Kris-

Your comments regarding the slaughterhouse were included in the packet. My understanding of your comments regarding billboards was that they were related to possible amendments to Title 18 so they were not included with the materials for the billboard at 4440 Hwy 50 E. If you would like your 11/17/21 email regarding billboards to be provided to the Planning Commission for the Special Use Permit they will be considering next week, please confirm by responding to this email.

Thank you,

Heather

Hi Heather and Hope,

Did you folks receive my e-mails on various planning topics a couple/few weeks ago? Billboards, animal rendering facility, etc.?

Unfortunately I am not going to be able to be at the planning meeting after all, we have production downtime that I need to use, to work on machines in Fremont at Tesla.

I would like to make sure my comments made it into the packets for the meeting.

Thank you,  
Kris W.
