a. The City Manager may establish an account for catastrophic leave for all City employees.

b. An employee may request, in writing that a specified number of hours of his or her accrued sick leave be transferred from his or her account to the catastrophic leave account.

c. An employee may not transfer to the catastrophic leave account any hours of sick leave if the balance in his or her account after the transfer is less than 240 hours. Sick leave will be transferred at the rate of one hour for one hour credit donated.

d. The maximum number of hours which may be transferred in any calendar year is one hundred (100). The minimum number of hours which may be transferred in any calendar year is 24 hours. Leave will be placed in a pool; however, the employee may transfer hours to the catastrophic leave account for use by a particular employee who is eligible to receive the donation.

e. Any hours of sick leave which are transferred from any employee's account to the catastrophic leave account may not be returned or restored to that employee. This subsection does not prevent the Employee from receiving leave pursuant to subsection 12.H.4 of this Article.

3. Request for catastrophic leave.

a. An employee who suffers a catastrophe as defined in Section 1, may request, in writing that a specified number of hours of leave be transferred from the catastrophic leave account to his or her account. The maximum number of hours that may be transferred to an employee pursuant to this section is 320 per catastrophe. Catastrophic leave may not be used when the subject of the catastrophe is a member of the employee's immediate family. Catastrophic leave is limited to catastrophes which befall the employee.

b. The request must include:

(1) The employee's name and job title; and

(2) A description of the catastrophe and the expected duration of that catastrophe.

c. An employee may not receive any leave from the catastrophic leave account until he or she has used all his or her accrued annual, sick, and other paid leave.

d. An employee who receives leave from the catastrophic leave account is entitled to payment for that leave at a rate no greater than his or her own rate of pay.

4. Approval of transferring the catastrophic leave.

a. The City Manager or his or her designee may approve the transfer of a specified number of hours of leave from the catastrophic leave account to the account of any employee who is eligible to receive such leave. The decision of the City Manager or his or her designee concerning the approval of leave is final and is not subject to the grievance procedure, judicial review, or review by the Board of Supervisors.

5. Review of status of catastrophe; termination of leave; disposition of hours not used.

a. The City Manager or his or her designee shall review the status of the catastrophe of the employee and determine when the catastrophe no longer exists. This determination is final and not subject to the grievance procedure, judicial review, or review by the Board of Supervisors.

b. The City Manager or his or her designee shall not grant any hours of leave from the catastrophic leave account after:

(1) The catastrophe ceases to exist; or

(2) The employee who is receiving the leave resigns or his or her employment with the City is terminated.

c. Any leave which is received from the catastrophic leave account which was not used at the time the catastrophe ceases to exist or upon the resignation or termination of the employment of the employee must be returned to the catastrophic leave account.

6. Maintenance of records on catastrophic leave.

a. Human Resources shall maintain the records and report to the City Manager any information concerning the use of a catastrophic leave account to evaluate the effectiveness, feasibility, and the cost to carry out this provision.

7. Substantiation of Catastrophic Condition: The City Manager or his or her designee may require written substantiation of the catastrophic condition which is life threatening or which will result in a lengthy illness by a physician of his or her choosing. The cost of such written substantiation shall be borne by the employee.

I. **WELLNESS DAYS:** An Employee on a 10-hour shift who uses twenty (20) hours or less of any combination of family sick and sick leave (excluding FMLA leave and PERS sick conversion) in a calendar year will receive twenty (20) hours of personal leave off with pay as wellness days. Time off must be taken within one year of earning the wellness days, with scheduling of time off agreed to by both the Employee and the Employee's supervisor and/or the Sheriff. If not used within one year of the date on which the wellness days are earned, the leave shall be forfeited and not paid.

ARTICLE 13. GROUP HEALTH INSURANCE

A. All Employees, except those on temporary status and those excluded from enrollment by the terms and conditions of the insurance contract, may enroll in Employer's group health insurance plan, and shall be covered after a waiting period in accordance with City policy.

B. EMPLOYER-EMPLOYEE SHARE OF PREMIUM

1. Employer shall pay one hundred percent (100%) of the Employee's premium for a group health insurance plan and sixty-five percent (65%) of the dependent's premium for a group health insurance plan.

2. The Employee shall have the option of converting the health insurance coverage at the time of his or her separation from employment with Employer by commencing to pay one hundred percent (100%) of the total premium. The City will pay

ninety percent (90%) of retiree group health insurance medical, dental, and vision coverage premiums except as provided below.

An Employee who retires on or after July 1, 2023, will receive ninety percent (90%) of retiree group health insurance medical, dental, vision and life coverage premiums except as provided below. The City will pay fifty percent (50%) of the medical, dental, and vision coverage premiums for retiree Employee's spouse and eligible dependents, except as provided below.

