

STAFF REPORT

Report To: Board of Supervisors **Meeting Date:** June 2, 2022

Staff Contact: Carol Akers, Purchasing & Contracts Administrator and Nick Wentworth, Parks Project Manager

Agenda Title: For Possible Action: Discussion and possible action regarding a determination that A&K Earth Movers, Inc. ("A&K") is the lowest responsive and responsible bidder pursuant to Nevada Revised Statutes ("NRS") Chapter 338 and whether to award Contract No. 21300314 for the Multipurpose Athletic Center ("MAC") West Parking Lot Project ("Project") to A&K for a total amount not to exceed \$492,800. (Carol Akers, CAkers@carson.org and Nick Wentworth, NWentworth@carson.org)

Staff Summary: This Project consists of demolition of the existing asphalt grindings temporary overflow parking area to be replaced by a new asphalt parking lot with landscaped planters as required by Carson City Municipal Code Design Standards and Americans with Disabilities Act-compliant sidewalks connecting into the existing sidewalk system at the rear of the building. The not to exceed amount of \$492,800 comprises A&K's base bid amount of \$448,000, plus a 10% contingency of \$44,800. The engineer's estimate was \$376,125. This Project was approved as part of the Fiscal Year ("FY") 2022 Capital Improvement Plan.

Agenda Action: Formal Action / Motion **Time Requested:** Consent

Proposed Motion

I move to award the contract as presented.

Board's Strategic Goal

Sustainable Infrastructure

Previous Action

The final budget for FY 2022, including the Capital Improvement Program, was approved by the Board of Supervisors on May 20, 2021.

Background/Issues & Analysis

This project will help mitigate existing parking challenges during tournaments, leagues and sporting events at the Carson City MAC, while reducing parking impacts to neighboring properties. Paving the lot was also a condition of the Special Use Permit issued for the "temporary" parking lot.

A notice to contractors regarding the opportunity to bid on this Project was published in the Reno Gazette Journal and posted on NGEM on April 12, 2022. Four bids were opened at approximately 11:30 a.m. on May 10, 2022, via online Cisco Webex bid opening. Present during the bid opening were: Darcy Carpenter, SNC; Eric Kendall, West Coast Paving, Inc.; Dee Westmoreland and Timothy Whited, ARMAC Construction; Kevin Atkins, A&K; Nick Wentworth, Carson City Department of Parks, Recreation & Open Space; and Carol Akers, Carson City Purchasing and Contracts Administrator.

The City received the following bids:

| Bidders | Base Bid | Alternate 1 |
|----------------------------------|--------------|-------------|
| A&K | \$448,000 | \$11,960 |
| West Coast Paving, Inc. | \$464,360 | \$16,640 |
| Sierra Nevada Construction, Inc. | \$577,407 | \$15,600 |
| *ARMAC Construction | \$387,779.47 | \$15,704 |

*ARMAC Construction did not submit the bonding with their proposal; deemed non-responsive.

Staff recommends award to A&K for the base bid only as the lowest responsive and responsible bidder pursuant to NRS Chapter 338. Unfortunately, engineer's estimates have been nearly impossible to match with bid responses due to ever-changing supply chain shortages and material cost surges.

6. **CONTRACT TERMINATION:**

6.1 Termination Without Cause:

6.1.1 Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.

6.1.2 **CITY** reserves the right to terminate this Contract for convenience whenever it considers termination, in its sole and unfettered discretion, to be in the public interest. In the event that the Contract is terminated in this manner, payment will be made for WORK actually completed. If termination occurs under this provision, in no event shall **CONTRACTOR** be entitled to anticipated profits on items of WORK not performed as of the effective date of the termination or compensation for any other item, including but not limited to, unabsorbed overhead. **CONTRACTOR** shall require that all subcontracts which it enters related to this Contract likewise contain a termination for convenience clause which precludes the ability of any subcontractor to make claims against **CONTRACTOR** for damages due to breach of contract, lost profit on items of WORK not performed, or unabsorbed overhead, in the event of a convenience termination.

6.2 Termination for Nonappropriation:

6.2.1 All payments and WORK provided under this Contract are contingent upon the availability of the necessary public funding, which may include various internal and external sources. In the event that Carson City does not acquire and appropriate the funding necessary to perform in accordance with the terms of the Contract, the Contract shall automatically terminate upon **CITY'S** notice to **CONTRACTOR** of such nonappropriation, and no claim or cause of action may be based upon any such nonappropriation.

