## GET TO KNOW OUR STAFF

Charmaine Angel - Adaptive Recreation Specialist

I am the proud mother of five amazing children who are my biggest motivators. Being a mother has been one of the greatest joys of my life, teaching me strength, patience, and unconditional love.

I have always had a passion for helping others, especially those in need. I find great fulfillment in working with children and people of all abilities, helping them feel seen, valued, supported and included. Making a positive difference in people's lives is something I truly enjoy.

Outside of my family and work, I have a love for all things Halloween. From the decorations to the costumes and the festive spirit, it has always been my favorite time of year. I enjoy history especially haunted history and watching documentaries.