The City agrees to cover eligible Employee retirees and dependents, as the term "dependents" is defined in the City's group health insurance plan in existence on the date of retirement, under the City's group health insurance plan offered to active employees, as modified from time-to-time.

a. In order to be eligible for the benefits provided in this Section, the bargaining unit Employee/retiree of the Carson City Sheriff's Office shall have:

(1) a minimum of 20 years of full-time service with the Carson City Sheriff's Office; and

(2) actually retired under the Nevada PERS retirement qualifications in existence on the date of retirement.

b. The City will pay premiums for:

(1) the bargaining unit Employee/retiree from the effective date of Nevada PERS retirement until death. After the retiree reaches the eligibility age for federal benefits under Medicare or age sixty-five (65), whichever occurs first, the health insurance coverage premium paid by the City on behalf of the retiree will be reduced to either (1) fifty percent (50%) of the "single employee with Medicare premium", or (2) the payment to which the retiree would otherwise be entitled under the then existing City policy or regulation providing for insurance payments for retired City employees, were the retiree eligible for insurance contribution under the policy or regulation. The retiree shall, in the retiree's sole discretion, elect between (1) and (2), at the time of Medicare eligibility. Under both (1) and (2) such coverage under the City's group insurance plan is secondary to Medicare coverage. Provided, however, that if Medicare age has been increased beyond age sixty-five (65), the fifty percent (50%) payment under (1) shall apply to the "employee without Medicare" premium. In the event the City eliminates the policy or regulation for subsidizing payment of retiree health insurance, any retiree who elected (2) above shall automatically revert to receiving the benefits specified in (1) above. In order to receive payment under either (1) or (2), the retiree must comply with any requirements pertaining to Medicare, which are imposed by the City's insurance carrier, as a precondition to being eligible to qualify as a retiree covered by the insurance plan, as modified from time-to-time, or required by law.

(2) The spouse of the bargaining unit Employee/retiree (current at time of Employee's separation from the City) until death or divorce. To be eligible for the

spousal subsidy, the spouse must be married to the Employee on the date the Employee retires from Nevada PERS. The spouse does not need to be enrolled in the City's insurance plan at the time the Employee retires. However, the spouse cannot receive the subsidy until the spouse is enrolled in the City's insurance plan. Once enrolled, the spouse is eligible to receive the subsidy. After the spouse reaches the eligibility age for federal benefits under Medicare, or age sixty-five (65), whichever occurs first, the health insurance coverage premium paid by the City on behalf of the spouse will be reduced to twenty five percent (25%) of the "single dependent with Medicare" premium. After reaching the eligibility age for federal benefits under Medicare, such coverage under the City's group health insurance plan is secondary to Medicare coverage. In order to receive payment once the spouse has reached the eligibility age for federal benefits under Medicare, the spouse must comply with any requirements pertaining to Medicare, which are imposed by the City's insurance carrier, as a precondition to being eligible to qualify as a spouse covered by the insurance plan, as modified from time-to-time, or required by law. In the event a retiree remarries after separation from the City, the spouse will not be included in the health insurance premium subsidy.

(3) Dependents (current at time of Employee's separation from the City), as defined by the rules of the City group health insurance plan in effect at the time of separation. After the dependent reaches the eligibility age for or is otherwise eligible for federal benefits under Medicare, or age sixty-five (65), whichever occurs first, the health insurance coverage premium paid by the City on behalf of the dependent will be reduced to twenty five percent (25%) of the "single dependent with Medicare premium". After reaching the eligibility age for, or if otherwise eligible for federal benefits under Medicare, such coverage under the City's group health insurance plan is secondary to Medicare coverage. In order to receive payment once the dependent has reached the eligibility age for or is otherwise eligible for federal benefits under Medicare, the dependent must comply with any requirements pertaining to Medicare, which are imposed by the City's insurance carrier, as a precondition to being eligible to qualify as a dependent covered by the insurance plan, as modified from time-to-time, or required by law.

3. In the event of death of the Employee/retiree:

a. Deceased Employee's spouse will continue to receive the subsidy benefit until death or remarriage subject to the requirements in Section 13.B.2.b.(2) of this Article.

b. Deceased Employee's dependents, as defined by and subject to 13.B.2.b.(3) of this Article, so long as they meet the definition of "dependent" in the City group health insurance plan in effect at the time of Employee's retirement.

4. In the event of a catastrophic injury or medical illness which forces an Employee who has not reached twenty (20) years of full-time service with the Carson City Sheriff's Office to retire from service with the Carson City Sheriff's Office under NRS 616A through 617, inclusive, and any regulations adopted thereto, or as a Nevada PERS disability

retirement, this benefit will be prorated for the Employee at five percent (5%) per year of service after the Employee has worked for the Carson City Sheriff's Office for ten (10) years, up to a maximum of ninety percent (90%) and subject to the provisions of Section 13.B.2.b.(1) of this Article concerning the Employee reaching the eligibility age for or being otherwise eligible for federal benefits under Medicare, or age sixty-five (65), whichever occurs first. Ten (10) years starts at fifty percent (50%). The benefit as described in this provision does not apply to Employee's spouse or dependents and does not trigger any spousal or dependent benefits under this Article.

5. If the benefits provided to retirees or their spouses and dependents under this Article are modified (reduced or eliminated) in the future by mutual agreement of the City and the Association including binding fact-finding or interest arbitration pursuant to NRS Chapter 288, such modification shall not apply to retirees or their spouses and dependents then receiving the benefits, and the retirees and their spouses or dependents shall continue to receive the benefit on the basis specified by the collectively bargained agreement in effect as of the date of retirement.

