

**CARSON CITY NEVADA**  
**Consolidated Municipality and State Capital**  
**PUBLIC WORKS**

**NOTICE OF INCREASE FOR**  
**WATER, WASTEWATER and STORMWATER RATES**  
**BEGINNING JULY 2025**

Dear Carson City Utilities Customer,

This letter is to inform you of the rates for water, wastewater, and stormwater services that will go into effect for the July 2025 billing cycle. At the December 3, 2020, Board of Supervisors' meeting, the Board of Supervisors approved an ordinance adopting annual rate increases for the water, wastewater, and stormwater utilities based upon the previous year's percentage increase in the Consumer Price Index-All Urban Consumers (CPI-U) for the west urban area; the increase for this year is 2.5%.

For our average residential customer, a monthly increase of approximately \$1.43 for water and \$1.12 for wastewater should be anticipated, although actual impact will vary based on customer type and actual usage.

Stormwater rates will see an increase, which will vary depending on the customer size. Single-Family Residential is classified by the size of the house; for most residential customers a monthly increase of \$0.19 should be anticipated.

Please see the rate sheet on the back for more information.

Please contact Carson City Public Works Utility Billing at 775-887-2355, ext. 2 with any questions.
