Sorry, the below is a **duplicate** because I did not put my name at the bottom of the public comment, as required. My name is in my email but perhaps the comment also has to be signed. I am resubmitting it for ONLY this reason. The comment is exactly the same.

I did not see any mention (or copy) of Juan Guzman's Public Comment, sent in and noted as "Late Material": to request the Clear Creek extension be added to Agenda Item #7.

**#7. FOR POSSIBLE ACTION: DISCUSSION AND POSSIBLE ACTION REGARDING THE OPEN SPACE WORK PLAN FOR FISCAL YEAR 2022-2023.**

I also did not see the discussion of his Public Comment, as initiated by Member Kimbrough. Discussion ensued after Member Kimbrough brought it up, and the result was that

the Clear Creek Trailhead and Trail Extension was requested to be added to the Open Space Work Plan. And, the subsequent vote included it:

**(6:21:55) – MOTION: Member Ghiglieri moved to accept the Open Space Work Plan for Fiscal Year 2022- 2023 with the addition of the Clear Creek Trailhead and Trail Extension.**