C. This Article of the Agreement was made in exchange for a permanent five percent (5%) reduction in the cost-of-living increase that was due on July 1, 2012, for the Employees' biweekly base salary and is therefore in effect on this same date. If the retirement insurance benefit provided for in this Article is eliminated, the five percent (5%) permanent reduction in the Employee's biweekly base salary shall be restored on the effective date of elimination of this benefit and shall include compounded interest (based on prime rate) accrued from July 1, 2012, to and including the date of the benefit elimination.

D. Nothing contained in this Article is intended to revoke, repeal, replace, or otherwise modify the rights created in Article 12.C (Family Medical Leave) of this Agreement.

E. An Employee on leave without pay may continue the group health insurance coverage for a maximum period of one (1) year by making application to the Human Resources Department and enclosing a certified check payable to Carson City.

F. The City agrees that any changes in medical insurance benefits will be made in accordance with Nevada law.

G. Employees and their dependents (spouses and children) will not be billed for any ambulance fees charged by the Carson City Fire Department which are not covered by insurance.

ARTICLE 14. GROUP LIFE INSURANCE

The City shall pay one hundred percent (100%) of the premium for a fifty-thousand-dollar (\$50,000.00) policy, or policies of that value in the aggregate, of Group Term Life Insurance for each Employee.

ARTICLE 15. ASSOCIATION DUES AND PAYROLL DEDUCTION PRIVILEGES

A. Employees may authorize payroll deductions for the purpose of paying the Association dues. Upon the execution of the proper personnel payroll document filed with the City Finance Department, and coinciding with the commencement of a payroll period, the City agrees to deduct from the wages of the Employee, on a bi-weekly basis, such sums as the Employee may specify for Association dues and any other appropriate deductions that are eligible for payroll deduction.

B. The Association will indemnify, defend, and hold harmless the City against any claims made, and against any suits instituted, against the City on account of any action taken or not taken by the City in good faith under the provisions of this Article. The Association agrees to refund to the City any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence thereof.

C. An Employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the deducted Association dues. When a member in good standing of the Association is in non-pay status for an entire pay period, no withholding will be made to cover that pay period from future earnings. If an Employee is in non-pay status during only part of the pay period, and his or her wages are not sufficient to cover the full withholding, no deductions will be made. All other legal and required deductions have priority over Association dues.

ARTICLE 16. EMPLOYEE GRIEVANCE PROCEDURES

A. Any dispute, claim, or grievance arising out of or relating to the working conditions or the interpretation of the application of this Agreement must be settled in accordance with this Article.

B. An Employee who alleges a violation of any provision of this Agreement ("Grievant") shall submit a written grievance to the Sheriff not later than fifteen (15) working days from the date of the alleged violation. As used in this Article, "working day" means Monday through Friday, excluding State and Federal holidays.

C. Not later than ten (10) working days of receipt of a grievance, the Sheriff may respond to the grievance. If the Sheriff denies the grievance or fails to respond, the Grievant may, not later than ten (10) working days from the date of the Sheriff's denial of the grievance or failure to respond to the grievance, submit a written grievance to the City Human Resources Director. Not later than five (5) working days of receipt of the written grievance, the City Human Resources Director shall, by written notice to all Parties concerned, direct the Parties to proceed to non-binding mediation. Unless mutually agreed to by the City and the Association, mediation must be held not later than sixty (60) calendar days from the date the City Human Resources Director receives the written grievance. If the Parties are unable to agree on a person to act as a neutral mediator, the Human Resources Director must be notified and a request for a mediator shall be made to the Federal Mediation and Conciliation Service (FMCS). Any costs of mediation shall be split between the Association and the City. If the Parties are unable to resolve

the issue through mediation, the grievant may, within ten (10) working days of mediation, submit the grievance to arbitration for resolution.

D. If a grievance is not resolved through mediation, the grievance may be submitted to arbitration by notifying the other Party in writing not later than ten (10) working days of the nonresolution. If a grievance is not submitted to arbitration after mediation, it shall be deemed denied or settled on the basis of the last administrative decision. The Party requesting arbitration shall notify the other Party within the ten (10) working day period. If the Parties are unable to agree upon an arbitrator, the Party initiating the arbitration must request a list of seven (7) arbitrators from the FMCS or the American Arbitration Association. Failure to make a written request for a list within thirty (30) working days after notice to the other Party will constitute a waiver of arbitration and a denial or settlement of the grievance on the basis of the last administrative decision. An arbitrator must be selected in the manner provided by NRS 288.200.

E. An arbitrator who is selected pursuant to this Article shall convene a hearing as soon as reasonably practicable at the mutual convenience of the arbitrator and the Parties. Any expenses for witnesses or legal counsel for either Party must be paid by the Party producing the witnesses or retaining such counsel. A stenographic record must be taken of each hearing. The costs of the record, the arbitrator's fees, and expenses must be assessed by the arbitrator on either or both Parties, in his or her discretion.