6.3 Cause Termination for Default or Breach:

6.3.1 A default or breach may be declared with or without termination.

6.3.2 This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:

6.3.2.1 If **CONTRACTOR** fails to provide or satisfactorily perform any of the conditions, WORK, deliverables, goods, or any services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or

6.3.2.2 If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by **CONTRACTOR** to provide the goods or WORK or any services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

CONSTRUCTION INDEPENDENT CONTRACTOR AGREEMENT

Contract No: 21300314

Title: Carson City MAC West Parking Lot

6.3.2.3 If **CONTRACTOR** becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or

6.3.2.4 If **CITY** materially breaches any material duty under this Contract and any such breach impairs **CONTRACTOR'S** ability to perform; or

6.3.2.5 If it is found by **CITY** that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by **CONTRACTOR**, or any agent or representative of **CONTRACTOR**, to any officer or employee of **CITY** with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or

6.3.2.6 If it is found by **CITY** that **CONTRACTOR** has failed to disclose any material conflict of interest relative to the performance of this Contract.

6.3.2.7 **CITY** may terminate this Contract if **CONTRACTOR**:

6.3.2.7.1 Fails to maintain bonding, Nevada State Contractors' Board License, State Industrial Insurance requirements or insurance policies for limits as defined in this Contract; or

6.3.2.7.2 Persistently or materially refuses or fails to supply properly skilled workers or proper materials; or

6.3.2.7.3 Fails to make payment to subcontractors for materials or labor in accordance with the respective agreements between **CONTRACTOR** and the subcontractors; or

6.3.2.7.4 Disregards laws, ordinances, or rules, regulations or order of a public authority having jurisdiction; or

6.3.2.7.5 Otherwise makes a material breach of a provision of this Contract; or

6.3.2.7.6 **CONTRACTOR** fails to maintain safe working conditions.

6.3.3 When any of the Subsection 6.3.2.7.1 through 6.3.2.7.6, inclusive, cause reasons exist, and without prejudice to any other rights or remedies of **CITY**, **CITY** may terminate this Contract at any time after giving **CONTRACTOR** and **CONTRACTOR'S** Surety seven (7) calendar days written notice of default or breach and intent to terminate and **CONTRACTOR'S** subsequent failure to timely correct as provided below, and subject to any prior rights of the Surety, **CITY** may:

6.3.3.1 Take possession of the site and of all materials, equipment, tools and construction equipment and machinery thereon owned by **CONTRACTOR**;

6.3.3.2 Accept assignment of subcontractors pursuant to this Contract (Contingent Assignment of Subcontracts to Carson City if this Contract is terminated); and

6.3.3.3 Finish the WORK by whatever reasonable method **CITY** may deem expedient.

6.3.4 If **CITY** terminates this Contract for any of the cause reasons stated in Section 6.3:

6.3.4.1 **CONTRACTOR** shall not be entitled to receive further payment until the WORK is finished.

CONSTRUCTION INDEPENDENT CONTRACTOR AGREEMENT

Contract No: 21300314

Title: Carson City MAC West Parking Lot

6.3.4.2 If the unpaid balance of the Contract Amount exceeds the cost of finishing the WORK including expenses made necessary thereby, such excess shall be paid to **CONTRACTOR**. If the costs of finishing the WORK exceed the unpaid balance, **CONTRACTOR** shall pay the difference to **CITY**. The amount to be paid to **CONTRACTOR** or **CITY**, as the case may be, shall survive termination of this Contract.

6.3.4.3 In the event of such cause termination, all monies due **CONTRACTOR** or retained under the terms of this Contract shall be held by **CITY**, however, such holdings will not release **CONTRACTOR** or its Sureties from liability for failure to fulfill this Contract. Any excess cost over and above the Contract Amount incurred by **CITY** arising from the termination of the operations of this Contract and the completion of the WORK by **CITY** as provided above shall be paid for by any available funds held by **CITY**. **CONTRACTOR** will be so credited with any surplus remaining after all just claims for such completion have been paid.

