be effective which changed the procedure for approving attorney billing. NRS 7.145 provides requests for compensation be submitted to our Department or its designee for review and approval. Further, providers of indigent defense services shall have the same judicial oversight as prosecutors or private attorneys. See Sec. 23.

9. Caseload Reporting (Section 46)

Complies Recommendations

The Plan requires attorneys to make arrangements for required caseload and time reporting. P. 10, Section 16.

Conclusion

Overall, the Department is concerned that Carson City's Plan provides judicial oversight to a public defender or indigent defense services provider that is greater than the judicial oversight provided to a prosecutor or private attorney. The Department is unable to allow the judiciary to act as its designee for purposes of Chapter 7.115, 7.135, 7.145 and 171.188.

Subject: Carson City Contracts with Indigent Defense Counsel

Hello, Nancy,

I hope you are well.

We have reviewed the amendments to the contracts for indigent defense providers which are slated for the Board of Supervisors' Meeting tomorrow. The Department has concerns regarding a number of provisions in these Contract Amendments which are not in compliance with the Temporary Regulations of the Board on Indigent Defense Services and with current Nevada law, including independence from the judiciary, as required by the relevant statutes and regulations.

Section III (d-f) - these Amendments require Conflict Counsel to submit regular time summaries for each case to the Court. While it may be appropriate for the County to have this kind of oversight, allowing the Court to have increased judicial supervision over indigent defense providers does not comply with current Nevada law. See NRS 7.115-7.145 and Temp. Reg. Sec. 23.

Section V (e, h, i, l, m) – These provisions involve a requirement for monthly billing statements to the Court, instead of county authorities. These provisions are not in compliance with current Nevada law which prohibits the courts from exercising this kind of financial control of indigent defense services. See NRS 7.115-7.145 and Temp. Reg. Sec. 23. Which is similar to the comments above.

Section V (n) – This provision does not comply with current Nevada law, as it requires the indigent defense contractors to pay for their own investigative expenses. See NRS 7.115-7.145 and Temp. Reg. 40.

If you would like to discuss any of these issues further, please let me know.

Thank you,

Marcie

2. After such screening and upon a judge, justice or master finding that a defendant is eligible for appointed counsel in accordance with subsection 3 of NRS 171.188, the plan must provide for prompt appointment of counsel. If a public defender is disqualified from providing representation, a plan must provide for the appointment of another attorney in accordance with NRS 7.115 and 171.188.

3. If a county uses independent contractor attorneys in lieu of an office of the public defender or where the public defender is disqualified, the plan must describe how

attorneys are assigned cases. Distribution of cases may be on a rotational basis or other method that ensures fair distribution of cases.

4. Plans for indigent defense services must require that an attorney be present at initial appearances and arraignments and be prepared to address appropriate release conditions in accordance with relevant statute, rule of criminal procedure, and caselaw. A timely initial appearance or arraignment must not be delayed pending a determination of the indigency of a defendant. Plans should ensure the presence of counsel at all other critical stages, whether in or out of court.

5. This section must not be construed to preclude a defendant from waiving the appointment of an attorney in accordance with subsection 1 of NRS 171.188.

Sec. 26.

1. A plan shall, through cooperation with local agencies, seek to provide necessary resources and accommodations for private discussions between an attorney and a client in courthouses, jails, prisons, detention centers and other places where a client must confer with an attorney, and provide a description of such resources and accommodations.

A county's plan for the provision of indigent defense services shall ensure, to the greatest extent possible, consistency in the representation of indigent defendants so that the same attorney represents a defendant through every stage of the case without delegating the representation to others, except that administrative and other tasks which do not affect the rights of the defendant may be delegated.
2. The provisions of subsection 1 do not preclude a county from using a single attorney or rotation of attorneys to provide representation to an indigent defendant at an initial appearance or arraignment, but any such attorney should, to the extent possible, discuss only matters pertaining to the initial appearance or arraignment to avoid creating a conflict of interest.

Sec. 29.

1. Plans for the provision of indigent defense services must require that representation be provided in a professional, skilled manner guided by applicable regulations; laws; Rules of Professional Conduct; and the Nevada Indigent Defense Standards of Performance adopted by the October 16, 2008 Nevada Supreme Court Order in Administrative Docket 411, or the same as may be amended.
2. Plans and/or contracts must require attorneys to advise all clients not to waive any substantive rights or plead guilty at the initial appearance, unless to do otherwise is in the client's best interest and require indigent defense providers to make all reasonable efforts to meet with each client within the first seven days following the assignment of the case, as well as every 30 days thereafter, unless there are no significant updates in the client's case.
3. Plans for the provision of indigent defense services in counties whose population is less than 100,000 must ensure that any client surveys authorized by the Board are provided to a client at the conclusion of his or her representation by an attorney.

3. After an attorney submits an application pursuant to this section, the attorney may continue practicing in the areas of indigent defense for which the attorney is seeking the determination of the Department until the attorney receives written notice of the determination.

If the Department determines that an attorney is qualified to provide indigent defense services, the Department shall place the name of the attorney and areas of qualification on a roster of attorneys who are eligible to provide indigent defense services that will be used by boards of county commissioners to select the attorneys who will provide indigent defense services for a county. An attorney may seek qualification for different or other areas of indigent defense services by further application demonstrating the additional qualifications at any time.
5. If an attorney disagrees with the determination of the Department regarding the areas for which the attorney is qualified to provide indigent defense services, the attorney may submit a request for reconsideration to the Department not later than 30 days after receiving the determination of the Department. The Board will review any request for reconsideration that is submitted to the Department.