F. An arbitrator who is selected pursuant to this Article does not have the authority to amend or delete any of the terms of this Agreement or any of the Sheriff's Department rules, regulations, or policies. A decision of the arbitrator must be based solely on the evidence and arguments presented by the Parties at the arbitration hearings, and the decision of the arbitrator will be final and binding except as provided by law.

G. Any time limits described in this Article are intended to expedite the grievance procedure. The failure of an aggrieved Employee to comply with this Article within the established time limits constitutes a waiver of the grievance. Any time limits may be extended by mutual written agreement of the Parties, and which may not be unreasonably withheld by any Party.

H. Unless a grievance is submitted by the Association itself, the Sheriff must not settle or deny the grievance without first notifying the Association that the grievance was filed. The Association has the right to intervene in any Employee grievance. If the Association has not demanded arbitration, it is not responsible for any fees or expenses under this Article. If an Employee demands arbitration, an arbitrator may require the payment of one-half of the estimated cost of the arbitration in advance of any hearing. If the payment is not made, the grievance shall be deemed denied or settled on the basis of the last administrative decision.

ARTICLE 17. BILL OF RIGHTS

This Agreement hereby adopts and incorporates by this reference the provisions of Chapter 289 of the Nevada Revised Statutes, Police Officers Bill of Rights, as they may be amended from time to time.

A. Upon approval of the Sheriff and if budgeted department training funds are available, Employees will be reimbursed for reasonable tuition, books, and consumable educational material costs for educational training courses in accordance with the City's Education Assistance policy and the following conditions:

1. The course must be directly related to the required skill or education for the Employee's current position.

2. The costs are borne by the Employee, and any support, grant, assistance provided or assumed by another institution, government agency, scholarship or grant-in-aid will be deducted from any reimbursement amount.

3. The course(s) must be taken from a recognized and accredited school or POST certified program, and the Employee must present evidence of successful attendance and completion of the training before reimbursement can be considered for approval by the Sheriff.

4. The Employee must provide written, official documentation of the costs of tuition, books, and consumable education materials actually used as a requirement of the course at the time he or she requests reimbursement.

5. The decision of the Sheriff about a course's relatedness to current job performance is final and not subject to grievance by the Employee under this Agreement.

6. The decisions of the City Human Resources Director about the recognition and accreditation of the school or program and the decisions of the City Chief Financial Officer about the adequacy of the documentation regarding reasonable costs and successful completion are final and not subject to grievance by the Employee under this Agreement.

B. Training and courses taken by an Employee under the provisions of this Article will normally be taken on the Employee's personal time. However, the Sheriff may grant annual leave or administrative leave on a case-by-case basis depending on the Sheriff's assessment of the contribution that the training will provide to current job performance. The Sheriff may not grant administrative leave in excess of forty (40) hours in a fiscal year for any single course under any circumstance.

C. Training at the direction of the Sheriff will be at the department's expense and time and related travel by the Employee will be governed by the Fair Labor Standards Act and the City's travel policies.

(3) Whether the test will consist of written, oral, and/or physical demonstration components and the value to be given to each in scoring test results;

(4) Whether the test will be used to establish an eligibility list based upon ranking or rating of test applicants with the highest overall score being placed first, next highest second, and so on down the list of candidates, or whether a different rule applies, and how long the list will be retained and/or effective:

(5) Whether the selection will be made from the top 3 positions on the eligibility list or other basis.

d. If the eligibility list is based upon a ranking or rating of test applicants, the employee who tested will be provided with his or her ranking or rating, as applicable, as soon as reasonably practicable upon request of the employee.

e. An employee who tests for promotion will be provided with a copy of his or her test scores and aggregate score as soon as reasonably practicable, upon request of the employee.

ARTICLE 20. STANDBY PAY

An Employee who is requested to be on standby status shall be paid at the rate of fifteen percent (15%) of his or her base rate of pay for each hour, or fraction thereof, while on standby.

ARTICLE 21. TRANSFERS

If an Employee is to be permanently transferred by the City, he shall be given reasonable notice of such transfer.

Periods of paid and unpaid leave or holiday hours not worked are not eligible for shift differential.

ARTICLE 23. SAFETY

A. The City shall make every reasonable effort to provide and maintain a safe place of employment. The Association shall urge all Employees to perform their work in a safe manner. Employees shall be alert to unsafe practices, equipment, or conditions and report same to their immediate supervisors.

B. Staffing Levels: The department shall recognize that due to possible dangers inherent in the occupation of the Employees covered by this Agreement, minimum staffing levels will be maintained by the department to provide officer safety, as follows: two (2) supervisors, one (1) on duty in detention and one (1) on duty in patrol, unless an emergency or unforeseeable circumstance exists. A sergeant may act in a role-down capacity in the place of a deputy when necessary for brief periods for purposes of providing minimum staffing levels. For the purposes of this Article, "supervisor" is defined as a sergeant, lieutenant, or captain. Should those supervisor positions not be available to be covered by the department through voluntary overtime, any other sworn peace officer employed by the department and deemed appropriate by the Sheriff may be used to fill the minimum staffing positions.

