Subject: Re: LU-2022-0117

This message originated outside of Carson City's email system. Use caution if this message contains attachments, links, or requests for information.

My husband and I are retired and do not want to hear a lot of children playing all day long. I spent a lot of time in the back yard, just to go outside to listen to nature. It is hard to hear with children playing. We also don't want the increase of traffic that it will cause. This email is about the subject LU-2022-0117 sup sf6

Thank you

Carol Allum
