Dear Sheriff Ken Furlong,

First and foremost, we would like to express our deepest apologies, and are taking full responsibility for not being educated resulting in our business not following the letter of the law in regard to our liquor license for HomeGrown Bowling LLC.

Danny applied for the liquor license on April 24 the day after our lease at 4600 Snyder Ave. was signed. Knowing we would be close to the timeframe of our open date, June 02, 2023, I researched the requirements of being a private club. While waiting for our liquor license HomeGrown Bar charged a daily membership fee to all customers wishing to make a purchase from the bar. Signs were posted, membership cards were issued and limited alcohol (beer, wine and a select few mixed drinks) were served to these members while they were in our establishments which included the Bar, Diner, Billiards and Bowling Center. We have rescheduled our grand opening twice waiting to have a fully operational and licensed bar open to the public.

We have been residences of Carson City (and surrounding areas) our entire lives and are truly the definition of HomeGrown. We started bowling at Carson Lanes back in 1987 at the age of 5. Danny is the high school bowling coach, a member of the Carson Country USBC board and we both coach the Saturday morning youth bowling program. Bowling is our passion and we are asking for the opportunity to right our wrong.

The HomeGrown Bar hosts swing dance clubs, karaoke and line dancing in addition to senior, youth and adult bowling leagues and tournaments. In August we will be the host bar for pool and dart leagues. We are a safe place for families, friends, teams and co-workers to gather in a smoke-free environment.

HomeGrown Bowl, is fully prepared to accept the consequences of our infraction and pay any fines/ penalties imposed. HomeGrown Bowl, Bar Grill and Billiards (formally Carson Lanes Family Fun Center) are staples in the community. We are asking for your forgiveness and consideration in issuing our liquor license. If we are unable to sell alcohol we will be forced to close the bowling alley, diner and the billiards room as they do not generate enough revenue without the liquor sales.

Please let us know if we can answer any questions or if you need anything further from us.

Thank you for your consideration.

Jennifer and Danny Dunbar