C. Unless the Board of Supervisors declares a state of emergency, all Employees are entitled to be off duty at least eight (8) hours between shifts, excluding required court appearances, detective supervisors called out prior to the start of their next scheduled shift to supervise an investigation, and shift rotations (two (2) times per twelve (12) month period). Such rest period shall be taken without loss of pay and Employees shall not be required to make up such time.

ARTICLE 24. DISCIPLINARY ACTIONS

Per the City's policy, disciplinary action must be administered on a progressive basis for just cause unless circumstances warrant more escalated discipline.

A. WARNING AND REPRIMAND

Whenever Employee performance falls below standard, the supervisor shall inform the Employee promptly and specifically in writing of any deficiency. If appropriate and justified, following a discussion of the matter with the Employee, a reasonable period of time of no less than thirty (30) days, will be allowed for improvement or correction before initiating progressive discipline. In situations where oral or written warning has not resulted in a correction of the condition or where more severe initial action is warranted, a written reprimand shall be sent to the Employee and a copy placed in the Employee's personnel folder at the City Human Resources Department.

B. SUSPENSION

If the written reprimand is not effective, or in those cases where the seriousness of the offense or condition warrants, and Employee may be suspended without pay for cause by the Sheriff or his or her designee for a period not to exceed thirty (30) working days. While on unpaid suspension, a suspended Employee may receive pay by using accrued compensatory time or annual leave equal to the number of hours suspended.

C. INVOLUNTARY DEMOTION AND DISMISSAL

When other forms of disciplinary or corrective action have proved ineffective or when the seriousness of the offense or condition warrants, the Sheriff, or his or her designee, may demote or dismiss for cause.

D. NOTICE OF SUSPENSION, INVOLUNTARY DEMOTION, OR DISMISSAL

The Sheriff's decision regarding suspension of more than ten (10) scheduled shifts, involuntary demotion, or dismissal shall be given to an Employee in writing specifying the action to be taken; detailing the grounds upon which the action is based, including specification of standards, rules, regulations, or policies violated; and date of action taken, which shall not be earlier than five (5) working days from date of delivery of Specificity of Charges to the Employee.

Receipt shall be deemed the date of personal delivery of the notice to the Employee which also shall be the effective date of said discipline unless another effective date is specified in said notice. The Sheriff, or designee, may elect to serve notice upon the Employee by mail. In such event, the notice should be mailed to the Employee at his or her last known address by certified mail, return receipt requested. Receipt shall be deemed the date of delivery as indicated on the return receipt. Should the notice be returned to the sender, receipt shall be deemed to be the third day after the date of mailing the notice.

E. SPECIFICITY OF CHARGES

1. Before any disciplinary action can be taken under Section 24.B or 24.C, the Employee to be so disciplined must be provided with a Specificity of Charges including a statement of facts constituting conduct for which discipline can be imposed, together with statement of specific rules, regulations, ordinances, law, or policies violated.

2. The Specificity of Charges must be signed by the Sheriff or his or her designee.

3. The Employee who is the subject of the discipline must be given an opportunity to sign the Specificity of Charges. The Employee's signature, however, does not constitute an admission of guilt. The signature is merely acknowledgment of receipt of Specificity of Charges.

F. GREVANCE REVIEW OF DISCIPLINARY ACTIONS

All disciplinary actions are subject to review by appeal through the grievance procedures set out in Article 16.

Letters of hearing or reprimand not appealed through grievance procedure at time of issue are nevertheless subject to evidence of mitigation or aggravation in any disciplinary action, in which such letters are a basis for, or are offered in support of, all subsequent disciplinary action.

Disciplinary documents shall be of no force or effect twelve (12) months after date of issue and shall be removed from personnel files at that time upon request by the Employee, provided that the same or similar conduct which gave rise to the disciplinary action or related misconduct has not reoccurred.

ARTICLE 25. DUTY TO DEFEND

The City shall defend an Employee named as a defendant in any action arising out of the scope or performance of employment duties and tender defense on behalf of the Employee with adequate notice to the Employee and the reasonable opportunity to participate in all aspects of proceedings, including any compromise and settlement, trial, and appeal, up to and including final disposition, subject to the provisions of Nevada Revised Statutes. The City shall, pursuant to NRS 41.0349, hold harmless and indemnify any Employee named in any and all claims, judgments, losses and demands as a result of such actions.

ARTICLE 26. RETIREMENT

A. All Employees covered by this Agreement will be covered by the Nevada PERS under benefits granted to Firemen/Policemen, pursuant to NRS Chapter 286.

B. The City agrees to make health insurance coverage available to all Employees who retire from the Sheriff's Office and who are eligible to receive retirement benefits in accordance with state law.

C. Employees shall be retired from employment with the City in accordance with the provision of this Article and NRS 286.

D. If Nevada PERS or the Nevada State Legislature takes any single action to increase the total contribution rate for the Police and Firefighter's Retirement Fund in an amount of 1.5% or less, the City will pay one half of the increase up to .75%, and the Employee's salary will be reduced by one half of the increase up to .75%. However, the City will increase the Employee's salary on the effective date of the reduction in salary in an amount equal to the reduction made to the Employee's salary.

