Hi Heather,

Just wanted to email support for the project on Gardner Lane to build a garage. Admin permit Applicant is Codey and his property is mid way down our road (I don't have the letter here with me today at work).

No concerns about the project and he has already been a great neighbor.

At some point when the house gets considered, should look at doing a trough on Gardner lane over to the rainwater drainage further down our road. It would be an easy solution for the water that was retained on Cody's property after the heavy rains we got.

Best,  
Kris W.  
Property owner, 2708 Gardner Lane