6.4 If at any time before completion of the WORK under this Contract, the WORK shall be stopped by an injunction of a court of competent jurisdiction or by order of any competent government authority, **CITY** may give immediate notice to **CONTRACTOR** to discontinue the WORK and terminate this Contract. **CONTRACTOR** shall discontinue the WORK in such manner, sequence, and at such times as **CITY** may direct. **CONTRACTOR** shall have no claim for damages for such discontinuance or termination, nor any claim for anticipated profits on the WORK thus dispensed with, nor for any claim for penalty, nor for any other claim such as unabsorbed overhead, except for the WORK actually performed up to the time of discontinuance, including any extra WORK ordered by **CITY** to be done.

6.5 Time to Correct (Declared Default or Breach):

6.5.1 Termination upon a declared default or breach may be exercised only after providing 7 (seven) calendar days written notice of default or breach, and the subsequent failure of the defaulting or breaching party, within five (5) calendar days of providing that default or breach notice, to provide evidence satisfactory to the aggrieved party demonstrating that the declared default or breach has been corrected. Time to correct shall run concurrently with any notice of default or breach and such time to correct is not subject to any stay with respect to the nonexistence of any Notice of Termination. Untimely correction shall not void the right to termination otherwise properly noticed unless waiver of the noticed default or breach is expressly provided in writing by the aggrieved party. There shall be no time to correct with respect to any notice of termination without cause, termination for nonappropriation or termination due to court injunction or order of a competent government authority.

6.6 Winding Up Affairs Upon Termination:

6.6.1 In the event of termination of this Contract for any reason, the parties agree that the provisions of this Subsection 6.6 survive termination:

6.6.1.1 The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination; and

6.6.1.2 **CONTRACTOR** shall satisfactorily complete WORK in progress at the agreed rate (or a pro rata basis if necessary) if so requested by **CITY**; and

6.6.1.3 **CONTRACTOR** shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by **CITY**; and

CONSTRUCTION INDEPENDENT CONTRACTOR AGREEMENT

Contract No: 21300314

Title: Carson City MAC West Parking Lot

6.6.1.4 **CONTRACTOR** shall preserve, protect, and promptly deliver into **CITY** possession all proprietary information in accordance with **Section 21**.

6.7 Notice of Termination:

6.7.1 Unless otherwise specified in this Contract, termination shall not be effective until seven (7) calendar days after a party has provided written notice of default or breach, or notice of without cause termination. Notice of Termination may be given at the time of notice of default or breach, or notice of without cause termination. Notice of Termination may be provided separately at any time after the running of the 7-day notice period, and such termination shall be effective on the date the Notice of Termination is provided to the party unless a specific effective date is otherwise set forth therein. Any delay in providing a Notice of Termination after the 7-day notice period has run without a timely correction by the defaulting or breaching party shall not constitute any waiver of the right to terminate under the existing notice(s).

Please see the following answers to questions and bid clarifications received regarding the Project.

1. **Question:** The line item for removal/demo of the existing asphalt grindings parking lot is called out as 34,674 sq. ft. What depth was assumed for removal?

Answer: The removal of asphalt grindings and subgrade needs to be to the subgrade level for proposed structural asphalt section.

2. **Question:** What depth was assumed for the cut portion of the earthwork line item? 40 cy over that sq. footage is just over 3"?

Answer: The earthwork cut/fill is only intended to represent soil being moved on site. Export of construction materials such asphalt/concrete to be removed is not included in this calculation.

3. **Question:** Detail 1 says 3" asphalt on 4" base, Detail 2 says 4" AC on 6" base, Detail 3 calls out 2.5" AC on 6" base ?

Answer: There are two different thicknesses shown for the project and are shown as construction notes 2 and 3 on Sheet C-2.1. Details 1 and 2 denote specific areas of the project (1 refers to the parking lot while 2 is for the access road). Detail 3 refers to the parking lot striping and wheel stops and is shown as construction notes 4 and 6. Detail 3 is not referenced for AC thickness for this project.

4. **Question:** Demo Existing Asphalt – Where is this?

Answer: At the west end of the existing parking lot, if necessary to match grade.

5. **Question:** We can't find the location for the two Commercial Driveways shown in the bid schedule?

Answer: It was decided through the design process not to maintain a driveway here and as such the element is not part of the current design. Therefore, the aprons were an error on the Engineer's Estimate and should not be considered.