If Nevada PERS or the Nevada State Legislature takes any single action to increase the total contribution rate for the Police and Firefighter's Retirement Fund in an amount that exceeds 1.5%, the City will pay one half of the increase and the Employee's salary will be reduced by one half of the increase, however, the City will increase the Employee's salary .75% on the effective date of the reduction. Any amount over 1.5% will be split equally between the City and the Employee.

ARTICLE 27. UNIFORM ALLOWANCE

A. The City shall pay each Employee a uniform allowance of \$1,700.00 per year with semi-annual payments included with the first paycheck of June and the first paycheck of December. This uniform allowance shall be deemed to cover the full cost of original purchase, replacement, and upkeep of the Employee's uniform during the time of his or her employment with the City. If the Sheriff alters, modifies, or changes in any way, the existing uniform requirements, the Association must be given reasonable notice. The City shall bear full cost of any such alterations, modifications, or changes in the existing uniform requirements.

B. The City shall purchase uniforms and other gear required but not issued by the department for each new Employee hired. An Employee for whom such purchases have been made will not receive uniform allowance on the first two occasions when such checks are issued after the date of his or her hire. If an Employee on whose behalf such purchases are made is terminated or leaves the service of the department for any reason during the probationary period, the uniforms and other gear purchased must be returned to the department. The department shall pay up to \$1,250.00 for the purchase of body armor for each new Employee hired. The Employee must purchase the vest from a supplier approved by the department. The department shall make payment directly to the supplier. An Employee who obtains body armor pursuant to this provision and who is not employed beyond the end of his or her probationary period for any reason must return to the department the vest or the amount subsidized by the department upon his or her separation from service.

C. The City shall purchase body armor and one body armor cover for each Employee once every five (5) years, with such expenditure not to exceed \$1,250.00 per Employee. The cost of the body armor purchased will be paid by the Sheriff's Office directly to the vendor of such body armor upon presentation to the Sheriff or his or her designee of a purchase receipt. The purchase of body armor pursuant to this section applies to 25% of the covered Employees each year of this Agreement. The Association will provide to the Sheriff's Office a list of those Employees eligible during each year of the Agreement.

D. In the event an Employee loses or damages any uniforms, equipment, watches, or eyeglasses in the performance of the Employee's duties, and which is not caused by the Employee's own negligence, the City must reimburse the cost of the item lost or damaged as follows:

1. Watches and sunglasses: up to \$100.00 each per incident.
2. Prescription glasses: up to maximum of \$300.00 per incident.
3. All other items: \$400 total per incident.

This provision includes clothing worn by Employees assigned in plain clothes capacity.

In order to receive benefits under this Article, an Employee must report any claims prior to the end of his or her shift during which the incident occurred, unless such report is not possible or practical at that time. Employees must turn in all damaged equipment or

clothing for reimbursement. Items will be replaced with a like-kind or of cost equivalent value.

ARTICLE 28. ADDITIONAL PAY

A. SPECIALITY COLLATERAL ASSIGNMENT PAY:

1. Subject to the limitation set forth in Section J (Total Additional Pays) of this Article, an Employee assigned to any of the following assignments shall receive special assignment pay of 2.5% of the Employee's base rate of pay for the duration of each assignment:

ARTICLE 29. LAYOFF POLICY AND PROCEDURE

A. DEFINITIONS FOR THIS POLICY ONLY

1. Break in Service: A break in service occurs when an Employee resigns, is discharged for cause, or retires. However, City seniority accrued prior to layoff will be counted upon recall and re-employment. Job classification seniority may be continued provided that the Employee is rehired into the same job classification. If there is a voluntary interruption or break in service, seniority will commence as of the date of last entrance into City service. Leaves of absence will not be considered as breaks in service.

2. City Seniority: An Employee will have City seniority as of the date of hire following the successful completion of the initial probationary period.

3. Divisions: A "division" means a clearly established first sub-unit of a department which has been determined by the Sheriff.

4. Job Classification Series: A "job classification series" means the normal line of progression from trainee, entry, or preparatory levels to supervisory or administrative levels within a job specialty. The minimum qualifications, test for fitness, and the duties and responsibilities are similar but different in level. Job classification series also includes all positions which an Employee has previously held within the department.

5. **Job Classification Seniority:** An Employee will have job classification seniority as of the date of appointment to the job following the successful completion of the probationary period.

6. **"Regular" Employee:** An Employee who has completed the probationary period, but is serving a new probationary period, is considered a regular Employee for layoff purposes. If an Employee has been employed in a job classification series for a period of time equivalent to the minimum required to complete a probationary period, but because of promotions within that job classification series has never completed a probationary period, the Employee will for layoff purposes be considered a regular Employee.

7. Seniority will be calculated on the basis of calendar days of continuous service.

B. PROCEDURES

1. **Determination of Job Classifications to be Affected by Layoffs:** The Sheriff shall determine which job classifications will be subject to layoffs.

2. **Notice to Bargaining Unit:** Whenever it is determined that a layoff of Employees may occur because of lack of work or funds, the City Manager or his or her designee shall, not less than seven (7) calendar days before the effective date of the layoff, provide the Association written notice of the layoff which must include the specific reasons such action is necessary and the estimated length of the layoff period.

3. **Sequence of Layoff:** Within the job classifications selected for layoff, the following sequence of layoff will occur:

- a. Probationary Employees will be laid off first.
- b. Regular Employees will be laid off only after layoffs of probationary Employees have been exhausted.

4. **Notice of Layoff:** All Employees will be given written notice of such layoff at least thirty (30) calendar days prior to the effective date of the layoff.

5. **Vacancies:** Whenever possible, an Employee who has been laid off pursuant to this Article will be permitted to fill an available vacancy if the Employee meets the minimum qualifications of the vacancy and successfully completes any necessary tests. If the vacant position is offered to an Employee who has been laid off pursuant to this Article, the Employee must submit his or her decision in writing to the City Human Resources Department within seven (7) calendar days of the offer.

6. Bumping:

a. Any regular Employee who is to be laid off may elect to replace an Employee in a lower level of the same job classification series if the bumping Employee:

- (1) Has more City seniority than the Employee being bumped; and

b. An Employee electing to exercise bumping rights shall assume the grade of the Employee being bumped and the step closest to his or her existing salary, at the time of layoff.

c. Any Employee who is bumped shall have the right to exercise bumping rights in accordance with the provisions of this Section. The decision to bump must be submitted in writing within seven (7) calendar days of notification.

d. Those Employees laid off within the department who have attained their present positions by promotion or appointment through the affected job classification series will have employment rights at the next lower level within the department and will become the senior member in the lower classification.

7. **Seniority:** Whenever it is determined that a layoff of Employees will occur, the City agrees to supply current City seniority lists and job series seniority lists to the Association for the jobs being affected.

8. **Ties:** In the case of seniority or job classification ties, scores will be used to break it if available, i.e., highest score. If the scores are not available, then lots shall be drawn.

C. **RECALL**

1. The name of an Employee who has been laid off must be placed on a re-employment list and will be recalled in the inverse order in which the Employee was laid off. An Employee on the list will be offered appointment to an opening in the job classification or equivalent job classification or any vacancy for which he or she is qualified, and no new Employee will be hired until all qualified Employees on layoff status desiring to return to work has been offered the position. Employees must provide the Sheriff and City Human Resources Department with any address change and phone number while waiting for recall.

2. Notice of recall will be made in writing by certified mail to the Employee's address of record.

3. An Employee who is sent a notice of recall must respond within ten (10) working days of the receipt of the notice of certification for recall.

4. An Employee recalled to his or her former or equivalent job classification must report for re-employment on the date established by the department administrator or be considered to have abandoned his or her recall rights so long as said date is beyond ten (10) working days from the receipt of the recall notice.

5. An Employee recalled to a job classification with a lower salary rate than his or her previous job classification may refuse such position and remain eligible for recall. In the event that an Employee accepts such a position, his or her name will be removed from the re-employment list.

6. An Employee on layoff accrues no additional sick leave or vacation time.

ARTICLE 30. COURT TIME

An Employee who appears to testify pursuant to a subpoena in any court or administrative proceeding that is required by the Employee's job will receive his or her regular salary during the period of court or administrative testimony or pretrial conference required by the District Attorney. If said court or administrative testimony occurs during the Employee's regular time off, he or she is entitled to a minimum of three (3) hours overtime during the time scheduled for said court testimony pursuant to Article 9 (Overtime, Travel Time, and Call-Back) of this Agreement. Court time includes time involved in obtaining evidence or other related matters at the Carson City Sheriff's Office. An Employee subpoenaed to testify by the District Attorney shall tender to the City any witness fees received. ARTICLE 31. JURY DUTY

Any Employee of the City who is required to serve on any jury shall receive his or her regular salary during the period of jury service, provided that he or she remits his or her compensation for such jury duty to the Clerk for deposit in the General Fund.

ARTICLE 32. MILITARY LEAVE

Any Employee who is an active member of the Nevada National Guard or any reserve component of the United States Armed Forces will be relieved from his or her duties upon request to serve under orders on training duty without loss of his or her regular compensation for a period not to exceed fifteen (15) working days in any calendar year. Any such absence shall not be deducted from the Employee's accrued vacation.

The City shall from time to time meet with the Association to discuss its views relative to the administration of this Agreement; the Association or the City Board of Supervisors may request discussion if it wishes.

B. If any provisions of this Agreement are found to be in violation of any federal or state law or regulation by a court of competent jurisdiction, that provision will be null and void

but all other provisions of this Agreement will remain in force and effect. The Parties hereto agree to renegotiate any such provision found to be in contravention of any federal or state law or regulation.

ARTICLE 35. ABSENCE OF SHERIFF

Any reference to the Sheriff in this Agreement includes his or her authorized designee in the event the Sheriff is absent or unavailable for any reason.

ARTICLE 36. ADOPTION AND DURATION OF AGREEMENT

A. This Agreement is effective July 1, 2023, and remains in effect through June 30, 2028, unless changed as provided herein.

B. This Agreement automatically renews from year to year thereafter. If either Party desires to amend this Agreement that Party must notify the other Party in writing of the Articles that the Party desires to negotiate. The notice required by this section must be provided to the other Party on or before the date such notice is required by NRS Chapter 288, which at the time of execution of this Agreement is designated as February 1 of each calendar year.

C. The Parties shall promptly commence negotiations. If the Parties have not reached agreement by the time established under NRS Chapter 288, which at the time of execution of this Agreement is designated as April 10 of the year in which negotiations commence, either Party may submit the dispute preventing agreement to an impartial factfinder at any time for his or her findings. The factfinder shall make recommendations of the unresolved issues.

D. If the Parties have not reached an agreement within ten (10) days after the fact-finder's recommendations, all issues remaining in dispute must be submitted to an arbitrator.

E. The provisions of NRS Chapter 288 will govern fact-finding and arbitration between the Parties.

Background/Issues & Analysis

In accordance with NRS 288.153, Nancy Paulson, Carson City Manager, will report to the Board the fiscal impact of the proposed CBA.

The proposed successor CBA covers a bargaining unit that currently includes 18 employees. Bargaining representatives for the City and CCSSA have tentatively agreed to the following changes in the successor CBA, for a proposed five-year term, effective July 1, 2023, through June 30, 2028:

Article 1 (Preamble): making minor language changes that are not substantive.

Article 2 (Recognition): clarifying the bargaining unit covered by the CCSSA.

Article 4 (Rights of Management): making minor language changes that are not substantive.

Article 5 (Association Rights): making minor language changes and clarifications, and adding language to clarify administration and procedure for union leave and union requests to use City property.

Article 6 (Compensation and Work Day): providing a 21.2% increase to base pay in FY 2024, creating a step pay table that has a 4% increase between steps, removing Step 1 in FY 2027 and FY 2028, providing a 2% cost of living ("COLA") increase in FY 2025, 2026, 2027 and a 2.5% COLA in FY 2028; removing language that allows the Sheriff to dismiss a probationary employee; removing position reduction language as it is covered under Article 29 (Layoff Policy and Procedure); and matching the position reclassification language to that found in the deputy sheriff contract.

Article 7 (Special Salary Adjustments): changing language that provided for a 5% increase in base pay when carrying responsibilities beyond those required for the class as a whole to a one-step increase, which is 4%.

Article 8 (Physical/Mental Examinations): moving the original language referencing performance reviews to Article 6 and adding new language that addresses how mandatory physical and mental health examinations will be compensated through minimum overtime.

Article 9 (Overtime, Travel Time, and Call-Back): adding new language addressing call-back pay, overtime and travel time to this Article, which originally only addressed call-back pay and adding language that gives employees a minimum of thirty minutes of overtime pay for phone calls that are taken while off duty.

Article 10 (Holidays): adding Juneteenth as an observed holiday.

Article 11 (Annual Leave): increasing the maximum accrual of annual leave from 280 hours per year to 300 hours per year.

Article 12 (Sick Leave): adding 20 hours of wellness leave for employees who use 20 hours or less of family sick and/or sick leave in a calendar year and moving the physical agility incentive to Article 28 (Additional Pay).

Article 13 (Group Health Insurance): amending language to add life insurance to the retiree subsidy and amending language to allow employees who retire to add their spouse to the health insurance plan later, rather than on the date of retirement.

Article 14 (Group Life Insurance): making minor language changes that are not substantive.

Article 15 (Association Dues and Payroll Deduction Privileges): making minor language changes that are not substantive.

Article 16 (Employee Grievance Procedures): modifying the language to reflect similar language found in the deputy sheriff contract.

Article 18 (Training/Education): modifying the Article's title for clarity; adding a reference to City's Educational Assistance policy; and modifying language to reflect the language found in the deputy sheriff contract allowing the Sheriff to grant up to 40 hours of annual or administrative leave each fiscal year.

Article 19 (Promotions): adding language allowing employees to obtain their exam scores, aggregate scores and ranking, if applicable, following the completion of a promotion process.

Article 20 (Standby): removing on-call language, which is then added to Article 28 (Additional Pay) and increasing standby pay from \$1.50/hour to 15% base rate of pay.

Article 22 (Shift Differential): making minor language changes and clarifications.

Article 23 (Safety): making minor language changes that are not substantive.

Article 24 (Disciplinary Actions): making minor language changes that are not substantive.

Article 25 (Duty to Defend): making minor language changes to better reflect State law.

Article 26 (Retirement): removing the requirement that employees 70 years of age or older receive Board approval to remain employed and making minor language changes that are not substantive.

Article 27 (Uniform Allowance): changing the uniform allowance from \$1,250/year (starting July 1, 2007), with a \$50 increase every year, to \$1,700/year with no more increases for the length of the contract and adding language regarding uniforms and body armor for new employees.

Article 28 (Additional Pay): adding incentive pays for various assignments and modifying the existing motors incentive; inserting on-call pay term originally set forth in Article 20 and changing the on-call pay to reflect that an employee who is not on-call for a week will receive the 15% set forth in Article 20 (Standby) rather than \$1.50; amending language to allow employees to receive both the education incentive and the Peace Officer Standards & Training certificate incentive; providing an additional stipend for a Sergeant assigned a K9; amending longevity pay language to split longevity pay into two payments a year rather than one payment beginning in FY 2024; and inserting a 17.5% cap on total incentive pay.
